Marine and Fisheries: Payments Made on Defaulted Contract to Creditors of Contractor without Special Parliamentary Authority.

AUDIT OFFICE, June 22, 1921.

SIR,—I beg to inform you that I have received an Order in Council—P.C. 1713—authorizing the Department of Marine and Fisheries to make a reasonable compromise with certain creditors of the Prince Rupert Dry Dock and Engineering Company for material delivered at Prince Rupert in connection with two cargo steamers which the Company was under contract to construct for the Department.

The Company, however, failed to carry out the contract to completion, and the Department was obliged to take over the ships.

The material involved in the proposed compromised settlement was delivered at Prince Rupert before the Company's failure, but not paid for.

Has the Department of Justice been consulted as to the legality of making any payments under the settlement authorized from the vote for Shipbuilding provided in the Supply Bill of the current fiscal year?

I am inclined to the opinion that there should be direct Parliamentary provision for payments of this nature.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Deputy Minister, Marine and Fisheries.

O. C., June 18, 1921.—The Committee of the Privy Council have had before them a Report, dated May 31, 1921, from the Minister of Marine and Fisheries, stating that he has had submitted to him a memorandum from the Chief Naval Constructor of the Department to the effect:—

1. That a contract was concluded between the Department of Marine and Fisheries and the Prince Rupert Dry Dock & Engineering Company, Limited, on February 21, 1919, for the construction of two steel cargo vessels of the Government standard 8,100 ton type.

2. That the construction of these vessels proceeded at varying rates of progress until the summer of 1920, when it became apparent that the Company was in financial difficulties.

3. That in December, 1920, the contractors advised the Department of their inability to complete the contract, after which the Bonding Company was duly advised and asked if it was their intention to complete the vessels, which it was their privilege to do under the bond.

4. That the Bonding Company at a later date advised the Department that it was not their intention to complete the ships.

5. That in view of the foregoing, the only alternative open to the Department was to invite tenders for the completion of both vessels, and with that end in view, the following firms were asked to submit quotations:—

The Collingwood Shipbuilding Co., Ltd., Collingwood, Ont.
The Port Arthur Shipbuilding Co., Ltd., Port Arthur, Ont.
J. Coughlan & Sons, Limited, Vancouver, B.C.
Wallace Shipbuilding & Dry Dock Co., Ltd., North Vancouver, B.C.
Harbour Marine Company, Limited, Victoria, B.C.
Yarrows, Limited, Victoria, B.C.
S. S. McGoffin & Co., Limited, Prince Rupert, B.C.

6. That of the offers received, that submitted by the Wallace Shipbuilding & Dry Dock Company, Limited, was considered the most favourable and was accepted, after which a contract was entered into with that Company for the completion of these ships on the basis of cost of labour and material plus 8 per cent profit.

7. That the Department had taken possession of the ships and material available in the yard which was purchased by the late contractors for the construction and completion of the ships, in which was included large assignments of materials and equipment furnished previous to the contractors going into bankruptcy, by merchants in Prince Rupert, Vancouver, etc., to the value of approximately $295,000 for which no payment had been made by the shipbuilders.

OBJECTIONS DE LA TRÉSORERIE

Marine et Pêcheries: Paiements faits aux créanciers d'un entrepreneur, sur une entreprise arrêtée, sans autorisation particulière du Parlement

BUREAU DE L'AUDITEUR, 22 juin 1921.

MONSIEUR,—Je dois vous informer que j'ai reçu un arrêté en Conseil—C.P. 1713—autorisant le ministère de la Marine et des Pêcheries à faire un compromis raisonnable avec certains créanciers de la *Prince Rupert Dry Dock and Engineering Company* au sujet des matériaux livrés à Prince-Rupert pour la construction de deux cargos que la compagnie avait entrepris de construire pour le ministère.

La compagnie n'a pas mené l'entreprise à bonne fin et le ministère a dû prendre les vaisseaux.

Les matériaux qui feraient l'objet du compromis ont été délivrés à Prince-Rupert avant la faillite de la compagnie, mais non payés.

Le ministère de la Justice a-t-il été consulté quant à la légalité de faire des paiements en vertu de l'arrangement autorisé à même le crédit de la construction des navires qui se trouve au budget de l'exercice courant?

Je suis porté à croire qu'il devrait y avoir une disposition particulière du Parlement pour autoriser un paiement de ce genre.

Je suis, Monsieur,

Votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre, Marine et Pêcheries.

O.C. du 18 juin 1921.—Le comité du Conseil privé a étudié un rapport du ministre de la Marine et des Pêcheries, en date du 31 mai 1921, déclarant que le chef de la construction navale du ministère lui avait soumis un mémoire comportant que:

1. Le ministère de la Marine et des Pêcheries et la *Prince Rupert Drydock and Engineering Company, Limited,* ont passé un contrat, le 21 février 1919, pour la construction de deux cargos d'acier du type réglementaire de 8,100 tonnes.

2. La construction de ces vaisseaux a marché plus ou moins vite jusqu'à l'été de 1920. Il est alors devenu visible que la compagnie était embarrassée au point de vue finance.

3. En décembre 1920, les entrepreneurs ont annoncé au ministère qu'ils étaient incapables de terminer l'entreprise. Dans la suite, on a averti la compagnie de cautionnement, lui demandant si elle avait l'intention de terminer les vaisseaux. Elle avait ce privilège en vertu du contrat de cautionnement.

4. La compagnie de cautionnement, plus tard, a averti le ministère qu'elle n'avait pas l'intention de terminer les vaisseaux.

5. Dans les circonstances, il ne restait au ministère que de demander des soumissions pour le parachèvement des deux vaisseaux. A cette fin, on a demandé des soumissions aux compagnies suivantes:

The Collingwood Shipbuilding Co., Ltd., Collingwood, Ont.
Port Arthur Shipbuilding Co., Ltd., Port Arthur, Ont.
J. Coughlan & Sons, Limited, Vancouver, C.-B.
Wallace Shipbuilding & Drydock Co., Ltd., Vancouver-Nord, C.-B.
Harbour Marine Company, Limited, Victoria, C.-B.
Yarrows, Limited, Victoria, C.-B.
S. S. McGoffin & Co., Limited, Prince Rupert, C.-B.

6. Parmi les offres reçues, celle de la *Wallace Shipbuilding & Drydock Company, Limited,* a été jugée la meilleure et acceptée. On a passé un contrat avec cette compagnie pour le parachèvement de ces vaisseaux sur le pied du paiement intégral de la main-d'œuvre et des matériaux plus 8% de bénéfice.

7. Le ministère a pris possession des vaisseaux et des matériaux qui se trouvaient sur le chantier et qu'avaient achetés les entrepreneurs faillis pour la construction et le parachèvement des vaisseaux. Il y avait de fortes quantités de matériaux et d'articles d'outillage précédemment fournis aux entrepreneurs faillis par des marchands de Prince-Rupert, de Vancouver, etc., soit pour une valeur approximative de $295,000. Les constructeurs n'avaient fait aucun paiement là-dessus.

8. That the question of taking possession of the two ships, the ownership of materials and the use of the plant was referred to the Supreme Court in British Columbia, and, according to a judgment rendered by Mr. Justice Murphy on February 22, 1921, the Department was allowed possession of the ships, building slips, materials and sufficient space to complete the vessels.

9. That as materials furnished by the Prince Rupert and Vancouver merchants were included in the above named Order, the creditors have submitted a memorandum having regard to their claims for compensation, stating that they were not able to exercise the ordinary right of lien owing to the fact that the Shipbuilding Company was engaged on a contract with the Dominion Government in the construction of the ships, and that they were not aware of this fact at the time that credit was given, also that the judgment alluded to in the previous paragraph made it possible under the contract for the Government to take possession of all the materials in the yard which had not entered into the construction of the ships at the time the Company failed. The creditors further point out that on account of the fact that the Crown is the contracting party, the Government is in a position to enforce lien and exercise oeher remedies which would not be open to private individuals and that therefore the Government by the exercise of its remedies makes the position for the creditors oppressive and unfair.

The Deputy Minister of Marine and Fisheries concurs in the said memorandum and recommends in the circumstances that the firms who have supplied materials required in connection with the construction of the vessels should be indemnified to the extnt of fifty per cent of the amount of their respective claims.

The Minister, in view of the foregoing facts, considers that for the purpose of avoiding litigation and securing a final settlement of said claims, it would be advisable to make, if possible, a reasonable compromise upon the basis recommended by the Deputy Minister of Marine and Fisheries.

The Minister, therefore, recommends that he be authorized to pay the creditors of the Prince Rupert Dry Dock & Engineering Company, Limited, who furnished materials which have been used or are to be used in the construction and completion of the said vessels fifty per cent of the price payable for such materials, in full and final satisfaction and discharge of any claims which they may have to recover the prices from Your Excellency's Government, or to be indemnified by the Government from any loss which they may suffer in the premises; it being clearly understood that nothing herein shall be interpreted as an admission of liability by or on behalf of the Government; the amount required to be paid out of the Parliamentary Appropriation, "Shipbuilding 1921-22."

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU, *C.P.C.*

DEPARTMENT OF MARINE AND FISHERIES, June 28, 1921.

SIR,—I beg to acknowledge the receipt of your letter of the 22nd instant, with reference to the Order in Council (P.C. 1713) authorizing the Minister of Marine and Fisheries to pay the creditors of the Prince Rupert Dry Dock and Engineering Company, Limited, 50 per cent of their claims in respect to material supplied by them which entered into the construction of two ships, and in which you ask if the Department of Justice has been consulted in the matter.

In reply, I am to inform you that the matter has received the consideration of the Minister of Justice, who, in fact, drafted the recommendations upon which the order was founded.

I am, sir, your obedient servant,

The Auditor General. E. HAWKEN, *Assistant D.M.*

AUDITOR GENERAL'S OFFICE, July 21, 1921.

SIR,—I have received an Order in Council—P.C. 1713, dated June 18, 1921—authorizing a settlement by compromise of certain claims for material delivered to the Prince Rupert Dry Dock and Engineering Company in connection with the company's contract with the Government of Canada for the construction of two steel cargo vessels of the 8,100-ton type.

The company, after certain progress had been made in the construction of these vessels, was obliged, owing to financial difficulties, to surrender the contract.

During the progress of the work the contractors were paid on progress estimates for expenditure incurred to the date of each certified estimate, so that, so far as the Government is concerned, the claims in the present instance have already been paid to the contractors.

8. Cette question de la prise de possession des deux vaisseaux, de la propriété des matériaux et de l'usage de l'établissement a été référée à la cour Suprême de la Colombie-Britannique et, conformément à un jugement rendu par le juge Murphy, le 22 février 1921, le ministère a été reconnu comme le possesseur des vaisseaux, des chantiers de construction, des matériaux et d'un espace suffisant pour terminer les vaisseaux.

9. Comme les matériaux fournis par les marchands de Prince-Rupert et de Vancouver étaient compris dans l'ordonnance sus-mentionnée, les créanciers ont soumis un mémoire de leurs réclamations, alléguant qu'ils ne pouvaient pas exercer le droit de gage ordinaire parce que la compagnie de construction de vaisseaux remplissait un contrat avec le gouvernement du Dominion pour la construction des vaisseaux et qu'ils ignoraient cela lorsqu'ils ont accordé du crédit, alléguant aussi que le jugement mentionné à l'alinéa précédent permettait au gouvernement en vertu du contrat de prendre possession de tous les matériaux du chantier qui n'étaient pas encore entrés dans la construction des vaisseaux au moment de la faillite de la compagnie. Les créanciers font aussi remarquer que comme la Couronne est la partie contractante, le gouvernement est en mesure d'exercer son droit de gage et d'employer d'autres moyens qui ne sont pas à la disposition des particuliers et que, par conséquent, le gouvernement, par l'emploi de ses moyens, soumet les créanciers à une situation oppressive et injuste.

Le sous-ministre de la Marine et des Pêcheries abonde dans le sens de ce mémoire et recommande que dans les circonstances les maisons qui ont fourni les matériaux nécessaires à la construction des vaisseaux devraient recevoir un dédommagement égal à 50% du montant de leurs réclamations respectives.

Le ministre, eu égard aux faits précédents, croit que, dans le but d'éviter un procès et de régler définitivement des réclamations, il serait à propos de faire, si possible, un compromis raisonnable sur la base recommandée par le sous-ministre de la Marine et des Pêcheries.

Le ministre recommande donc qu'on l'autorise à payer aux créanciers de la *Prince Rupert Drydock and Engineering Company, Limited* qui ont fourni des matériaux employés ou devant être employés dans la construction desdits vaisseaux cinquante pour cent du prix payable pour lesdits matériaux, à titre d'acquittement complet et définitif de toute réclamation sur le prix desdits matériaux de la part du gouvernement de Votre Excellence pour toute perte qu'ils puissent avoir subies sur les lieux. Il est clairement entendu que rien dans les présentes ne doit être interprété comme une admission de dette par le gouvernement ou de sa part. Le montant à verser doit être pris à même le crédit parlementaire: "Construction de navires, 1921-22".

Le comité concourt dans les recommandations précédentes et les soumet, pour approbation.

RODOLPHE BOUDREAU, *G.C.P.*

MINISTÈRE DE LA MARINE ET DES PÊCHERIES 28 juin 1921.

MONSIEUR,—J'accuse réception de votre lettre du 22 courant concernant l'arrêté en Conseil (C.P. 1713) autorisant le ministre de la Marine et des Pêcheries à payer aux créanciers de la *Prince Rupert Dry Dock and Engineering Company, Limited,* 50% des montants qu'ils réclament pour les matériaux par eux fournis qui ont servi à la construction des deux vaisseaux, chose au sujet de laquelle vous demandez si le ministère de la Justice a été consulté.

Je dois vous informer que le ministre de la Justice a étudié la question et donné la recommandation sur laquelle l'arrêté en Conseil était basé.

Je suis, Monsieur, votre obéissant serviteur,

E. W. HAWKEN, *sous-ministre adjoint.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, 21 juillet 1921.

MONSIEUR,—J'ai reçu un arrêté en Cnseil—C.P. 1713, en date du 18 juin 1921—autorisant un règlement par compromis de certaines réclamations pour matériaux délivrés à la *Prince Rupert Dry Dock and Engineering Company* pour l'entreprise adjugée à la compagnie par le gouvernement du Canada pour la construction de deux cargos d'acier du type de 8,100 tonnes.

La compagnie, ayant construit une partie de ces vaisseaux a été obligée d'abandonner l'entreprise à cause de difficultés financières.

Pendant les travaux, les entrepreneurs ont été payés, d'après les estimations progressives, pour les dépenses encourues jusqu'à la date de chaque estimation certifiée, de sorte que, pour ce qui concerne le gouvernement, les réclamations faites dans le cas actuel ont déjà été payées aux entrepreneurs.

In view, therefore, of the fact that these claims have already been made a charge on the appropriation for the Government Shipbuilding Programme may payments made under the compromise settlement authorized by the Governor in Council be properly charged to the same vote notwithstanding that the Governor in Council disclaims all legal liability for such claims?

It seems to me that these claims may be paid only from a Special Vote of Parliament provided for the purpose.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Assistant Deputy Minister of Justice.

DEPARTMENT OF JUSTICE, August 30, 1921.

SIR,—I have had under consideration your letter of the 21st ultimo, with regard to an Order in Council dated 18th June, 1921 (P.C. 1713), authorizing a settlement by compromise of certain claims for material delivered to the Prince Rupert Dry Dock and Engineering Company in connection with the company's contract with the Government for the construction of two steel cargo vessels.

It appears that during the construction of the said vessels the Prince Rupert Dry Dock and Engineering Company, Limited, became bankrupt and that thereupon the Government, pursuant to the provisions of the contract in such case, took possession of the uncompleted ships and material available in the yard and entered into a new contract for the completion of the ships; that a number of persons and firms who had supplied said materials made claims upon the Government to be paid the price thereof upon the ground that the Government in taking possession of the said material for the purpose of completing the ships rendered itself liable to pay for the same, and the Order in Council above referred to proceeds upon the view that for the purpose of avoiding litigation and securing a final settlement of said claims it is advisable to make, if possible, a reasonable compromise upon the basis recommended by the Deputy Minister of Marine and Fisheries, and set out in the order.

In these circumstances the Acting Minister of Justice and the undersigned are of opinion that upon the authority of an opinion to the Treasury Board by Sir Oliver Mowat, then Minister of Justice, on the 9th of November, 1897, a copy of which opinion I enclose herewith, it was competent to the Governor General in Council to authorize the said payments and to direct that they be charged against the Parliamentary appropriation for "Shipbuilding, 1921-22," subject, however, to the Government's responsibility to justify the expenditure to Parliament.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M.*

The Auditor General.

JUSTICE DEPARTMENT, November 9, 1897.

SIR,—Upon the reference contained in your letter of the 5th ultimo—T22844B—with respect to a proposed payment of $8,000 to the Quebec and Lake St. John Railway Company, I have the honour to report as follows:—

An Order in Council of May 21 last authorized the payment to the Quebec and Lake St. John Railway Company of $8,000 in order to further encourage the operations of the Company in the promotion of immigration, which, the Order in Council recites, had in the past proved of great value; and by an Order in Council of July 15 it was provided that this payment should be made a charge upon the vote for general immigration purposes.

Upon the passing of the latter Order in Council a cheque for the amount of the grant was issued against the vote referred to.

Par conséquent, vu que ces réclamations ont déjà été imputées au crédit du programme de construction de navires du gouvernement, les paiements à effectuer en vertu du compromis autorisé par le Gouverneur en conseil peuvent-ils être imputés sur le même crédit, bien que le Gouverneur en conseil rejette toute responsabilité légale de ces réclamations?

Il me semble que ces réclamations ne peuvent être payées que par un crédit spécial du Parlement.

Je suis, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre adjoint de la Justice.

MINISTÈRE DE LA JUSTICE, 30 août 1921.

MONSIEUR,—J'ai considéré votre lettre du 21 dernier au sujet d'un arrêté en Conseil en date du 18 juin 1921 (C.P. 1713) autorisant un règlement par compromis de certaines réclamations pour des matériaux livrés à la *Prince Rupert Drydock and Engineering Company* relativement au contrat passé par la compagnie avec le gouvernement pour la construction de deux cargos d'acier.

Il appert que pendant la construction desdits vaisseaux, la *Prince Rupert Drydock and Engineering Company, Limited,* est tombée en banqueroute et qu'alors le gouvernement, conformément aux dispositions du contrat prit possession des vaisseaux inachevés et des matériaux disponibles dans le chantier et a passé un nouveau contrat pour le parachèvement des vaisseaux, qu'un certain nombre de personnes et de firmes qui avaient fourni lesdits matériaux ont réclamé du gouvernement le paiement du prix d'iceux parce que le gouvernement en prenant possession desdits matériaux pour terminer les vaisseaux se rendait responsable de leur paiement, et l'arrêté en Conseil ci-dessous mentionné est basé sur l'opinion que, pour éviter un procès et régler définitivement lesdites réclamations, il est à propos de faire, si possible, un compromis raisonnable sur la base recommandée par le sous-ministre de la Marine et des Pêcheries, et adoptée dans l'arrêté en Conseil.

Dans les circonstances le ministre suppléant de la Justice et le soussigné sont d'avis, en se basant sur l'opinion exprimée à la Trésorerie par sir Oliver Mowat, alors ministre de la Justice, le 9 novembre 1897, opinion dont je vous inclus une copie, que le Gouverneur général en conseil pouvait autoriser lesdits paiements et décider qu'ils soient imputés sur le crédit parlementaire "Construction de navires, 1921-22", quitte, pour le gouvernement, à justifier cette dépense devant le Parlement.

Je suis, Monsieur, votre obéissant serviteur,

E. L. NEWCOMBE.

Le vérificateur général.

MINISTÈRE DE LA JUSTICE, 9 novembre 1897.

MONSIEUR,—A propos de la question mentionnée dans votre lettre du 5 dernier—T22844B—relativement au paiement projeté de $8,000 à la compagnie de chemin de fer Québec Lac St-Jean, j'ai l'honneur de faire rapport comme suit:—

Un arrêté en conseil du 21 mai dernier autorisait le paiement au Québec-Lac St-Jean de $8,000.00 pour encourager davantage le travail de la compagnie en faveur de l'immigration, qui, d'après l'arrêté en conseil, a été très profitable; et dans un arrêté en conseil du 15 juillet, on a décidé d'imputer ce paiement sur le crédit de l'immigration.

Après l'adoption de cet arrêté en conseil, on a fait un chèque pour le montant de l'octroi imputé sur le crédit mentionné.

The Auditor General previously to such cheque being issued had pointed out what he conceived to be objections to the proposed payment, and, at his suggestion, the matter was referred to the Treasury Board.

Under these circumstances you ask for my opinion, as Attorney General, under Section 32 (*a*) of The Consolidated Revenue and Audit Act, as to whether there is, or is not, Parliamentary authority for the proposed payment.

The Auditor General states his objections in his letter to you of the 4th ultimo, as follows:—

> "1. There was no legal obligation because the Government never authorized the expenditure before it was made; was never even applied to for authorization, or notified that the expenditure was about to be made.
>
> "2. There was no moral obligation. The Company could have no reason to expect that it would be reimbursed any portion of the outlay, because the expenditure was made with the expectation that the benefit to the Company's business would repay the outlay."

The sole question with which I have to deal in this report is the question of law whether under the section of The Consolidated Revenue and Audit Act above referred to, there is "Parliamentary authority" for the payment.

The "Parliamentary authority" is the vote for "Immigration Expenses."

I think that the Government may expend this vote for "immigration expenses" in such manner as they may think best adapted to promote immigration. The question then becomes one of policy for the Government to consider, and for which the Government is responsible to Parliament. I see no reason why they may not, as matter of law, grant out of the vote for immigration expenses a reward for past meritorious useful work, or a subsidy to encourage future work, if they think such a grant or subsidy would be promotive of immigration, and I think that their action therein is subject only to their answerability to Parliament.

I am, sir, your obedient servant,

OLIVER MOWAT, *Minister.*

DEPARTMENT OF MARINE AND FISHERIES, September 2, 1921.

I have the honour to request the issue of a cheque in favour of A. Linton & Co., Ltd., for the sum of one thousand two hundred and twenty-one dollars, being for one-half claim for material delivered to Prince Rupert Dry Dock and Engineering Company (bankrupt), allowed by authority of P.C. 1713, June 18, 1921.

Service Public Works (Capital Marine), chargeable to Vote Shipbuilding Programme.

Your obedient servant,

E. HAWKEN, *Asst. D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, September 2, 1921.

SIR,—I beg to inform you that I have received an opinion from the Department of Justice favourable to your contention that, as a matter of law, the Governor in Council was within his rights in directing that the claims which may be presented to your department under the compromise settlement authorized by Order in Council of June 18, 1901 (P.C. 1713), of certain obligations of the Prince Rupert Dry Dock and Engineering Company for material purchased for two cargo steamers under construction for the Government and which had not been paid for at the time of the company's failure, may be made a charge on the Parliamentary appropriation for Shipbuilding, 1921-22.

The Deputy Minister of Justice states that his opinion is based on an opinion given by Sir Oliver Mowat in 1897 in reference to a claim of the Quebec and Lake

L'auditeur général, avant d'émettre ce chèque, exprima ses objections au paiement projeté et, à sa suggestion, la question fut référée à la Trésorerie.

Dans les circonstances, vous demandez mon avis, à titre de procureur général en vertu de l'article 32 (a) de la Loi concernant le Revenu consolidé et l'audition, quant à savoir s'il y a ou non autorisation du Parlement pour le paiement projeté.

L'auditeur général expose ses objections dans sa lettre à votre adresse en date du 4 dernier, dans les termes suivants:—

> "1. Il n'y avait pas d'objection légale parce que le gouvernement n'avait jamais autorisé la dépense avant qu'elle ne fût faite; n'avait jamais reçu de demande d'autorisation et n'avait jamais été averti que l'on était sur le point de faire cette dépense.
>
> "2. Il n'y avait pas d'obligation morale. La compagnie n'avait pas lieu de s'attendre à être remboursée d'aucune partie de sa mise de fonds, parce que la dépense a été faite dans l'attente que les bénéfices de la compagnie rembourseraient cette mise de fonds."

La seule question dont j'aie à m'occuper dans ce rapport est la question légale de savoir si, en vertu de l'article ci-dessus mentionné de la Loi du Revenu consolidé et de la Vérification, il y a une autorisation parlementaire de ce paiement.

L'autorisation parlementaire est le crédit pour "Dépenses d'immigration".

Je crois que le gouvernement peut dépenser ce crédit "dépenses d'immigration" de la manière qu'il juge la plus propre à développer l'immigration. Cela devient donc, pour le gouvernement, question d'étudier une politique à adopter dont il sera responsable au Parlement. Je ne vois pas de raison pour laquelle il ne peut pas, en loi, accorder, à même le crédit de l'immigration une récompense pour un travail méritoire accompli ou un subside pour encourager ce travail à l'avenir, s'il croit que cet octroi ou subside aiderait l'immigration, et je crois que de sa décision à ce propos il n'est responsable qu'envers le Parlement.

Votre obéissant serviteur,

OLIVER MOWAT.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, 2 septembre 1921.

J'ai l'honneur de demander l'émission d'un chèque en faveur de A. Linton & Co., Ltd., pour la somme de mille deux cent vingt et un dollars, soit la moitié de sa réclamation pour matériaux délivrés à la *Prince Rupert Drydock and Engineering Company* (en banqueroute) autorisé par l'ordre C.P. 1713, 18 juin 1921.

Travaux publics (Capital Marine), imputable sur le
Crédit du programme de construction de navires.

Votre obéissant serviteur,

E. HAWKEN, *sous-ministre adjoint.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, 2 septembre 1921.

MONSIEUR,—J'ai l'honneur de vous apprendre que j'ai reçu une opinion du ministère de la Justice favorable à la vôtre, c'est-à-dire qu'au point de vue légal le Gouverneur en conseil avait le droit d'ordonner que toute réclamation présentée à votre ministère en vertu du règlement par compromis autorisé par l'arrêté en conseil du 18 juin 1901 (C.P. 1713), au sujet de certaines obligations contractées par la *Prince Rupert Dry Dock and Engineering Company* pour l'achat de matériaux nécessaires à la construction de deux navires à fret construits pour le gouvernement, qui n'avaient pas été payés lors de la faillite de la compagnie, soit portée au compte des crédits parlementaires pour la construction des navires, 1921-22.

Le sous-ministre de la Justice déclare qu'il base son opinion sur un jugement de sir Oliver Mowat en 1897 au sujet d'une réclamation de la *Quebec and Lake St. John*

St. John Railway Company, but as it seems to me that the claim on which Sir Oliver Mowat advised the Treasury Board in 1897 is not on all fours with the claims in the present instance, the safer course to follow is to refer the question of payment to the Treasury Board.

In my opinion the Government, having paid the contractors through progress estimates duly rendered and properly certified for the materials included in the claims in question, has not Parliamentary sanction to charge a second time the cost of these materials to the appropriation for Shipbuilding.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister Marine and Fisheries.

DEPARTMENT OF MARINE, September 6, 1921.

SIR,—I beg to acknowledge the receipt of your letter of the 2nd instant, in which you advise me that it is your intention to refer to Treasury Board for a ruling the question as to whether this department can, under the authority conferred by Order in Council dated the 18th June, 1901 (P.C. 1713), effect a settlement with the creditors of the Prince Rupert Dry Dock and Engineering Company, Limited, who furnished the materials which have been used or are to be used in the construction and completion of the two ships, by purchasing 50 per cent of the amount of their claims for the price payable for such materials in full and final satisfaction and discharge of any claims which they may have to recover the prices from the Government or to be indemnified by the Government from any loss which they may suffer in the premises.

In this connection I am to point out and request you to furnish me with the ruling or the interpretation which is to be placed on the word "materials" used in the above-mentioned Order in Council. A case in point which it is necessary should be decided as soon as possible is that of Messrs. Albert & McCaffery, Limited, of Prince Rupert, B.C., whose claim against the bankrupt estate of the Prince Rupert Dry Dock and Engineering Company, Limited, amounts to approximately $35,000. Some of the items covered by this account are for coal supplied to the company while engaged in the construction of the two ships. This coal was used in the power-house and in other ways in the shipyard and the result of its combustion in the form of steam, electrical power, and compressed air was used in the construction and completion of the ships.

In the opinion of the department the interpretation placed on the word "materials" should be broad enough to include this coal.

I am, sir, your obedient servant,

E. HAWKEN, *Asst. D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, September 12, 1921.

SIR,—I have the honour to submit for the consideration and decision of the Treasury Board an application from the Department of Marine and Fisheries for a cheque in favour of A. Linton & Company, Limited, Vancouver, for $1,221, being one-half of the company's claim for material supplied the Prince Rupert Dry Dock and Engineering Company, in connection with their contract with the Government for the construction of two steel cargo steamers.

The claim made by Linton & Company is only one of several similar claims which the Department of Marine and Fisheries desire to pay under the authority of an Order in Council (P.C. 1713), dated June 18, 1921, directing that these claims be

Railway Company, mais comme il me semble que le cas de sir Oliver Mowat n'est pas tout à fait semblable à celui qui nous occupe présentement, je crois qu'il serait plus sage de référer la question du paiement au conseil de la Trésorerie.

A mon avis le gouvernement, ayant payé les entrepreneurs au moyen des états provisoires dûment présentés et certifiés pour les matériaux mentionnés dans les réclamations en question, n'est pas autorisé par le Parlement à porter le coût de ces matériaux une deuxième fois au compte des crédits pour la construction des navires.

Je suis, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE, 6 septembre 1921.

MONSIEUR,—J'accuse réception de votre lettre du 2 courant, dans laquelle vous me dites que vous avez l'intention de demander au conseil de la Trésorerie de décider si, en vertu des pouvoirs conférés par l'arrêté en conseil daté le 18 juin 1901, (C.P. 1713), ce ministère peut effectuer un règlement avec les créanciers de la *Prince Rupert Dry Dock and Engineering Company, Limited,* qui ont fourni les matériaux employés à la construction ou qui seront employés à l'achèvement des deux navires, en leur payant 50% du montant de leurs réclamations relatives à ces matériaux comme règlement final et entier de toute réclamation contre le gouvernement pour recouvrer le prix de ces matériaux ou pour se faire indemniser de toute perte subie à ce sujet.

A ce sujet je vous demanderais de me faire parvenir le jugement rendu à cet effet ou l'interprétation que l'on doit donner au mot "matériaux" employé dans l'arrêté en conseil susmentionné. Un cas qu'il faudrait régler le plus tôt possible est celui de Messieurs Albert and McCaffery, Limited, de Prince Rupert, C.-B., dont le chiffre des réclamations par suite de la faillite de la *Prince Rupert Drydock and Engineering Company, Limited,* est d'environ $35,000. Certains des item de ce compte sont pour du charbon fourni à la compagnie alors qu'elle était à construire ces deux navires. Ce charbon a été employé dans l'usine d'énergie, et de diverses manières dans le chantier pour la production de la vapeur, de l'électricité et de l'air comprimé nécessaires à la construction et à l'achèvement des navires.

De l'avis du ministère l'interprétation donnée au mot "matériaux" devrait être assez large pour comprendre ce charbon.

Je suis, Monsieur, votre obéissant serviteur,

E. HAWKEN, *Sous-ministre adjoint.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, 12 septembre 1921.

MONSIEUR,—J'ai l'honneur de soumettre au conseil de la Trésorerie la demande du ministère de la Marine et des Pêcheries pour étude et décision. Ce ministère désire émettre un chèque en faveur de la *A. Linton and Company, Limited,* Vancouver, au montant de $1,221, soit la moitié de la somme réclamée par cette compagnie pour des matériaux fournis à la *Prince Rupert Dry Dock and Engineering Company, Limited,* relativement à leur contrat avec le gouvernement pour la construction de deux navires à fret en acier.

La réclamation de la compagnie Linton n'en est qu'une entre plusieurs semblables que le ministère de la Marine et des Pêcheries désire régler en vertu de l'arrêté en conseil, (C.P. 1713), daté le 18 juin 1921, qui ordonne que ces réclamations soient accep-

accepted as a compromise settlement of obligations of the Prince Rupert Company for materials furnished for the construction of the steamers prior to the company's failure and not paid for.

I have intimated to the department that I shall be obliged to refuse payment of these claims until the Treasury Board after consideration and decision otherwise directs.

In my opinion there is no direct parliamentary appropriation applicable to them and even if the opinion of the Department of Justice on this point be upheld by the board the claims should not be paid for the reason that they are not justly due, not being of legal obligation on the Government.

I do not agree with the Justice Department that the case on which Sir Oliver Mowat advised the board in 1897 is on all fours with the claims in the present instance.

These claims have arisen as a result of the failure of the Prince Rupert Dry Dock and Engineering Company to complete two steel cargo steamers for the construction of which the company entered into contract with the Government.

Under this contract payments were made periodically on progress estimates duly rendered by the contracting company and certified by the proper officers of the department, the first payment having been made when the contract was signed.

In all the company was paid through these progress estimates as follows:—

Canadian Reaper.	$1,283,040
Canadian Thrasher.	1,042,470

out of a total of $1,603,800—the contract price of each ship.

These amounts include deductions made by the department for steel supplied by the Government.

It seems to me therefore that as the claimants in the present instance should have been paid by the contractors from the amounts received through these progress estimates and as the Government explicitly disavows legal responsibility it is not competent for me to pass an application for payment from the vote for Shipbuilding unless there is a decision of the Treasury Board overruling my objections.

So far as the Government is concerned the claims in question have already been paid in full and charged to the Shipbuilding Vote, and I think it will be found that the almost invariable practice in respect of claims not legally due but which the Government desires to recognize has been to ask for the approval of Parliament in the form of an item in the Supply Bill.

My objections to payment are made under the Conoslidated Revenue and Audit Act, chapter 24, R.S.C., sections 41, 42, and 43.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Treasury Board.

September 24, 1921.

The undersigned Auditor General and Deputy Minister of Finance, in the matter of the appeal by the Department of Marine and Fisheries against the objection raised by the Auditor General to the carrying out of certain arrangements authorized to be made by Order in Council of 18th June, 1921 (P.C. 1713), in connection with payment by way of compromise with creditors of the Prince Rupert Dry Dock and Engineering Company, Limited, have the honour to report that the facts of the case

tées comme un compromis en règlement des obligations contractées par la *Prince Rupert Company* lors de l'achat de matériaux pour la construction des navires, avant la faillite de la compagnie; matériaux qui n'ont pas été payés.

J'ai averti le ministère que je refuserais de payer ces réclamations tant que le conseil de la Trésorerie ne les aurait pas étudiées et ne m'ordonnerait pas de les payer.

A mon avis il n'y a pas de crédit parlementaire qui peut être affecté au paiement de ces réclamations, et même si l'avis du ministère de la Justice sur ce point était confirmé par le conseil nous ne devrions pas payer ces réclamations pour la bonne raison que nous ne les devons pas, car au point de vue légal le gouvernement n'en est pas responsable.

Je ne suis pas de l'avis du ministère de la Justice lorsqu'il prétend que le cas décidé par sir Oliver Mowat en 1897 à la demande du conseil est tout à fait semblable aux réclamations présentes.

Ces réclamations sont la résultante de la faillite de la *Prince Rupert Dry Dock and Engineering Company* qui n'a pas pu terminer la construction de deux navires à fret en acier qu'elle s'était engagée à construire pour le compte du gouvernement.

Aux termes de ce contrat les paiements étaient faits périodiquement d'après des états provisoires dûment présentés par la compagnie et certifiés par les fonctionnaires autorisés du ministère, le premier paiement ayant été fait lors de la signature du contrat.

La compagnie a reçu en tout, d'après ces états provisoires les montants suivants:

Canadian Reaper	$1,283,040 00
Canadian Thresher	1,042,470 00

sur un total de $1,603,800—le prix mentionné au contrat pour chaque navire.

Ces montants comprennent les déductions faites par le ministère pour l'acier fourni par le Gouvernement.

Il me semble donc que ces réclamations auraient dû être payées par les entrepreneurs à même les argents reçus sur présentation des états provisoires, et comme le Gouvernement repousse explicitement toute responsabilité légale je ne me reconnais pas la compétence voulue pour approuver cette demande de paiement à même les crédits votés pour la construction navale, à moins que le Conseil de la Trésorerie n'en vienne à une décision renversant mes objections.

En ce qui concerne le Gouvernement les réclamations en question ont déjà été payées en entier et portées au compte des crédits votés pour la construction navale, et je crois que l'on verra que la coutume suivie presque invariablement au sujet de réclamations non dues au point de vue légal mais que le Gouvernement désire reconnaître, consiste à les faire approuver par le Parlement en les comprenant dans le bill des subsides.

Je m'oppose à ce paiement en vertu de la Loi du Revenu Consolidé et de l'audition, chapitre 24, S.R.C. Articles 41, 42 et 43.

Je suis, Monsieur, votre obéissant serviteur,

WM KEARNS, *Auditeur Général adjoint.*

Le Secrétaire du Conseil de la Trésorerie.

Les soussignés Auditeur Général et Sous-ministre des Finances, en ce qui concerne l'appel porté par le ministère de la Marine et des Pêcheries contre l'objection soulevée par l'Auditeur Général au sujet de la mise à exécution de certaines mesures autorisées par l'Arrêté en conseil du 18 juin 1921, C.P. 1713, concernant le règlement avec les créanciers de la *Prince Rupert Dry Dock and Engineering Company Limited* au moyen d'un compromis, ont l'honneur de faire rapport que les faits relatifs à ce cas sont

TREASURY BOARD, October 4, 1921.

DEAR SIR,—Referring to your letter of the 12th September ultimo submitting for the decision of the Treasury Board an application from the Department of Marine and Fisheries for a cheque in favour of A. Linton & Company, Limited, Vancouver, for $1,221, being one-half of the company's claim for material supplied the Prince Rupert Dry Dock and Engineering Company, in the construction of two steel cargo steamers, I have the honour to enclose herewith Treasury Board minute of the 29th September, together with other papers in connection with the matter, directing that a cheque be issued in favour of A. Linton & Company, Limited, for the payment of the claim in question.

Yours truly,

J. SAUNDERS, *Secretary T.B.*

The Auditor General.

Treasury Board Minute, September 29, 1921.—The Board had under consideration a memorandum from the Auditor General submitting for the decision of the Board an application from the Department of Marine and Fisheries for the issue of a cheque in favour of A. Linton and Company, Limited, Vancouver, B.C., for $1,221, being for one-half of the Company's claim for material supplied the Prince Rupert Dry Dock and Engineering Company, in connection with their contract with the Government for the construction of two steel cargo steamers, and which contract the Company, on account of financial difficulties, was unable to complete.

In reference to this subject, objection is taken by the Auditor General to the carrying out of certain arrangements to be made as authorized by Order in Council of June 18, 1921, P.C. 1713, in connection with payments by way of compromise with the contractors of the Prince Rupert Dry Dock and Engineering Company, Limited.

The facts of the case are set forth in a letter from the Auditor General under date of September 12, 1921, together with a copy of the said Order in Council of June 18, 1921.

The objections of the Auditor General in the case are taken under the provisions of Sections 41, 42 and 43 of the Consolidated Revenue and Audit Act, on the following grounds:—

1. That there is no Parliamentary authority for the issue of the cheque in question, and
2. That the money is not justly due.

In reference to the objection of the Auditor Genral that there is no Parliamentary authority, the Board had under consideration an opinion by the Department of Justice, setting forth that there is Parliamentary authority and that payment may be charged against the appropriation for "Shipbuilding, 1921-22."

As the Auditor General also raised the objection that the money is not justly due, a report on the case, prepared by the Deputy Minister of Finance and the Auditor General, under the provisions of Section 43 of the Consolidated Revenue and Audit Act, was submitted to the Board.

Upon this report under said Section 43, and in view of the opinion of the Deputy Minister of Justice, the Board are of the opinion that the objections of the Auditor General are not well founded and should be overruled.

The Board therefore direct that a cheque be issued for the payment of the claim in question.

Militia and Defence: Ottawa Car Co's Claim for Compensation for Losses on Pre-War Contracts

AUDIT OFFICE, September 27, 1921.

SIR,—I am in receipt of your application for a cheque in favour of the Ottawa Car Manufacturing Co., Limited, for $310,549.05, being for payment of claim arising out of certain negotiations and contracts which were entered into prior to the

exposés dans la lettre de l'Auditeur Général, datée le 12 septembre 1921, et dans les documents annexés à cette lettre, dont copies sont jointes à la présente.

Respectueusement soumis.

WM KEARNS, *Auditeur Général adjoint.*
J. C. SAUNDERS, *Sous-ministre des Finances.*

CONSEIL DE LA TRÉSORERIE, 4 octobre 1921.

CHER MONSIEUR,—Relativement à votre lettre du douze septembre dernier demandant au Conseil de la Trésorerie de prendre une décision au sujet de la requête du ministère de la Marine et des Pêcheries, qui désire émettre un chèque en faveur de la *A. Linton and Company, Limited, Vancouver,* au montant de $1,221, soit la moitié de la somme réclamée pour matériaux fournis à la *Prince Rupert Dry Dock and Engineering* pour la construction de deux navires à fret en acier, j'ai l'honneur d'inclure avec la présente le procès-verbal du Conseil de la Trésorerie, daté le 29 septembre, avec certains autres documents se rapportant à la question, ordonnant qu'un chèque soit émis en faveur de la *A. Linton & Co., Limited,* pour le règlement de la réclamation en question.

Bien à vous,

J. SAUNDERS, *sec. Conseil de la Trésorerie.*

L'Auditeur Général.

Conseil de la Trésorerie.—Procès-verbal du 29 septembre 1921. Le Conseil a étudié un mémoire présenté par l'Auditeur général dans lequel il nous demande de nous prononcer sur la requête du ministère de la Marine et des Pêcheries, qui désire émettre un chèque en faveur de la "A. Linton and Company, Limited, Vancouver, C.-B." au montant de $1,221, soit la moitié de la somme réclamée par la compagnie pour matériaux fournis à la *Prince Rupert Dry Dock and Engineering Company,* relativement à leur contrat avec le gouvernement pour la construction de deux navires à fret en acier. La compagnie, par suite de difficultés financières, n'a pas pu terminer ce contrat.

A ce sujet, l'Auditeur général s'oppose à la mise à exécution de certaines mesures autorisées par l'Arrêté en conseil du 18 juin 1921, C.P. 1713, concernant un règlement par compromis avec les entrepreneurs de la *Prince Rupert Dry Dock and Engineering Company, Limited.*

Les faits concernant ce cas sont exposés dans une lettre de l'Auditeur général, datée le 12 septembre 1921, à laquelle était annexée une copie de l'Arrêté en conseil du 18 juin 1921.

L'Auditeur général s'oppose à ce paiement en vertu des articles 41, 42 et 43 de la Loi du Revenu Consolidé et de l'audition, pour les raisons suivantes.

1. Qu'il n'y a pas de sanction parlementaire autorisant l'émission du chèque en question, et
2. Que cet argent n'est pas dû en justice.

En ce qui concerne l'objection de l'Auditeur général qu'il n'y a pas de sanction parlementaire, le Conseil a étudié l'opinion exprimée par le ministère de la Justice à l'effet que cette sanction existe et que ces paiements peuvent être portés au compte du Crédit pour la construction navale, 1921-22.

Comme l'Auditeur général a également prétendu que cet argent n'était pas dû en justice, un rapport sur la question, préparé par le sous-ministre des Finances et l'Auditeur général, conformément aux dispositions de l'article 43 de la Loi du Revenu consolidé et de l'audition, a été soumis au Conseil.

Après avoir étudié ce rapport préparé conformément à l'article 43, et l'opinion énoncée par le sous-ministre de la Justice, le Conseil en est venu à la conclusion que les objections de l'Auditeur général ne sont pas bien fondées et doivent être renversées.

En conséquence le Conseil ordonne qu'un chèque soit émis pour le paiement de la réclamation en question.

Milice et Défense: Réclamations de la "Ottawa Car Co." demandant une compensation pour les pertes subies dans l'exécution de contrats d'avant-guerre

BUREAU DE L'AUDITEUR GÉNÉRAL, le 7 septembre 1921.

MONSIEUR,—J'ai reçu votre requête en faveur de la *Ottawa Car Manufacturing Co., Limited* pour un chèque au montant de $310,549.10, représentant la somme d'une

war, and authorized under the terms of an Order in Council, dated September 24, 1921.

Before passing your application, I would be pleased to have you forward me a copy of the statement amounting to $839,902.20 referred to in the first paragraph of the Order in Council, together with any written statement of the negotiations or lists of contracts entered into prior to the war, and upon which the manufacture and delivery was delayed, and any statement which may have been submitted of the increased cost to the company for the manufacture and delivery of the goods specified in the contracts.

I am, sir, your obedient servant,

The Chief Accountant, Militia and Defence.

MILITIA AND DEFENCE, March 3, 1921.

Deputy Minister, M. and D.

Claim of Ottawa Car Manufacturing Company, Limited, for Additional Compensation on Contracts for Artillery Vehicles, 1911-14

1. We have carefully read the statement of this company's claim, dated 25th February last; and have examined the several appendices thereto.

They claim payment of $839,902.20 in addition to the amounts already paid and to be paid them under the orders given them in 1911 and 1914, for Q.F. 18 pr. Equipment; and in 1912-13 and 1914 for Q.F. 4.5 inch Howitzer Equipment.

A tabulated statement showing quantities of each vehicle ordered, and dates of delivery, is attached.

2. The company contends (f. 2) that the contract prices were not, and were never intended to be fixed or final prices for the execution of the work; but apparently were subject at any time to re-adjustment to correspond with the increase or decrease in the cost of similar vehicles in England. This contention appears to rest upon some alleged verbal understanding between representatives of the department and of the company, at the time these orders, or earlier orders for similar equipment were given.

Neither of the undersigned has any knowledge of any such verbal agreement or understanding; and we have both been always of the opinion that the original contract prices were fixed and final. The wording of several of the orders (appendix 3) clearly implies that the prices were fixed, e.g., "The prices specified in this letter and the accompanying list are special and apply only to the vehicles and stores now under discussion."

If the prices had not been intended to be fixed, the wording of the orders would have been quite different.

3. The company's statement as to the method of making up the prices for each order is substantially correct; but we believe there is nothing in this method to imply that the prices so made up were subject to revision at any time during the life of the contract.

4. The claim of the company for compensation for buildings, machines, tools, gauges, and jigs, etc., is expressly denied by the wording of several of the orders shown in appendices 2 and 3.

réclamation provenant de certains contrats accordés avant la guerre et autorisés sous l'empire des stipulations d'un Arrêté du conseil en date du 24 septembre 1921.

Avant de transmettre votre requête, je serais heureux de recevoir de vous une copie de l'état détaillé dont le chiffre s'élève à $839,902.20 et dont il est fait mention au premier paragraphe de l'arrêté du Conseil de tout état écrit des négociations ou listes de contrats accordés à la compagnie antérieurement à la guerre, et sur lesquels la fabrication et la livraison furent retardées, et de tout état soumis par la compagnie relativement à l'augmentation du coût que ladite compagnie fut appelée à subir dans la fabrication et la livraison des marchandises spécifiées dans les contrats.

Je demeure, Monsieur,

Votre obéissant serviteur.

Le comptable en chef, Milice et Défense. WM KEARN, *A. G. adj.*

BUREAU DE L'AUDITEUR GÉNÉRAL le 7 septembre 1921.

Sous-ministre, M. et D.

Réclamation de la "Ottawa Car Mfg. Co., Ltd.", pour une Compensation supplémentaire sur Contrats pour Véhicules d'Artillerie, 1911-1914.

1. Nous avons apporté beaucoup de soin à la lecture de l'état présenté par cette compagnie en date du 25 février dernier; nous avons aussi examiné les nombreux appendices qui en font suite.

Cette compagnie réclame le paiement de la somme de $839,902.20 en plus des diverses sommes qui lui ont déjà été payées ou qui lui seront payées conformément à l'autorité des commandes qui lui ont été données en 1911 et 1914 pour équipement de canons de 18 à tir rapide, et, en 1912, 1913 et 1914, pour équipement de Howitzer de 4.5″ à tir rapide.

On trouve à ce dossier un état sous forme de tableau qui indique les quantités détaillées de chaque véhicule commandé, ainsi que les dates de livraison.

2. La compagnie prétend (f. 2) que les prix mentionnés aux contrats ne devaient pas être considérés, et de fait ne l'ont pas été, comme fixes ou définitifs par rapport à l'exécution des travaux impliqués, mais ils devaient être, du moins en apparence, sujets en tout temps à un rajustement propre à les faire correspondre à l'augmentation ou à la diminution du coût en Angleterre de semblables véhicules. On croit que cette prétention repose sur une entente verbale quelconque qui aurait pu être conclue entre les représentants du ministère et ceux de la compagnie au moment où furent données ces commandes, ou autres commandes antérieures ayant trait à un équipement de même nature.

Ni l'un ni l'autre des soussignés n'a eu connaissance d'une telle entente verbale, et tous deux avons toujours été sous l'impression que les prix mentionnés aux contrats originaux étaient fixes et finals. La phraséologie de plusieurs des commandes (appendice 3) indique clairement que ces prix étaient fixes, e.g.: "Les prix spécifiés dans cette lettre comme dans la liste qui l'accompagne sont spéciaux et ne s'appliquent qu'aux véhicules et articles qui font le sujet de la présente discussion."

Si c'était l'intention que ces prix ne fussent pas fixes, l'on se serait exprimé d'une façon un peu différente.

3. En substance, et relativement à la méthode suivie dans l'établissement des prix ayant trait à chaque commande, l'état soumis par la compagnie est exact; mais nous sommes d'avis que rien dans cette méthode n'indique que les prix ainsi établis étaient sujets à une révision quelconque, et à un moment donné, au cours de la vie du contrat.

4. La réclamation que fait la compagnie en vue d'une compensation pour bâtiments, machines, outils, jauges, étaux, etc., fournis par elle à cause de ces contrats, est absolument désavouée par le texte de plusieurs des états de commande indiqués aux appendices 2 et 3.

See para. 8 of the order, dated August 8, 1911, for Q.F. 18 pr. field carriages:—

"8. It is to be expressly understood that the prices specified in this letter and the accompanying list are special and apply only to the vehicles and stores now under discussion; and that they will not in any case apply to any future order for carriages of this description. I am further directed to say that these prices have been fixed by taking as a basis the cost to the Department of gun carriages purchased from Messrs. Vickers Sons and Maxim, Ltd., through the War Office, within the last two years; by adding to this, the cost of delivering these at Ottawa, freight, duty and all other charges paid; and by adding 40 per cent to the figure thus reached. This 40 per cent is to cover the additional cost of manufacturing these carriages in Canada; and *especially to cover the initial cost of establishing a plant and installing the proper machinery for this purpose.* This price will, therefore, be subject to a very considerable reduction in the case of future orders for carriages of this description."

This particular clause was repeated in a number of the orders given; and was never objected to by the company, so far as we know.

5. As to the difficulties in which the company will be involved if they receive no further orders, this would seem to constitute a moral rather than a legal claim upon the Government; and would presumably be dealt with by the Cabinet as a matter of policy.

6. The company's claim that, through no fault of theirs, the progress of the work was long delayed, and that, consequently, much of the work was done during the war period when prices both of labour and material were extravagantly high, is true and well founded; and we believe that this delay actually caused the company great loss. It would be impossible to estimate how much without an examination of the company's books by an expert and careful enquiry into all the essential conditions.

We, therefore, concur in the following statement which appears on page 7 of the company's claim:—

"The practical result to this Company was that it found itself with a number of orders the first prices of which were practically based on the peace time figures of the 1909 Vocabulary, and compelled to carry out these contract during a period of unprecedented increase in all the items which went into the original cost."

7. The company's claim (f. 7) that they should be paid "not on the basis of the figures set forth in the letters, but on the basis of an average of prices prevailing in England during the period 1914 to 1918" is very difficult to check and at the best only a rough and ready method which might possibly result in an award either altogether too large or altogether too small to be a fair and reasonable compensation.

On f. 8, the statement is made that "The principle for which the company is contending has been recognized by the department." This principle presumably is that the contract prices were subject to alteration and adjustment at any time to correspond with changes in the cost of British made vehicles. We do not agree that the principle for which the company is contending has been recognized by the department unless recognition has been made verbally in some way at some time of which we are ignorant. The instance quoted by the company in support of this claim is merely a case of mistake in quoting a price, which the department allowed them to rectify, a few days after. Such cases occur occasionally in all classes of contract and have no particular significance.

8. On f. 8 of their statement, the company claims a considerable increase in the prices paid for all supplies delivered under incidental orders given during the war, outside of the six contracts with which the statement particularly deals. These incidental orders were many and various as the statement in appendix 7 shows. We cannot agree that the company is entitled to any extra compensation on these orders because, in a number of cases, they were first asked to submit a price which was duly accepted by the department. In many other cases, the order was given without any

Voir par. 8 de l'état de commande, en date du 8 août 1911, pour véhicules de canons de 18 à tir rapide:

"8. Il sera expressément compris que les prix spécifiés dans cette lettre et dans la liste ci-jointe sont spéciaux et ne s'appliquent qu'aux véhicules et aux appareils qui font l'objet de ces contrats, et qu'en aucun cas ils ne s'appliqueront aux commandes futures pour des véhicules de cette description. On me prie également de dire que ces prix ont été établis en utilisant comme base le coût des affuts achetés par le ministère à la maison "Vickers Sons and Maxim, Ltd.", par l'entremise du War Office, au cours des deux dernières années; en ajoutant à ceci le coût de livraison de ces affuts à Ottawa, frais de transport, douane et autres frais payés; et en ajoutant 40 pour 100 aux chiffres déjà établis. Ce 40 pour 100 est destiné à couvrir le coût additionnel qu'implique la fabrication de ces affuts au Canada, notamment pour couvrir les frais de l'établissement d'une usine et de l'achat et de l'installation des machines nécessaires à cette fin. Par conséquent, le prix sera sujet à une réduction considérable dans le cas des commandes futures pour des véhicules de cette description."

Cette clause fut répétée dans plusieurs des commandes données, et jamais, à notre connaissance, la compagnie ne s'est opposée à ces conditions.

5. Quant aux difficultés dans lesquelles la compagnie sera impliquée si on ne lui accorde aucune commande future, il semble que la présente requête constitue une réclamation morale plutôt que légale sur le gouvernement, et il se peut que la Cabinet étudie la chose à titre de question de politique à suivre.

6. La compagnie prétend que, sans que ce fut de sa faute, l'exécution des contrats a été retardée et que, en conséquence, une bonne partie des travaux fut exécutée pendant la guerre, à un moment où le coût de la main-d'œuvre et des matériaux était excessivement élevé; cette prétention est juste et bien fondée, et nous croyons que, de fait, ce retard a fait subir à la compagnie de lourdes pertes. Jusqu'à quel point s'élèvent ces pertes, il est difficile de l'établir sans charger des experts de faire une enquête détaillée et un examen sérieux des livres de la compagnie.

Par conséquent, nous partageons l'opinion exprimée dans le paragraphe suivant que l'on trouvera à la page 7 de la réclamation de la compagnie:

"En somme il en résulte que cette compagnie se trouve en possession d'un certain nombre de commandes dont les premiers prix étaient pratiquement basés sur les chiffres de 1909 et se vit dans l'obligation d'exécuter ces contrats pendant une période d'augmentation sans précédent dans le coût de tous les item faisant partie de l'entreprise."

7. La compagnie déclare (f. 7) qu'on devrait la rembourser, "non pas d'après les chiffres indiqués dans la correspondance mais d'après une moyenne des prix en vogue en Angleterre durant la période de 1914 et 1918"; la vérification du bien-fondé de cette prétention présente bien des difficultés auxquelles il serait futile d'appliquer une méthode de contrôle quelconque qui pourrait résulter en une adjudication bien trop élevée ou même par trop insuffisante pour revêtir un caractère un tant soit peu équitable et juste.

Au f. 8, on déclare que "le principe que la compagnie cherche à faire valoir a été reconnu par le ministère." On croit que ce principe pose le fait que les prix indiqués aux contrats étaient sujets, en aucun temps, à être modifiés et rajustés en vue de les faire correspondre aux modifications apportés dans le coût des affuts fabriqués en Angleterre Nous ne croyons pas que le principe pour lequel la compagnie lutte ait été reconnu par le ministère, à moins qu'il l'ait été verbalement de quelque façon et à un moment donné, mais ceci nous l'ignorons complètement. A l'appui de ceci, la compagnie prétend que toute l'affaire repose sur une erreur commise dans la citation arrivent parfois et dans tout genre de contrat sans que l'on y ajoute une importance arrive parfois et dans tout genre de contrat sans que l'on y ajoute une importance capitale.

8. Au f. 8 de son état, la compagnie prétend qu'il s'est produit une augmentation considérable dans les prix payés pour toutes espèces de produits livrés par suite de commandes fortuites qui lui furent accordées pendant la guerre, à part les six contrats qui font l'objet particulier de sa requête. Comme l'indique l'appendice 7, ces commandes fortuites furent nombreuses et variées. Il nous est impossible d'admettre que la compagnie ait droit à une compensation supplémentaire sur ces commandes, car dans bien

price being mentioned owing to the urgency of the case. The company, therefore, billed the department at prices which presumably they thought were fair and reasonable at the time.

9. Taking up the seven different items in the company's summary of their claim, we beg to say:

1. Government War Profits, 1918..	$101,378 47

We have no opinion to offer. This claim is presumably for the Government to decide upon.

2. Machinery installed for the purpose of these orders.. ..	$132,751 90
3. Cost of tools, jigs, etc..	211,736 74
4. Cost of machinery shop..	48,281 79

These can hardly be charged to the government since the wording of the orders expressly stated that the contract prices covered "the initial cost of establishing a plant and installing the proper machinery for this purpose."

5. Additional compensation for incidental orders for stores and equipment	$70,408 50

We have already shown (in last paragraph above) why this is not a fair claim against the department.

6. Difference between the Ottawa Car Company's contract price and prices prevailing in England for:—	
18 pr. equipment..	$215,949 12
7. 4·5 in. Howitzer equipment..	59,395 68

We have already explained that we believe the company have suffered loss because of delays on the part of the War Office in supplying necessary material, etc., but we are not prepared to estimate the amount of that loss and we do not believe that this particular method is the right one.

10. Summarizing our conclusions on this claim, we believe that while the principle upon which it is based is wrong, and not supported either by the official record or by any facts within our knowledge; and while we agree in thinking the details of the claim wrong both in the method of working them out and in the principle upon which that method is based, nevertheless we consider the company has a good cause of complaint and actually did suffer loss by reason of the delays in manufacture resulting from the failure of the War Office to furnish promptly the necessary plans, specifications, working drawings and material; and that to some extent these delays compelled the company, through no fault of their own, to manufacture in war time when prices were very high instead of in peace time when they were relatively low.

Doubtless it would be difficult and possibly impracticable to ascertain the actual loss sustained by the company—certainly not without a thorough examination by experts into the company's books and all other material records.

While we believe the company have an equitable claim, we are not qualified to say if this imposes any legal obligation upon the Government. We, therefore, venture to express the opinion that the settlement of this claim is largely a matter of policy and possibly of negotiation.

H. W. BROWN, *Asst. D.M.*

J. A. McCANN, *Director of Contracts.*

des cas on lui a demandé au préalable, au sujet desdites commandes, de soumettre un état de prix qui fut accepté par le ministère. Dans plusieurs autres cas, la commande fut accordée sans qu'il ait été question de prix, ceci provenant de l'urgence de la situation. Par conséquent, la compagnie a fait tenir au ministère ses factures basées sur des chiffres qu'elle a considérés comme étant à cette époque justes et raisonnables.

9. Considérant les sept item différents qui font le résumé de la réclamation de la compagnie, nous tenons à faire les remarques suivantes:

(1) Profits de guerre du gouvernement, 1918..... $101,378.47

Nous n'avons à ce sujet aucune opinion à formuler. Nous croyons qu'il appartient au gouvernement à décider de la question.

(2) Machines installées aux fins de ces commandes..... $132,751.90
(3) Coût des outils, machines-étaux, etc..... 211,736.74
(4) Coût de l'atelier des machines..... 48,281.79

On peut difficilement porter ces divers montants au compte du gouvernement, puisque la phraséologie des états de commande stipule expressément que les prix indiqués au contrat couvre "le coût initial de l'établissement de l'usine et de l'installation des machines nécessaires à cette fin".

(5) Compensation additionnelle pour commandes fortuites de marchandises et d'équipement..... $70,408.50

Nous avons déjà démontré (au dernier paragraphe) que cette réclamation contre le gouvernement n'est pas raisonnable.

(6) Différence entre le prix indiqué au contrat de la "Ottawa Car Co." et le prix prévalant en Angleterre sur—
L'équipement d'un canon de 18..... $215,949.12
(7) L'équipement d'un Howitzer 4.5"..... 59,395.68

Nous avons déjà dit que nous croyons que la compagnie a subi une certaine perte à cause des retards apportés par le War Office à fournir les matériaux nécessaires, etc., mais nous ne sommes pas en position d'estimer le montant de telle perte et nous ne sommes pas d'avis que cette méthode particulière soit la meilleure à suivre dans la circonstance.

10. Pour résumer nos conclusions relativement à cette réclamation, nous croyons que le principe sur lequel elle est basée est faux sans compter qu'il n'est appuyé ni par des dossiers officiels ni par des faits à notre connaissance; nous croyons aussi que les détails de la réclamation sont défectueux, tant à cause de la méthode utilisée dans leur exposé que dans le principe sur lequel s'appuye cette méthode. Cependant nous sommes d'avis que la compagnie a raison de se plaindre et qu'elle a réellement subi une perte en raison des retards apportés dans la fabrication, retards dus à la négligence du War Office à fournir promptement les plans, devis, dessins et matériaux nécessaires; et que, dans une certaine mesure, ces retards ont obligé la compagnie, sans qu'elle en soit responsable, à fabriquer en temps de guerre, c'est-à-dire à une époque où les prix étaient excessivement élevés au lieu de le faire en temps de paix lorsque ces prix étaient plus bas sur tous les articles.

Il n'y a pas à douter qu'il serait excessivement difficile, pour ne pas dire impossible, d'établir le chiffre exact de la perte qu'a subie la compagnie; il est surtout évident que la chose est impossible à moins que l'on charge des experts d'examiner au préalable et en détail les livres de ladite compagnie et tout autre document se rapportant aux transactions en litige.

Nous croyons que la compagnie présente ici une réclamation équitable, mais nous ne sommes pas en mesure d'établir si cette réclamation impose sur le gouvernement une obligation légale quelconque. Par conséquent, nous osons exprimer l'opinion que le règlement de cette réclamation est en grande partie une question de politique et peut-être même de négociation.

AUDIT OFFICE, October 6, 1921.

SIR,—With further reference to your application of the 27th ultimo for a cheque for $310,549.05 in favour of the Ottawa Car Company, being the amount authorized by Order in Council (P.C. 3644) of September 24, 1921, "in full of claim arising out of certain negotiations and contracts which were entered into prior to the war," I beg to inform you that I have made a rather hurried examination of the correspondence and other papers sent me, including the claim prepared by the Car Company for the sum of $839,902.20, and am of opinion that neither the total amount claimed nor the smaller one allowed by Order in Council ($310,549.05) is of legal obligation on the Government and therefore may not be paid from the vote for Demobilization, Militia and Defence, 1921-22—No. 364 for $6,977,380.

In connection with this point I beg to call your attention to the report of Messrs. Brown and McCann, two officers of your own department immediately connected with the transactions in this claim between the Car Company and the department.

In the case of the first and second items (*a* and *b*) in the Order in Council of $215,949.12 and $59,395.68 Messrs. Brown and McCann report as follows: "We have already explained that we believe the company has suffered loss because of delays on the part of the War Office in supplying necessary material, etc., but we are not prepared to estimate the amount of that loss and we do not believe that this particular method is the right one."

As to the third item, (*c*) $35,204.25 the above-named officers report: "These incidental orders were many and various. . . . We cannot agree that the company is entitled to any extra compensation on these orders because in a number of cases they (the Car Company) were first asked to submit a price which was duly accepted by the department. In many other cases, the order was given without any price being mentioned owing to the urgency of the case. The company therefore billed the department at prices which presumably they thought were fair and reasonable at the time."

Messrs. Brown and McCann report further: "Summarizing our conclusions on this claim, we believe that while the principle upon which it is based is wrong and not supported either by the official record or by any facts within our knowledge; and while we agree in thinking the details of the claim wrong both in method of working them out and in the principle upon which that method is based; nevertheless we consider the company has a good cause of complaint and actually did suffer loss by reason of the delays in manufacture resulting from failure of the War Office to furnish promptly the necessary plans, specifications, working drawings and material; and that to some extent these delays compelled the company through no fault of their own to manufacture in war time when prices were very high instead of in peace time when they were relatively low. Doubtless it would be difficult and possibly impracticable to ascertain the actual loss sustained by the company—certainly not without a thorough examination by experts into the company's books and all other material records."

It seems to me in view of the report of your officers from which I have quoted that the claim of the Ottawa Car Manufacturing Company in the light of the information at present before the department cannot be justified either as a moral or legal obligation on the Government.

I fully agree with your departmental officers that if the claim is worthy of favourable consideration by the department and Government such consideration should be given only after "a thorough examination by experts into the company's books and all other material records."

So far as I can determine from the company's own statement in the case of field carriages, carriage limbers, wagon limbers and ammunition wagons the company has

BUREAU DE L'AUDITEUR GÉNÉRAL 6 octobre 1921.

MONSIEUR,—Revenant à votre lettre du 27 du mois dernier demandant un chèque au montant de $310,549.05 en faveur de la *Ottawa Car Company,* montant autorisé par un arrêté du Conseil (C.P. 3644) en date du 24 septembre 1921, "en paiement complet de toutes réclamations concernant certaines négociations et certains contrats consentis avant la guerre", j'ai l'honneur de vous dire que j'ai fait un examen plutôt rapide de la correspondance et des autres documents qui m'ont été envoyés, y compris la réclamation préparée par la *Ottawa Car Company* pour la somme de $839,902.20 et je suis d'avis que ni ce montant global ni le montant plus petit autorisé par arrêté du Conseil ($310,549.05) ne comportent une obligation légale de la part de l'Etat et, en conséquence, ne peut être payé à même le crédit, 1921-22, No 364, de $6,977,380 pour fins de démobilisation, Milice et Défense.

A ce sujet, je me permets d'attirer votre attention sur le rapport de MM. Brown et McCann, deux fonctionnaires de votre ministère intimement mêlés à toutes les transactions relatives à cette réclamation entre la *Ottawa Car Company* et le ministère.

Quant au premier et au deuxième item (a et b) de l'arrêté du Conseil pour les montants de $215,949.12 et $59,395.68 le rapport de MM. Brown et McCann se lit comme suit: "Nous avons déjà indiqué que nous croyons que la compagnie a encouru une perte par suite des retards du War Office à lui envoyer les matériaux nécessaires, etc., mais nous n'avons pas l'intention de préparer un calcul estimatif du montant de cette perte et nous ne croyons pas que ce soit là la bonne méthode à suivre."

Quant au troisième item (c), celui de $35,204.25, les mêmes fonctionnaires déclarent dons leur rapport: "Ces commandes incidentes ont été nombreuses et variées..... Nous ne pouvons admettre que la compagnie ait droit à une compensation quelconque pour ces commandes parce que dans un certain nombre de cas elle, (la compagnie), a été tout d'abord priée de soumettre un prix que le ministère a dûment accepté. Dans un grand nombre d'autres cas, la commande a été donnée sans qu'on en fixât le prix à cause de l'urgence du cas. La compagnie a, en conséquence, porté ces commandes au compte du ministère à des prix que probablement l'on a cru, alors, justes et raisonnables."

MM. Brown et McCann disent encore dans leur rapport: "Résumant nos conclusions sur cette réclamation, nous croyons que, bien que le principe sur lequel cette réclamation est basée soit faux et ne soit appuyé ni par les documents officiels ni par aucun des faits portés à notre connaissance; et bien que nous croyions que les détails de la réclamation soient faux tant au point de vue de la méthode employée dans la préparation de ces détails qu'au point de vue du principe sur lequel est basée cette méthode, nous sommes d'avis cependant, que la compagnie a de bonnes raisons de se plaindre et qu'elle a réellement encouru une perte par suite des retards du War Office à lui fournir promptement les plans nécessaires, les spécifications, les dessins et les matériaux; et que, dans une certaine mesure ces retards ont forcé la compagnie, sans qu'il y ait faute de sa part, à fabriquer en temps de guerre alors que les prix étaient très élevés plutôt qu'en temps de paix alors que les prix étaient relativement bas.

Il serait sans doute difficile et peut-être impossible de calculer exactement la perte réelle encourue par la compagnie—et la chose est certaine si l'on ne charge des experts de faire un examen complet des livres de la compagnie et de tous les autres documents qui s'y rapportent."

Il me semble me basant sur le rapport de vos propres employés dont j'ai cité des extraits, que la réclamation de la *Ottawa Car Manufacturing Company,* à la lumière des renseignements que possède actuellement le ministère, n'oblige aucunement l'Etat, tant au point de vue moral qu'au point de vue légal.

J'admets très bien avec les employés de votre ministère que, si la réclamation mérite d'être étudiée par le ministère et par le gouvernement, cette étude ne devrait se faire qu'après "avoir chargé des experts de faire un examen complet des livres de la compagnie et de tous les autres documents qui s'y rapportent."

been paid some $130,000 or thereabouts in excess of the amount to which they would be entitled on the basis of maximum War Office prices plus seventy-five per centum to cover duty, freight, inspection and difference in labour between cost of labour in England and Canada.

It seems to me therefore that in view of the fact that it has not been established the amount asked for is justly due and especially in view of the recommendation of your own officers for further investigation and examination of the company's claim, I cannot do otherwise than to refuse to pass your application of September 27th last for a cheque for $310,549.05 in favour of the Ottawa Car Manufacturing Company.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Chief Accountant, Militia and Defence.

DEPARTMENT OF FINANCE, October 7, 1921.

DEAR SIR,—The Militia Department have made requisition to the Auditor General for the issue of a cheque amounting to $310,549.05 under authority of Order in Council P.C. 3644 dated 24th September, 1921.

The Auditor General has, under date of October 6, refused to authorize this payment for the following reasons:—

"That the amount asked for is not a legal obligation of the Government and therefore may not be paid from the Vote for Demobilization, Militia and Defence, 1921-22."

The Department of Militia and Defence have submitted the question for the decision of the Treasury Board; and under section 42 of the Consolidated Revenue Act, I would be glad if you would advise me as to whether, in your opinion, there is parliamentary authority for such payment.

As the meeting of the Treasury Board will be held shortly, I would like to have your opinion at the earliest moment.

I submit herewith the Militia and Defence departmental file on this account, and all other papers in connection therewith.

Yours truly,

J. C. SAUNDERS, *D.M.F.*

The Deputy Minister of Justice.

DEPARTMENT OF JUSTICE, October 10, 1921.

DEAR SIR,—Referring to your letter of the 7th instant reciting the provisions of Order in Council P.C. 3644 dated 24th September, 1921, authorizing payment to the Ottawa Car Company of $310,549.05, and asking to be advised whether there is parliamentary authority for such payment, I have the honour to state that it does not appear to be questioned that the Vote for Demobilization, Militia and Defence, 1921-22, would be properly chargeable with the payment in question if there be a legal obligation on the part of the Government to pay, and I am of the opinion, in view of the facts as they appear in the reports and papers on file, that it is competent to the Government to authorize the payment by way of settlement and compromise of the claim submitted.

I may remind you in this connection that in 1897 Sir Oliver Mowat, then Minister of Justice, expressed his opinion to the Treasury Board to the effect that the Governor in Council might, subject to the answerability of the Ministers to

En tant que je puisse le déterminer d'après l'état fourni par la compagnie elle-même, la compagnie a reçu pour des voitures de campagne, des brancards de voitures, des brancards de chariots et des chariots de munitions, une somme de $130,000 ou environ de plus que le montant auquel elle aurait droit si le calcul était basé sur les prix maxima du War Office et un surplus de soixante-quinze pour cent pour les droits, le transport, les frais d'inspection et la différence du coût de la main-d'œuvre en Angleterre et au Canada.

Il me semble, par conséquent que, puisque l'on n'a pas établi que le montant demandé était dû en justice et surtout par suite de la recommandation de vos propres employés demandant une nouvelle investigation et un examen de la réclamation de la compagnie, je ne puis faire autrement que de refuser d'acquiescer à votre requête du 27 septembre dernier demandant un chèque au montant de $310,549.05 en faveur de la *Ottawa Car Manufacturing Company.*

Je suis, monsieur, votre dévoué serviteur,

WM KEARNS, *A.G. adj.*

Le Comptable en chef, Milice et Défense.

MINISTÈRE DES FINANCES, 7 octobre 1921.

CHER MONSIEUR,—Le ministère de la Milice a fait une requête à l'Auditeur général demandant l'autorisation d'émettre un chèque au montant de $310,549.05, aux termes de l'arrêté du conseil C.P. 3644, en date du 24 septembre 1921.

L'Auditeur général, le 6 octobre, a refusé d'autoriser le paiement de ce chèque pour les raisons suivantes:—

"Que le montant demandé ne comporte pas une obligation légale de la part du gouvernement et, en conséquence, ne peut pas être payé à même le crédit pour fins de démobilisation, Milice et Défense, 1921-22."

Le ministère de la Milice et de la Défense a soumis la question à la décision de la Trésorerie; et, aux termes de l'article 42 de la Loi du Revenu Consolidé, je serais heureux de savoir si, à votre avis, ce paiement est autorisé par le Parlement.

Comme la réunion de la Trésorerie aura lieu sous peu j'aimerais connaître votre opinion le plus tôt possible.

Je vous envoie sous ce pli la liasse des documents du ministère de la Milice et de la Défense relatifs à cette question et tous les autres documents qui s'y rapportent.

Votre dévoué,

J. C. SAUNDERS, *S.-M. des F.*

Le sous-ministre de la Justice.

MINISTÈRE DE LA JUSTICE, 10 octobre 1921.

CHER MONSIEUR,—En réponse à votre lettre du 7 du mois courant exposant les dispositions de l'arrêté du Conseil C.P. 3644, en date du 24 septembre 1921, autorisant le paiement de $310,549.05 à la *Ottawa Car Company,* et demandant si ce paiement était autorisé par le Parlement, j'ai l'honneur de déclarer qu'il semble hors de doute que l'on pourrait imputer à bon droit le paiement en question au crédit de démobilisation, Milice et Défense, 1921-22, s'il y avait obligation légale de payer de la part du gouvernement, et je suis d'avis, par suite des faits exposés dans les rapports et les documents soumis, qu'il appartient au gouvernement d'autoriser le paiement à titre de règlement et de compromis de la réclamation soumise.

Permettez-moi de vous rappeler à ce sujet qu'en 1897 sir Oliver Mowat, alors ministre de la Justice, a exprimé son opinion à la Trésorerie dans ce sens que le Gouverneur en conseil pouvait, les ministres en étant responsables au Parlement, autoriser

Parliament, authorize payment to be made for purposes provided for by a general vote although no legal liability existed for the payment, and that opinion has afforded the foundation for advice by this department in many similar cases.

Papers returned.

Yours truly,

E. L. NEWCOMBE, *D.M.J.*

The Deputy Minister of Finance.

AUDIT OFFICE, October 13, 1921.

SIR,—I beg to acknowledge the receipt of the letter dated October 7, 1921, addressed to you by Mr. H. W. Brown, Assistant Deputy Minister of Militia and Defence, in which he asks you to submit to the Treasury Board for consideration and such action as the Board may think fit to take, the department's application of September 27 ultimo for the issue of a cheque for $310,549.05 in favour of the Ottawa Car Manufacturing Company, being "in full of claim arising out of certain negotiations and contracts which were entered into prior to the war."

My reasons for refusing to certify to the issue of the cheque asked for were communicated to the department by letter of the 6th instant. A copy of this letter is enclosed herewith.

I would call the board's attention to the unique position of the department in its appeal from my refusal to certify to the issue of the cheque in question. The appeal though intended to be for the purpose of obtaining a decision over-ruling my refusal is in effect asking the board to set aside or ignore the recommendation of the department's own officers. This recommendation will be found in the report made by Messrs. Brown and McCann,—the two officers of the department who had immediate supervision of the transactions with the Ottawa Car Company and should therefore have full knowledge of the negotiations and contracts mentioned in the department's application of the 27th ultimo.

Since writing the department I have made further examination of the company's claim in respect of the two items—(a) and (b)—for $215,949.12 and $59,395.68 respectively, and I have found according to the basis upon which, I think, the calculations should be made that instead of the company having been underpaid to the extent shown on their claim they will be overpaid some $130,000 or thereabouts, as stated in my letter to the department of the 6th instant.

If the company are of opinion that the basis upon which this overpayment has been determined is unfair or faulty or that the method of calculation is wrong they should be given an opportunity to controvert my statement and verify their own.

The board will observe that Messrs. Brown and McCann are of opinion that the principle upon which the company's claim is based is wrong and not supported either by the official record or by any facts within their knowledge. In view of this opinion I fully agree with their recommendation that before any amount is authorized as compensation for any losses that the company may have sustained through war conditions, a thorough examination, by experts, into the company's books and all other material records should be made.

In addition to the reasons communicated to the department in my letter of the 6th instant for refusing to certify to the issue of the cheque asked for, I am of opinion that there is not the direct parliamentary appropriation to meet this claim contemplated by section 41 of the Consolidated Revenue and Audit Act, chapter 24, R.S.C.

un paiement pour des fins comprises dans un crédit général bien qu'il n'y eut aucune obligation légale, et cette opinion a servi de base aux conseils donnés par ce ministère dans un grand nombre de cas du même genre.

Je vous retourne les documents,

Votre dévoué,

E. L. NEWCOMBE, *S.-M. J.*

Le sous-ministre des Finances.

BUREAU DE L'AUDITEUR GÉNÉRAL, 13 octobre 1921.

MONSIEUR,—J'ai l'honneur d'accuser réception de la lettre qu'à la date du 7 octobre 1921 vous a adressée M. H. W. Brown, sous-ministre adjoint de la Milice et de la Défense et dans laquelle il vous demande de soumettre à la Trésorerie pour qu'elle en fasse l'étude et qu'elle prenne les mesures qu'elle jugera à propos de prendre, la requête du ministère en date du 27 septembre dernier demandant l'autorisation d'émettre un chèque au montant de $310,549.05 en faveur de la *Ottawa Car Manufacturing Company,* à titre de "paiement complet de toutes réclamations concernant certaines négociations et certains contrats consentis avant la guerre".

Les raisons de mon refus d'approuver l'émission du chèque en question ont été transmises au ministère dans ma lettre du 6 du mois courant. Je vous envoie sous ce pli une copie de cette lettre.

Je me permettrai d'attirer l'attention de la Trésorerie sur la position unique que prend le ministère par suite de son appel de mon refus d'approuver l'émission du chèque en question. Cet appel, bien que l'intention première soit d'obtenir une décision renversant mon refus, a en réalité pour effet de demander à la Trésorerie de mettre de côté ou d'ignorer la recommandation des propres employés du ministère. On trouvera cette recommandation dans le rapport fait par MM. Brown et McCann, les deux employés du ministère qui ont conduit toutes les transactions avec la *Ottawa Car Company* et qui, par conséquent, devraient être parfaitement au courant de toutes les négociations et de tous les contrats mentionnés dans la requête du ministère en date du 27 du mois dernier.

Depuis que j'ai écrit au ministère j'ai continué à étudier les item (a) et (b) de la réclamation de la compagnie pour des montants respectifs de $215,949.12 et $59,395.68, et j'ai constaté, d'après les données sur lesquelles, à mon avis, doivent être basés ces calculs, que la compagnie, au lieu de ne pas avoir touché assez d'argent, comme l'indique sa réclamation, se trouvera à avoir touché un surplus de $130,000 ou environ comme je l'ai déclaré dans la lettre que j'ai adressée au ministère le 6 du mois courant.

Si la compagnie est d'avis que la base qui a servi à déterminer ce surplus est injuste ou défectueuse ou que la méthode employée pour faire ce calcul est fausse, on doit lui permettre de réfuter mon calcul et de faire valoir le sien.

La Trésorerie remarquera que MM. Brown et McCann sont d'avis que le principe sur lequel est basée la réclamation de la compagnie est faux et n'est appuyé ni par les documents officiels ni par les faits portés à sa connaissance. Par suite de cette opinion j'approuve parfaitement leur recommandation voulant qu'avant d'autoriser un montant quelconque à titre de compensation pour la perte que la compagnie aurait pu encourir du fait de la guerre, il faudrait faire faire, par des experts, un examen complet des livres de la compagnie et de tous les documents qui se rapportent à cette question.

Outre les raisons exposées au ministère dans ma lettre en date du 6 du présent mois montrant mon refus d'approuver l'émission du chèque demandé, je suis d'avis qu'il n'existe aucun crédit directement approuvé par le Parlement en vue du paiement de cette requête, conformément aux exigences de l'article 41 de la Loi du Revenu consolidé et de l'audition, chapitre 24, S.R.C.

I think the board will find on enquiry that it has been the practice in cases of allowances authorized by Orders in Council or of claims not of legal obligation on the Government to obtain the sanction of Parliament before payment by special provision in the Supply Bill.

Vote 555 in the Supply Bill of the current fiscal year by which provision has been made to pay $278,349.60 to J. T. and M. P. Davis, balance due on their contract for Champlain dock, is a case in point.

Apart from the absence of the necessary parliamentary authority, I am of opinion the claim of the Ottawa Car Company is not justly due, not being of legal obligation on the Government.

If the company have a claim for compensation for losses in connection with the orders received from the Militia Department, and which they can show were due to war conditions, then it seems to me the amount of these losses should be ascertained in the manner suggested by Messrs. Brown and McCann and the sanction of Parliament obtained for this amount before making payment.

My refusal to certify to the issue of the cheque in question is based on sections 41, 42 and 43 of chapter 24, R.S.C.

I return herewith all papers and statements sent me.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Deputy Minister of Finance.

AUDIT OFFICE, October 13, 1921.

SIR,—In connection with the letter respecting the application of the Militia and Defence for a cheque of $310,549.05 in favour of the Ottawa Car Company, I append hereto the statement on which I have arrived at the overpayment of $133,019.44 referred to in my letter.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary of the Treasury Board.

Statement of Estimated Overpayment on Basis of Proposed New Scale.

The claims of the Company which have been allowed under the Order in Council, and which made up the total, are as follows:—

(a)	Difference in average prevailing prices between Great Britain and Canada for 18 pounder equipment during the years 1914 to 1918, as per statement from the War Office to which has been added freight, duty and 40 per cent additional..	$215,949 12
(b)	Difference in average prevailing prices as between Great Britain and Canada for the years 1914 to 1918—4.5 Howitzer equipment, as per statement from War Office, to which has been added freight, duty and 40 per cent additional..	59,395 68
(c)	Fifty per cent allowance on incidental orders of stores, parts, and auxiliary equipment..	35,204 25
	Total..	$310,549 05

Of these, the first two are based upon the same general principles and the total is arrived at by taking the average of the highest price paid by the War Office for each of the years, 1914 to 1918, for a unit of the different vehicles and multiplying it by the total deliveries, regardless of the date upon which delivery was made, and adding thereto 75 per cent.

The solicitor who is acting for the Company stated in his letter of November 22, 1920, that "The Company was desirous of laying its claim before the Department, based upon the cost in England during the different periods of production plus freight, duty and all other

Je crois que la Trésorerie constatera, après enquête, que la pratique a toujours été, dans les cas d'allocations autorisées par arrêtés du conseil ou dans les cas de réclamations ne comportant pas une obligation légale de la part du Gouvernement, d'obtenir la sanction du Parlement avant d'en faire le paiement, en insérant une clause spéciale dans le Bill des subsides.

Le crédit 555, du Bill des subsides pour l'exercice courant aux termes duquel a été autorisé le paiement de $278,349.60 à J. T. et M. P. Davis, pour balance de compte due sur leur contrat concernant le bassin de radoub Champlain, est un exemple à ce sujet.

Outre le manque d'autorisation parlementaire, je suis d'avis que la réclamation de la *Ottawa Car Manufacturing Company* n'est pas justement due, ne comportant pas une obligation légale de la part de l'Etat.

Si la compagnie a droit à une réclamation à titre de compensation pour des pertes encourues relativement aux commandes reçues du ministère de la Milice et si elle peut établir que ces pertes sont dues aux conditions de guerre, il me semble, dans ce cas, que le montant de ces pertes devrait être établi de la manière recommandée par MM. Brown et McCann et que l'on devrait obtenir la sanction du Parlement pour ce montant avant d'en faire le paiement.

Mon refus d'approuver l'émission du chèque en question est basé sur les articles 41, 42 et 43 du chapitre 24, S.R.C.

Je vous retourne sous ce pli tous les documents et les états que vous m'avez envoyés.

Je suis, monsieur, votre obéissant serviteur,

Le sous-ministre des Finances. WM KEARNS, *A.G. adj.*

BUREAU DE L'AUDITEUR GÉNÉRAL, 13 octobre 1921.

MONSIEUR,—A propos de la lettre concernant la requête du ministère de la Milice et de la Défense demandant l'émission d'un chèque de $310,549.05 en faveur de la *Ottawa Car Company,* j'annexe à la présente lettre le calcul sur lequel je me suis basé pour déterminer l'excédent de solde de $133,019.44 mentionné dans ma lettre.

Je suis, monsieur, votre obéissant serviteur,

Le secrétaire de la Trésorerie. WM KEARNS, *A.G. adj.*

Etat indiquant le montant surpayé estimé d'après la base de la nouvelle échelle projetée

Les réclamations de la compagnie qui ont été approuvées par un décret du Conseil et qui ont formé le total sont les suivantes:

(*a*)	Différence dans la moyenne des prix en vigueur en Grande-Bretagne et au Canada pour l'équipement de pièces de 18 livres pendant les années 1914 à 1918 d'après l'état fourni par le War Office et auquel on a ajouté le transport, les droits, et 40% en plus.....	$215,949.12
(*b*)	Différence dans la moyenne des prix en vigueur en Grande-Bretagne et au Canada pour les années 1914 à 1918—pour équipement Howitzer 4.5 d'après l'état fourni par le War Office auquel on a ajouté le transport, les droits et 40% en plus..	59,395.68
(*c*)	Allocation de 50% pour commandes imprévues pour matériel, accessoires et équipement auxiliaire.....	25,204.25
	Total.....	$310,549.05

Les deux premières de ces réclamations ont été réglées en se basant sur les mêmes principes généraux et on est arrivé au total en prenant la moyenne des plus hauts prix payés par le War Office durant chacune des années de 1914 à 1918 pour une unité des différents véhicules et en multipliant ce chiffre par le total des livraisons, sans tenir compte de la date desdites livraisons et en y ajoutant 75%.

L'avocat qui représente la compagnie disait dans sa lettre du 22 novembre 1920 que "la compagnie désirait soumettre au ministère sa réclamation basée sur le coût en vigueur en Angleterre pendant les différentes périodes de production, plus le transport, les droits et toutes

charges, and 40 per cent additional." And in his letter of January 3, 1921, he asks to be "furnished with figures showing the highest price paid for the 18-pounder and Howitzer equipment, which is the subject matter of the case, during the years 1914, 1915, 1916, 1917, 1918 and 1919." These figures were furnished with the exception of 1919, which were not available.

The method of taking the average of the highest price during the five years above stated and applying it to deliveries which were wholly made before 1916, or to deliveries none of which were made until 1920, is, in my opinion, an improper method of arriving at a just result. For instance, taking the first item of 84 field carriages for 18 pounder equipment, 36 of which were ordered in 1911 and 48 in 1914, and were delivered: 6 in 1914, 30 in 1915, and the balance in 1916, and there were no deliveries of this equipment after that date; and taking another item of field carriages for 4.5 Howitzer equipment, of which 52 were ordered prior to 1914 and the deliveries were: 1 in 1918, 2 in 1919, 30 in 1920, and at the time the claim was made there were 19 yet to be delivered. The allowance of 75 per cent added to the average maximum price paid by the War Office appears to be made up of 22½ per cent for duty, 12½ per cent for freight, packing, cartage, inspection, etc., and 40 per cent for the difference in wages paid in England and Canada, and in making up the calculations the 40 per cent of difference in labour has been calculated upon the entire amount, and there is nothing in the papers to indicate what portion of the cost is wages and what portion is material. Taking the maximum prices quoted by the War Office during the year in which the delivery was made, with the exception of the deliveries of 1919 and 1920, and using the price paid in 1918 for these two years and adding the 75 per cent for duty, etc., the company would be entitled to the sum of $2,615,604.50, made up as follows:—

The Company has been paid, under the rates allowed by the Department of Militia and Defence, the sum of $2,748,624, as follows:—

18 POUNDER EQUIPMENT

84 field carriages, at $5,250	$441,000 00
228 limbers, carriage, at $1,535	349,980 00

468 ammunition wagons, at $1,680	786,240 00

4.5 HOWITZER EQUIPMENT

33 field carriages, at $6,000	198,000 00
52 limbers, carriage, at $1,312	68,224 00
100 limbers, wagon, at $1,274	127,400 00
20 ammunition wagons, at $1,566	31,320 00
	$2,748,624 00

autres impositions et 40% en plus." Et ensuite dans sa lettre du 3 janvier 1921 il demande de lui "communiquer les chiffres indiquant le plus haut prix payé pour équipement de pièces de 18 livres et Howitzer qui constitue le point en litige, pendant les années 1914, 1915, 1916, 1917, 1918 et 1919." Ces chiffres ont été communiqués excepté pour l'année 1919 vu qu'ils n'ont pu être trouvés.

La méthode qui consiste à prendre la moyenne du plus haut prix pendant les cinq années susdites et à l'appliquer aux livraisons qui ont toutes été effectuées avant l'année 1916, ou aux livraisons qui n'ont pas été faites avant 1920, est, d'après moi, une mauvaise méthode pour arriver à un juste résultat. Par exemple, si nous prenons l'item de 84 wagons de campagne pour l'équipement des pièces de 18 livres, dont 36 ont été commandés en 1911 et 48 en 1914 et ont été livrés: 6 en 1914, 30 en 1915 et la balance en 1916, nous constatons qu'il n'y a pas eu d'autre livraison de cet équipement depuis cette date; et si nous prenons un autre item, celui des wagons de campagne pour l'équipement Howitzer 4.5, dont 52 ont été commandés avant 1914 et qui ont été livrés: 1 en 1918, 2 en 1919, 30 en 1920, et il y en avait encore 19 à livrer quand la réclamation a été faite. L'allocation de 75% ajoutée au prix maximum moyen payé par le War Office semble avoir été composée comme suit: 22½% pour les droits, 12½% pour le transport, l'empaquetage, le hâlage, l'inspection, etc., et 40% pour la différence entre les salaires payés en Angleterre et au Canada, et en faisant le calcul, les 40% de différence dans la main-d'œuvre ont été calculés en tenant compte du coût total et il n'y a rien dans les documents pour indiquer quelle portion du coût est attribuable à la main-d'œuvre et quelle portion est attribuable au matériel. En prenant le prix maximum coté par le War Office pendant l'année durant laquelle la livraison s'est faite, exception faite des livraisons de 1919 et 1920, et utilisant le prix payé en 1918 pour ces 2 années et ajoutant 75% pour droits, etc., la compagnie aurait droit à la somme de $2,615,-604.50 comme suit:

On a payé à la compagnie, d'après les taux du ministère de la Milice et de la Défense la somme de $2,748,624 comme suit:

ÉQUIPEMENT 18 LIVRES

84 voitures de campagne à $5,250	$441,000 00

20 chariots de munitions à $1.566	31,320 00
	$2,748,624 00

It, therefore, appears that, based upon the company's own claim to be paid at the prevailing rate paid by the War Office and adding to this the 22½ per cent for duty, 12½ per cent for freight, packing, etc., and 40 per cent upon the whole cost for the difference in wages, they have already received $133,019.44 more than these rates would entitle them to.

The third item in the Order in Council of $35,204.25 for 50 per cent allowance on the incidental orders of stores, parts and auxiliary equipment is not supported by any statement whatever to show how the original amount of $70,408.50 was arrived at, nor are there any papers or statements to show what the British prices were at the time the goods were delivered and what prices were paid to the company for the deliveries.

TREASURY BOARD, October 21, 1921.

DEAR SIR,—At a meeting of the Treasury Board held on the 17th instant the objections of the Assistant Auditor General to the payment of the sum of $310,945.05 to the Ottawa Car Manufacturing Company from the vote for demobilization purposes, 1921-22, as set out in his letter of the 13th instant, was submitted for consideration.

I am herewith forwarding to you the minute of the Treasury Board founded thereon, the Board being of the opinion that the amount authorized by the Order in Council of the 24th September last, P.C. 3644, should be paid to the company, and they therefore over-ruled the objections as taken by the Assistant Auditor General. Copy of Justice opinion enclosed.

Yours truly,

J. C. SAUNDERS, *Secretary Treasury Board.*

The Auditor General.

Treasury Board Minute, October 17, 1921

The Board had under consideration the objections raised by the Assistant Auditor General to the payment of the sum of $310,945.05 to the Ottawa Car Manufacturing Company from the Vote for Demobilization purposes 1921-22; such payment having been authorized under the authority of P.C. 3644, dated 24th September, 1921.

The objections of the Assistant Auditor General, as set out in his letter of the 13th October, 1921, to the Secretary of the Treasury Board, are taken under the provisions of sections 41, 42 and 43 of the Consolidated Revenue and Audit Act.

The Board had also under consideration an opinion of the Deputy Minister of Justice as follows:—

"I am of opinion, in view of the facts as they appear in the reports and papers on file, that it is competent to the Government to authorize the payment by way of settlement and compromise of the claim submitted."

The Deputy Minister of Justice calls attention in this connection that in 1897 Sir Oliver Mowat, then Minister of Justice, expressed his opinion to the Treasury Board to the effect that the Governor in Council might, subject to the answerability of the Ministers to Parliament, authorize payment to be made for purposes provided for by a general vote although no legal liability existed for the payment; and that opinion has afforded the foundation for advice by his department in many similar cases.

The Board had also under consideration a further reference under date of 13th October, 1921, submitted by the Assistant Auditor General to the Secretary of the Treasury Board, submitting a statement on which he arrived at an amount of overpayment of some one hundred and thirty thousand dollars referred to in his submission to the Treasury Board; and also a memorandum thereon dated 18th October, 1921, from Messrs. H. W. Brown, Acting Deputy Minister of Militia and Defence,

Par conséquent, il semblerait qu'en s'appuyant sur la propre réclamation de la compagnie qui demande d'être payée d'après les prix courants payés par le War Office en y ajoutant les 22½% pour les droits, 12½% pour empaquetage, transport, etc., et 40% du coût total pour la différence des salaires, la compagnie a déjà reçu $133,019.44 de plus que le montant auquel elle aurait droit d'après ces mêmes prix.

Le troisième item contenu dans le décret du Conseil pour $35,204.25 représentant l'allocation de 50% pour commandes imprévues pour matériel, accessoires et équipement auxiliaire n'est pas appuyé par un état quelconque de nature à démontrer comment on est arrivé au montant original de $70,408.50; ni peut-on trouver des documents ou des états indiquant quels étaient les prix britanniques dans le temps que ces marchandises ont été livrées et quels prix ont été payés à la compagnie qui en a fait la livraison.

CONSEIL DE LA TRÉSORERIE, le 21 octobre 1921.

MONSIEUR,—A une réunion du Conseil de la Trésorerie tenue le 17 courant les objections de l'Auditeur général adjoint au paiement de la somme de $310,945.05 à la *Ottawa Car Manufacturing Company* à même le crédit aux fins de démobilisation 1921-22, telles qu'exposées dans sa lettre du 13 courant, ont été mises à l'étude.

Ci-joint je vous transmets les minutes de la réunion du Bureau de la Trésorerie qui s'y rapportent, le bureau étant d'opinion que le montant autorisé par le décret de l'exécutif du 24 septembre dernier C.P. 3644 devrait être payé à la compagnie et les membres du bureau ont rejeté les objections soumises par l'auditeur général adjoint. Ci-inclus copie de l'opinion du ministère de la Justice.

Bien à vous,

J. C. SAUNDERS, *Secrétaire, Bureau de la Trésorerie.*

L'Auditeur Général.

Minutes du Conseil de la Trésorerie, le 17 octobre 1921

La Trésorerie a mis à l'étude les objections soulevées par l'auditeur général adjoint contre le paiement de la somme de $310,945.05 à la *Ottawa Car Manufacturing Company* à même le crédit aux fins de démobilisation 1921-22; lequel paiement avait été autorisé sous l'autorité du C.P. 3644 daté le 24 septembre 1921.

Les objections de l'auditeur général adjoint telles qu'exposées dans sa lettre du 13 octobre 1921 au secrétaire du Conseil de la Trésorerie sont motivées par les articles 41, 42 et 43 de la Loi du revenu consolidé et de l'audition.

Le Conseil a aussi devant lui l'opinion du sous-ministre de la Justice qui s'exprime comme suit:

> "Je suis d'opinion, vu les faits tels qu'ils paraissent dans les rapports et documents déposés, que le gouvernement peut autoriser le paiement sous forme de règlement et de compromis de la réclamation soumise."

Le sous-ministre de la Justice fait remarquer sous ce rapport qu'en 1897 Sir Oliver Mowat, alors ministre de la Justice, exprima son opinion au Conseil de la Trésorerie à l'effet que le Gouverneur en Conseil peut, sujet à la responsabilité des ministres au Parlement, autoriser un paiement à faire pour des fins prévues dans un crédit général même en l'absence de toute responsabilité légale à effectuer le dit paiement; et que cette opinion a fourni la base des avis donnés par son ministère dans bien des cas semblables.

Le Conseil avait aussi devant lui une autre communication en date du 13 octobre 1921 soumise par l'auditeur général adjoint au Conseil de la Trésorerie contenant un relevé d'après lequel il arrivait à un montant surpayé de quelque cent trente mille dollars mentionné dans sa communication au Conseil de la Trésorerie, ainsi qu'un mémorandum s'y rapportant, du 18 octobre 1921, de Messieurs E. H. Brown, sous-ministre adjoint de la Milice et de la Défense, et J. A. McCann, directeur des contrats, (les

and J. A. McCann, Director of Contracts, (the two officers referred to by the Assistant Auditor General in his reference to the Treasury Board), as follows:—

DEPARTMENT OF MILITIA AND DEFENCE, October 18, 1921.

SIR,—With reference to the statement of the Assistant Auditor General, accompanying his letter to you of the 13th instant, with regard to the proposed payment of $310,549.05 to the Ottawa Car Mfg. Co., and particularly with reference to the pages 3 and 4 of that statement, the following remarks are submitted:—

The Assistant Auditor General's method of computation is fallacious and misleading, since the British price upon which his calculations are made is taken in every case as that ruling at the time of delivery of the vehicles.

As a matter of fact, the year of delivery is not, as a general rule, the year during which the work was being done and the money spent.

Most of the vehicles were in course of manufacture one, two or three years, and it certainly was the exception that a vehicle should be begun and delivered in the same year or even in two years.

This fact destroys the value of the Assistant Auditor General's calculations, and as the process of manufacture of any one item extended over a period of years, the company's use of an average price for the whole period is more reasonable than the practice of the Assistant Auditor General in taking the British price at the time of delivery as the basis.

An illustration will show more clearly the great difference between the two methods: 186 limbers, wagon, 18-pr. were delivered in 1917; the British price for that year being £145; whereas for 1916 the British price was £215, and for 1915 it was £260. In these two latter years much the greater part of the work was done.

In the Assistant Auditor General's calculations of the company's claim (folio 3 of his statement), these 186 limbers, wagon, 18-pr. are valued at $229,694.50.

Substituting the 1916 price (£215 instead of £145 used by the A.A.G.) plus 75 per cent, we have $340,581.50, or a difference on this one item of no less than $110,887.

If the 1915 price were taken as a basis (£260 instead of £145), then this difference would be much greater, and it is considered that either the 1915 or the 1916 British price is a fairer basis for these calculations than the 1917 price adopted.

If this method of correction were applied to the Assistant Auditor General's whole calculation, the aggregate of the company's claim would be increased some hundreds of thousands of dollars—and there is no doubt whatever that some such correction is necessary. It would be practically impossible to determine the exact British price which should be taken as a basis for each lot of vehicles delivered, but without doubt the price at the time of delivery is not the proper one.

It should be added that the Ottawa Car Mfg. Co., Ltd., have been paid only the contract prices for these vehicles, and that these contract prices were fixed by Order in Council. The Assistant Auditor General's statement (on folio 5) is not that the Company have received more than the contract price, but that the total amount paid them under the contract exceeded, *according to his calculations,* the amount of their claim by $133,019.44.

It has already been shown that his calculation is misleading and fallacious.

I am, sir, your obedient servant,

H. W. BROWN, *Acting D.M.*

J. A. McCANN, *Director of Contracts*

I concur.

EUG. FISET, *D.M.*

18-10-21.

The Board, after full consideration of all the correspondence, reports and papers submitted, are of opinion that the amount authorized by the Order in Council hereinbefore mentioned should be paid to the Ottawa Car Manufacturing Company and they accordingly over-rule the objection of the Auditor General.

Marine and Fisheries: Compensation for Loss Sustained by Cancellation of Contract

AUDIT OFFICE, November 29, 1921.

SIR,—I have received your application of the 28th instant to pay three million dollars, as authorized by Order in Council, 25th instant, to the Dominion Iron and Steel Corporation, Limited, on account of an amount, at present undetermined, due by the Government to the company as compensation for loss sustained through the cancellation of the contract of 26th March, 1918, for the manufacture of plates required in the construction of ships, boilers, etc.

deux officiers mentionnés par l'auditeur général adjoint dans sa communication au Conseil de la Trésorerie), comme suit:

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE, le 18 octobre 1921.

MONSIEUR,—Relativement au relevé de l'auditeur général adjoint accompagnant sa lettre à vous adressée le 13 courant concernant le paiement proposé de $310,549.05 à la *Ottawa Car Mfg. Co.*, et particulièrement à l'égard des pages 3 et 4 de cet exposé les remarques suivantes sont soumises à votre attention:

La méthode de calcul de l'auditeur général adjoint est d'une nature trompeuse et propre à induire en erreur, parce que le prix anglais sur lequel il base ses calculs est pris dans chaque cas comme celui qui a prévalu à la date de la livraison des véhicules.

Comme question de fait, l'année de la livraison, règle générale, n'est pas l'année pendant laquelle l'ouvrage a été exécuté et l'argent dépensé.

La plupart des véhicules étaient en cours de fabrication depuis une, deux ou trois années, et c'était certainement l'exception quand un de ces véhicules pouvait être commencé et livré la même année ou même après deux années.

Ce fait détruit la valeur des calculs de l'auditeur général adjoint, et vu que le procédé de fabrication d'aucun de ces item couvrait une certaine période d'années, la méthode de la compagnie consistant à prendre la moyenne du prix pour toute la période est plus raisonnable que celle de l'auditeur général adjoint qui se base sur le prix anglais au temps de la livraison.

Un exemple démontrera plus clairement la grande différence entre les deux méthodes: 186 brancards, wagon, éq. p. 18 liv. ont été livrés en 1917; le prix anglais en cette année-là étant de £145; tandis que pour 1916 le prix anglais était de £215 et en 1915 de £260. La plus forte partie des travaux ont été exécutés au cours de ces deux dernières années.

D'après la méthode de l'auditeur général adjoint de calculer le montant réclamé par la compagnie (page 3 de sa communication) ces 186 brancards, wagon, éq. p. 18 liv. sont évalués à $229,694.50

Si nous prenons le prix de 1916 (£215 au lieu de £145 comme dans le calcul de l'A.G.A.) plus 75% nous avons..... $340,581.50

soit une différence pour cet item seulement de pas moins de $110,887.00.

Si le prix de 1915 était pris comme base du calcul (£260 au lieu de £145) alors cette différence serait beaucoup plus considérable, et c'est notre opinion que les prix de 1915 ou de 1916 offrent une base plus juste pour effectuer ces calculs que le prix de 1917 qui a été adopté.

Si l'on employait cette méthode pour corriger tout le calcul de l'auditeur général adjoint l'ensemble des réclamations de la compagnie serait de quelque cent mille dollars plus élevé—et il n'y a aucun doute qu'une rectification de ce genre soit nécessaire. Il est pratiquement impossible de déterminer exactement quel prix anglais il faudra prendre comme base du calcul pour chaque groupe de véhicules livrés, mais, sans doute, le prix courant à la date de la livraison n'est pas celui qui peut convenablement être choisi.

Il faut de plus ajouter que la *Ottawa Car Mfg. Co., Ltd.*, n'a reçu en paiement de ces véhicules que les prix fixés par les contrats, et que ces prix ont été déterminés par décret du Conseil. L'auditeur général adjoint ne dit pas (page 5) que la compagnie a reçu un montant excédant les prix d'après le contrat, mais que le montant total payé à la compagnie en vertu du contrat dépassait, *d'après son calcul*, le montant de sa réclamation par $133,019.44.

Sa manière de calculer, on vient d'en avoir la preuve, est de nature trompeuse et propre à induire en erreur.

Je suis, monsieur, votre obéissant serviteur,

H. W. BROWN, *sous-ministre intér.*

J. A. McCANN, *directeur des contrats.*

Approuvé.

Eug. FISET, S.-M.

18-10-21.

Le Conseil après un examen complet de toute la correspondance, des rapports et documents soumis, est d'opinion que le montant autorisé par le décret du Conseil ci-devant mentionné devrait être payé à la *Ottawa Car Manufacturing Company* et il rejette, par conséquent, les objections de l'auditeur général.

Marine et Pêcheries: Compensation pour perte encourue par résiliation de contrat

BUREAU DE L'AUDITEUR, le 29 novembre 1921.

MONSIEUR,—J'ai reçu votre demande du 28 courant pour le paiement de trois millions, conformément à l'autorisation du décret du Conseil du 25 courant, à la *Dominion Iron and Steel Corporation, Limited*, en à compte d'une somme non encore déterminée due par le gouvernement à la compagnie comme compensation pour la perte encourue par la résiliation du contrat du 26 mars 1918 pour la fabrication de plaques métalliques requises pour la construction des navires, chaudières etc.

There appear to be three reasons why it would be improper for me to authorize this payment.

First.—That I cannot legally anticipate the finding of the Exchequer Court, where the case is now pending.

Second.—That the proposed payment is not a proper charge against the Demobilization Vote of the Department of Militia and Defence.

Third.—That at present there is no Parliamentary authority for it.

My action is taken under the authority of the Consolidated Revenue and Audit Act, section 42 (*a*) and section 43.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Marine and Fisheries.

Order in Council, November 25, 1921

The Committee of the Privy Council have had before them a report, dated 23rd November, 1921, from the Minister of Marine and Fisheries, submitting as follows:—

1. That by Order in Council of March 26, 1918 (P.C. 758), he was authorized to enter into a contract with the Dominion Iron and Steel Corporation, Ltd., for the establishment of a mill for the rolling of plates required in the construction of ships, boilers, etc.

2. That in accordance with the terms of the said Order in Council, a contract was concluded with the Dominion Iron and Steel Corporation, Ltd., dated April 2, 1918, whereby the latter agreed to establish a mill for the rolling of plates on the condition that the Canadian Government would purchase at the price of $4.15 per 100 pounds 50,000 gross tons of plates per annum for a period of five years.

3. That the Dominion Iron and Steel Company have represented that the construction of said plate mill, together with such other necessary work and improvements attached thereto, involved an expenditure of not less than $5,250,000.

4. That from the date of the commencement of operations in February, 1920, until the end of January, 1921, 40,037 gross tons of steel plates had been taken by the Department of Marine and Fisheries.

5. That following that date the demand for steel plates practically ceased and it was found impossible to secure additional orders, as a result of which it was decided to cancel the contract with the Dominion Iron and Steel Corporation, which was done by Order in Council of February 18, 1921.

6. That subsequent to the cancellation of the contract the Dominion Iron and Steel Corporation submitted a claim for compensation, which was referred to the Exchequer Court to enable proper investigation of the company's records by solicitors and accountants representing the Government, which investigation has not yet been completed.

7. That the company represents that the delay by litigation for which the company is in no way responsible, has seriously embarrassed it in keeping its plant running, and has impaired its credit, and urges strongly that such amount—not less than three million dollars—as the Government is advised it would be safe in paying, be advanced on account of the claim which they can in turn pay to creditors as a liability to that extent admitted, and that otherwise they must substantially curtail their operations, which would result in very considerable unemployment and prevent the accumulation of a supply of coal at the collieries for shipment to Montreal and other St. Lawrence ports during the coming season. In the above representations of the Company the Deputy Minister of Marine and Fisheries concurs and approves of the recommendation herein embodied.

The Minister states that he is advised by the Solicitor for the Government that the sum of $3,000,000 can safely be paid and under the circumstances he recommends that the said sum of $3,000,000 be forthwith paid on account to the Dominion Iron and Steel Corporation, Limited, in payment of an admitted liability on the part of the Government to that amount.

The Minister further recommends, with the concurrence of the Minister of Militia and Defence, that the said amount of $3,000,000 be paid on the application of the Deputy Minister of Marine and Fisheries out of the Parliamentary Appropriation for "Demobilization, Vote 364, Militia and Defence."

Il me semble que je ne puis autoriser ce paiement pour les trois motifs suivants:

Premièrement.—Je ne puis légalement anticiper le jugement de la cour de l'Echiquier où la cause est actuellement en cours.

Deuxièmement.—Le montant qu'il est proposé de payer n'est pas à proprement parler, imputable au crédit pour fins de démobilisation du ministère de la Milice et de la Défense.

Troisièmement—Actuellement il n'y existe aucune autorisation parlementaire pour ce faire.

En agissant ainsi je m'appuie sur les dispositions de la Loi du revenu consolidé et de l'audition, article 42 (a) et article 43.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A. G.*

Le sous-ministre, Marine et Pêcheries.

Décret du Conseil, 25 novembre 1921.

Le comité du Conseil Privé a eu devant lui un rapport daté le 23 novembre du ministre de la Marine et des Pêcheries, soumettant ce qui suit:

1. Le décret du Conseil du 25 mars 1918, (C.P. 758) l'autorisait à conclure un contrat avec la *Dominion Iron and Steel Corporation, Ltd.,* aux fins de construire une usine destinée à la fabrication de plaques métalliques nécessaires à la construction des navires, chaudières, etc.
2. Conformément aux termes dudit décret du Conseil un contrat a été conclu avec la *Dominion Iron and Steel Corporation, Ltd.,* en date du 2 avril 1918, en vertu duquel cette dernière s'engageait à ériger une usine pour la fabrication de plaques métalliques à la condition que le gouvernement ferait l'achat, au prix de $4.15 par 100 livres, de 50,000 tonnes brutes de plaques par année pendant une période de cinq ans.
3. La *Dominion Iron and Steel Co.* soumet que la construction de ladite usine ainsi que des autres ouvrages et améliorations nécessaires aux fins susdites a entraîné des déboursés d'au moins $5,250,000.00.
4. Depuis la date que les opérations ont commencé, au mois de février 1920, jusqu'à la fin de janvier 1921, le ministère de la Marine et des Pêcheries a reçu 40,037 tonnes brutes de plaques d'acier.
5. Après cette date la demande pour les plaques d'acier a pratiquement cessé et il est devenu impossible d'obtenir de nouvelles commandes avec le résultat qu'il a été décidé de résilier le contrat avec la *Dominion Iron and Steel Corporation,* ce qui a été fait par un décret du Conseil du 18 février 1921.
6. A la suite de la résiliation du contrat la *Dominion Iron and Steel Corporation* a soumis une réclamation pour compensation qui a été référée à la cour de l'Echiquier afin de poursuivre une investigation convenable des relevés de la compagnie sous la direction d'avocats et de comptables représentant le gouvernement, et ladite investigation n'est pas encore terminée.
7. La compagnie expose que le retard dû au litige dont elle n'est aucunement responsable lui a causé un embarras sérieux dans la poursuite de ses opérations et a nui à son crédit, et elle demande vivement que telle somme—mais pas moins de trois millions—que le gouvernement sera avisé comme étant prudent de payer soit avancée en à compte de la réclamation, laquelle somme pourra à son tour être payée aux créanciers comme obligation admise jusqu'à concurrence de ce même montant, et que dans le cas contraire elle devra considérablement réduire l'étendue de ses opérations, ce qui aurait pour résultat d'aggraver sérieusement les conditions de chômage et d'arrêter les travaux aux fins de préparer l'approvisionnement de houille aux houillères pour le chargement en destination de Montréal, et autres ports du St-Laurent, pendant la saison prochaine. Le sous-ministre de la Marine et des Pêcheries approuve les représentations ci-devant exposées de la compagnie et appuie la recommandation qui s'y rapporte.

Le ministre dit que l'avocat du gouvernement lui a donné avis que le gouvernement pouvait en toute sécurité payer la somme de $3,000,000, et il recommande, dans les présentes circonstances que ladite somme de $3,000,000 soit immédiatement payée en à compte à la *Dominion Iron and Steel Corporation, Limited,* en paiement du montant que le gouvernement reconnait devoir à la compagnie.

De plus, le ministre recommande, avec l'assentiment du ministre de la Milice et de la Défense, que ladite somme de $3,000,000 soit payée sur la demande du sous-ministre de la Marine et des Pêcheries à même le crédit parlementaire aux fins de "Démobilisation, Crédit 364, Milice et Défense."

The Committee concur in the foregoing recommendations and submit the same for approval.

R. BOUDREAU, *Clerk.P.C.*

OTTAWA, December 14, 1921.

The undersigned, Auditor General, and Deputy Minister of Finance, in the matter of the appeal by the Department of Marine and Fisheries against the refusal of the Auditor General of the application by the Department of Marine and Fisheries for the issue of a cheque for the sum of $3,000,000 payable to the Dominion Iron and Steel Corporation, Limited, under the terms of Order in Council of 25th November, 1921, P.C. 4486, have the honour to report that the facts of the case are set forth in said Order in Council, letter of the Auditor General to the Deputy Minister of Marine and Fisheries dated November 29, 1921; the opinion of the Deputy Minister of Justice dated December 14, 1921, all of which documents are annexed hereto.

Respectfully submitted,

TREASURY BOARD, OTTAWA, December 14, 1921.

SIR,—I have the honour to enclose herewith Treasury Board Minute under date of the 14th instant, dealing with your objection to the payment of $3,000,000, as authorized by Order in Council of November 25, 1921, to the Dominion Iron and Steel Corporation, Limited, on account of an amount at present undetermined, due by the Government to the company as compensation for loss sustained through the cancellation of the contract of March 26, 1918, for the manufacture of plates required in the construction of ships, boilers, etc.

The Board, concurring in the opinion of the Minister of Justice that this expenditure is properly attributable to demobilization in its broad sense and that statutory authority for the payment is to be found in the War Measures Act and in the appropriation "Demobilization, Militia and Defence, Vote 364, 1921," are of the opinion that the amount in question should be paid to the Dominion Iron and Steel Corporation, Limited, and have therefore over-ruled your objections as set forth in your letter to the Deputy Minister of Marine and Fisheries under date of November 29, 1921.

The letter from the Department of Justice under date of the 14th instant, is fully quoted in the Minute herewith enclosed.

I am, Sir, your obedient servant,

J. C. SAUNDERS, *Secretary.*

OTTAWA, 14 décembre 1921.

Les soussignés, Auditeur général et sous-ministre des Finances, relativement à l'appel du ministère de la Marine et des Pêcheries contre le refus de l'Auditeur général de la requête du ministère de la Marine et des Pêcheries d'émettre un chèque au montant de $3,000,000 en faveur de la *Dominion Iron and Steel Corporation, Limited,* conformément à l'arrêté de l'Exécutif du 25 novembre 1921, C.P. 4486, ont l'honneur de faire rapport que les faits se rattachant à cette cause sont exposés dans le dit arrêté de l'Exécutif, dans la lettre de l'Auditeur général au sous-ministre de la Marine et des Pêcheries en date du 29 novembre 1921 et dans l'expression d'opinion du sous-ministre de la Justice en date du 14 décembre 1921, documents tous ci-joints.

MINUTES DU CONSEIL DE LA TRÉSORERIE, 14 décembre 1921.

MONSIEUR,—J'ai l'honneur de vous inclure les minutes du Conseil de la Trésorerie en date du 14 courant, traitant de votre objection au paiement de $3,000,000, tel qu'autorisé par arrêté de l'Exécutif en date du 25 novembre 1921, à la *Dominion Iron and Steel Corporation, Limited,* comme à compte sur un montant encore indéterminé, que le gouvernement doit à la compagnie à titre de compensation pour pertes encourues par l'annulation du contrat du 26 mars 1918 pour la fabrication des plaques nécessaires dans la construction des navires, chaudières à vapeur, etc.

Les membres du Conseil, partageant l'opinion du ministre de la Justice, que cette dépense est justement attribuable à la démobilisation dans son sens large et que l'autorité statutaire en vertu de laquelle le paiement doit se faire se trouve dans la Loi des mesures de guerre et dans le crédit "Démobilisation, Milice et Défense, crédit 364, 1921" sont d'avis que le montant dont il est question devrait être payé à la *Dominion Iron and Steel Corporation, Limited,* et ont par conséquent rejeté vos objections exposées dans votre lettre au sous-ministre de la Marine et des Pêcheries en date du 29 novembre 1921.

La lettre du ministère de la Justice en date du 14 courant, est donné en entier dans les minutes ci-incluses.

Je suis, Monsieur, votre obéissant serviteur,

J. C. SAUNDERS, *secrétaire.*

MINUTES DU CONSEIL DE LA TRÉSORERIE, 14 décembre 1921.

Le Conseil a pris en considération l'arrêté de l'Exécutif du 25 novembre 1921, C.P. 4486, soumettant ce qui suit:—

"1. Que par un arrêté de l'Exécutif du 26 mars 1918, C.P. 758, il (le ministre de la Marine et des Pêcheries) fut autorisé à passer un contrat avec la *Dominion Iron and Steel Corporation, Ltd.,* pour la construction d'une usine pour le laminage des tôles dont on a besoin dans la construction des navires, des chaudières, etc.

"2. Que conformément aux dispositions dudit arrêté de l'Exécutif un contrat fut signé avec la *Dominion Iron and Steel Corporation, Ltd.,* daté du 2 avril 1918, par lequel la compagnie s'engageait à construire une usine pour le laminage des tôles à condition que le gouvernement canadien achèterait au prix de $4.15 les 100 livres 50,000 tonnes brutes de tôle par année durant une période de 5 ans.

"4. That from the date of the commencement of operations in February, 1920, until the end of January, 1921, 40,037 gross tons of steel plates had been taken by the Department of Marine and Fisheries.

"5. That following that date the demand for steel plates practically ceased, and it was found impossible to secure additional orders, as a result of which it was decided to cancel the contract with the Dominion Iron and Steel Corporation, which was done by Order in Council of February 18, 1921.

"6. That subsequent to the cancellation of the contract, the Dominion Iron and Steel Corporation submitted a claim for compensation which was referred to the Exchequer Court to enable proper investigation of the Company's records by solicitors and accountants representing the Government, which investigation has not yet been completed. .

"7. That the Company represents that the delay by litigation, for which the Company is in no way responsible, has seriously embarrassed it in keeping its plant running, and has impaired its credit, and urges strongly that such amount—not less than three million dollars—as the Government is advised it would be safe in paying, be advanced on account of the claim which they can in turn pay to creditors as a liability to that extent admitted, and that otherwise they must substantially curtail their operations, which would result in very considerable unemployment and prevent the accumulation of a supply of coal at the collieries for shipment to Montreal and other St. Lawrence ports during the coming season. In the above representation of the Company the Deputy Minister of the Marine and Fisheries concurs and approves of the recommendation herein embodied," and

The report of the Auditor General in which objection is raised to the payment authorized is as follows:—

"First.—That I cannot legally anticipatae the finding of the Exchequer Court, where the case is now pending.

"Second.—That the proposed payment is not a proper charge against the Demobilization Vote of the Department of Militia and Defence.

"Third.—That at present there is not Parliamentary authority for it."

The Board had also under consideration an opinion from the Minister of Justice as follows:—

OTTAWA, December 14, 1921.

DEAR SIR,—Referring to your letter of the 14th instant with regard to the claim of the Dominion Iron & Steel Corporation, Limited, for damages arising from the cancellation of a contract of March 26, 1918, for the manufacture of ship's plates, etc., I am instructed that the said contract was entered into as a war measure under the powers conferred by Order in Council under the War Measures Act and that its cancellation was due directly to the advent of peace. I am to advise, therefore, that the Minister of Justice is of opinion that this expenditure is properly attributable to demobilization in its broad sense and that statutory authority for the payment is to be found in the War Measures Act and in the appropriation "Demobilization, Militia and Defence, Vote 364, 1921."

Papers returned.

Yours very truly,

E. L. NEWCOMBE, *D.M. of J.*

The Deputy Minister of Finance.

The Board had also under consideration a joint report from the Auditor General and the Deputy Minister of Finance, submitting all papers for the consideration of the Treasury Board.

The Board, after full consideration of all the correspondence, reports and papers submitted, are of opinion that the amount authorized by the Order in Council hereinbefore mentioned should be paid and that the question whether the offer of settlement so strongly recommended by the solicitors for the Government and, as well, by the Justice Department, namely, a payment of four million six hundred thousand dollars ($4,600,000), in full settlement of claims, stand open for a period of one month from date, so that the acceptance or non-acceptance of same may be reserved for the decision of the incoming Government and they accordingly over-rule the objections of the Auditor General.

J. C. SAUNDERS, *Secretary.*

"3. Que la *Dominion Iron and Steel Co.* a représenté que la construction du laminoir susdit, avec tels autres travaux et améliorations nécessaires à l'entreprise, n'a pas coûté moins de **$5,250,000.00.**

"4. Que de la date du commencement des opérations en février 1920 jusqu'à la fin de janvier 1921, le ministère de la Marine et des Pêcheries avait pris 40,037 tonnes brutes de tôle d'acier.

"5. Qu'après cette date il n'y eut pratiquement plus de demande pour les tôles d'acier et on ne put pas obtenir d'autres commandes de sorte qu'il fut décidé d'annuler le contrat avec la *Dominion Iron and Steel Corporation,* ce qui fut fait par un arrêté de l'Exécutif du 18 février 1921.

"6. Qu'à la suite de l'annulation du contrat, la *Dominion Iron and Steel Corporation* soumit une réclamation pour compensation, laquelle fut renvoyée à la cour de l'Echiquier pour enquête complète dans les livres de la compagnie par des avocats et des comptables représentant le gouvernement, laquelle enquête n'est pas encore terminée.

"7. Que la compagnie a représenté que ce litige dont elle n'est nullement responsable a occasionné un délai qui l'embarrasse sérieusement dans ses efforts pour tenir son usine en activité et a nui à son crédit, et elle demande avec instance que tel montant—pas moins de trois millions de dollars—que le gouvernement croit pouvoir payer en toute sûreté, soit avancé en à compte de la réclamation, lequel montant la compagnie pourra à son tour distribuer à ses créanciers comme obligation minimum admise, et que sinon elle devra réduire ses opérations considérablement, ce qui occasionnerait beaucoup de chômage et empêcherait l'accumulation d'une provision de charbon aux houillères pour transport à Montréal et aux autres ports du Saint-Laurent au cours de la prochaine saison. Le sous-ministre de la Marine et des Pêcheries reconnait le bien-fondé des allégués de la compagnie et approuve la recommandation ci-incluse" et le rapport de l'auditeur général dans lequel il s'objecte au paiement autorisé est comme suit:

"Premièrement.—Que je ne puis pas légalement anticiper le jugement de la cour de l'Echiquier, où la cause est actuellement pendante.

Deuxièmement.—Que le paiement projeté n'est pas une dépense qui peut être chargée aux crédits alloués au ministère de la Milice et de la Défense pour fins de démobilisation.

Troisièmement.—Qu'à l'heure actuelle il n'y a aucune autorisation du Parlement pour ce paiement."

Le Conseil a aussi pris en considération une opinion du ministère de la Justice comme suit:—

OTTAWA, 14 décembre 1921.

CHER MONSIEUR,—Relativement à votre lettre du 14 courant concernant la réclamation de la *Dominion Iron and Steel Corporation, Limited,* pour dommages résultant de l'annulation d'un contrat du 26 mars 1918, pour la fabrication de tôle pour navires, etc., je suis d'avis que le dit contrat fut signé comme mesure de guerre sous l'autorité conférée par arrêté de l'Exécutif sous la Loi relative aux mesures de guerre et que le fait de son annulation est dû directement à la venue de la paix. Je dois donc dire que le ministre de la Justice est d'opinion que cette dépense est en justice attribuable à la démobilisation entendue dans son sens large et que l'autorité statutaire pour le paiement se trouve dans la Loi relative aux mesures de guerre et dans l'appropriation "Démobilisation, Milice et Défense, Note 364, 1921".

Documents retournés.

Votre bien dévoué,

Le sous-ministre des Finances. E. L. NEWCOMBE, *S.-M. J.*

Le Conseil a aussi pris en considération un rapport fait conjointement par l'Auditeur général et le sous-ministre des Finances, soumettant tous les documents à la considération du Conseil de la Trésorerie.

Le Conseil, après mûre considération de toute la correspondance, de tous les rapports et documents soumis, est d'avis que le montant autorisé par l'arrêté de l'Exécutif déjà mentionné ici devrait être payé et que la question relative à l'offre de règlement si fortement recommandée par les avocats du gouvernement, ainsi que par le ministère de la Justice, à savoir le paiement de quatre millions six cent mille dollars ($4,600.000), en règlement de toutes réclamations, demeure pendant durant une période d'un mois de cette date, afin que l'acceptation ou le refus de cette offre soit réservé à la décision du futur gouvernement et en conséquence il rejette les objections de l'Auditeur général.

TREASURY BOARD CORRESPONDENCE

Overpayment of Salary and Bonus to Secretary, High Commissioner's Office, London, England

AUDIT OFFICE, October 1, 1920.

DEAR MR. GRIFFITH,—I observe that the July pay-list of your office shows a payment to you of $1,000, arrears of salary for the year 1919-20, and at the same rate for the current year to July 31, thereby increasing your salary from $6,000 to $7,000.

There appears to be no authority, so far as I can learn, for this increase, consequently I must ask you to refund the amount of the cheques received by you, viz: £195 4s. 1d. and £65 1s. 4d., to the credit of the Receiver General of Canada.

What were the circumstances under which you considered you were entitled to the increase?

Yours truly,

E. D. SUTHERLAND, *A. G.*

Secretary, High Commissioner's Office, London.

AUDIT OFFICE, October 14, 1920.

DEAR SIR,—Mr. W. L. Griffith, Secretary, High Commissioner's Office, London, paid himself in the month of July last, $1,000 arrears of salary from 1st April, 1919, to 31st March, 1920, thereby increasing his salary to $7,000. He also paid himself arrears for the current year at the same rate. I cannot find any authority for his action and have written to him requesting that he refund these amounts.

During the same month he received as a cost of living bonus £401 12s. 1d. = $1,954.47 for 1919-20, equivalent to 32½ per cent on $6,000. His war bonus 1918-19 was £300, and bonus payments to the staff for 1919-20 have increased in the same ratio over 1918-19.

Can you give me the definite authority fixing the rate of bonus for the High Commissioner's Office, which I understand is based on the Imperial Government rate?

It would appear that the Civil Service Commission's regulations for the administration of the cost of living bonus for 1920-21 as approved by Order in Council, 15th May, 1920, are intended to apply outside of Canada as well as inside. Section 8 reads: "Employees in the Canadian Civil Service outside of Canada who are paid according to the scales of pay for corresponding grades or classes of work in Canada shall, if otherwise eligible, under these regulations, to receive the bonus, and if their rates of pay are less than the rates of pay prevailing for similar work in the region in which they are employed, be entitled to bonus in accordance with these regulations."

If the higher rate is again to be allowed to the High Commissioner and his staff this year some specific action should be taken to sanction it.

I do not know whether the Minister of Finance is the minister through whom matters appertaining to the High Commissioner's Office that require the consideration of the Government are brought to their attention, but this being a question of finance, I assume it will be dealt with by him.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Finance.

SESSIONAL PAPER No. 1

CORRESPONDANCE DU CONSEIL DE LA TRÉSORERIE

Excédent de salaire et de boni payé au secrétaire du bureau du haut-commissaire à Londres, Angleterre

BUREAU DE L'AUDITEUR, 1er octobre 1920.

CHER M. GRIFFITH,—Je remarque que le bordereau de paye de votre bureau pour juillet indique un paiement de $1,000 qui vous a été fait comme arrérages de salaire pour l'année 1919-20, et au même taux pour l'année courante jusqu'au 31 mars, ce qui porte votre salaire de $6,000 à $7,000.

Il ne semble y avoir aucune autorité, d'après les renseignements que j'ai, pour cette augmentation, conséquemment, je dois vous demander de rembourser le montant des chèques que vous avez reçu savoir £195-4-1 et £65-1-4, au crédit du receveur général.

Quelles circonstances vous ont porté à croire que vous aviez droit à l'augmentation?

Bien à vous,

E. D. SUTHERLAND,

Auditeur général.

Le Secrétaire, bureau du Haut-commissaire, Londres.

BUREAU DE L'AUDITEUR, 14 octobre 1920.

CHER MONSIEUR, — M. W. L. Griffith, secrétaire du bureau du haut-commissaire, Londres, s'est payé au mois de juillet dernier, la somme de $1,000 comme arrérages de salaire du 1er avril 1919 au 31 mars 1920, portant ainsi son salaire à $7,000. Il s'est de plus payé des arrérages pour l'année courante au même taux. Je ne puis trouver aucune autorité pour ce faire et lui ai écrit lui demandant de rembourser ces montants. montants.

Au cours du même mois, il a reçu comme boni du coût de la vie £401-12-1= 61,954.47 pour 1919-20, soit 32½ pour 100 sur $6,000. Son boni de guerre de 1918-19 était de £300, et les paiements de boni au personnel pour 1919-20 ont augmenté dans la même proportion sur ceux de l'année 1918-19.

Pouvez-vous me donner l'autorité particulière fixant le taux de boni du bureau du haut-commissaire, lequel je crois est basé sur le taux du gouvernement impérial?

Il semble que les règlements de la Commission du Service civil relatifs à l'administration du boni du coût de la vie pour 1920-21, approuvés par arrêté de l'Exécutif en date du 15 mai 1920, doivent s'appliquer en dehors du Canada aussi bien qu'à l'intérieur. L'article 8 dit: "Les employés du service civil canadien en dehors du Canada qui sont payés d'après les échelles de salaires applicables à des grades ou classes de travaux correspondants au Canada, recevront, s'ils ont droit au boni d'après ces règlements, et si leurs taux de salaires sont moindres que les taux ordinaires payés pour travaux de même nature dans la région dans laquelle ils sont employés, le boni conformément à ces règlements".

Si le taux plus élevée est de nouveau accordé au haut-commissaire et à son personnel cette année, quelque mesure spécifique devrait être prise pour le sanctionner.

J'ignore si le ministre des Finances est le ministre par l'entremise de qui les questions se rattachant au bureau du Haut-Commissaire et demandant la considération du gouvernement sont portées à la connaissance de ce dernier, mais comme il s'agit ici d'une question de finances, je suppose qu'il aura à s'en occuper.

Je suis, monsieur,

Votre obéissant serviteur,

Le sous-ministre des Finances. E. D. SUTHERLAND, *A.G.*

AUDIT OFFICE, October 15, 1920.

DEAR SIR,—Referring to my letter of yesterday *re* Mr. Griffith and bonus payments to the High Commissioner's Office, it has been brought to my notice that the same provisions as shown in Section 8, Civil Service Commission's regulations, 1920-21 (which I quoted), applied to the bonus of 1919-20. See Section 13.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Finance.

(No replies received to my letters of October 14 and October 15.)

HIGH COMMISSIONER'S OFFICE, LONDON, October 16, 1920.

DEAR MR. SUTHERLAND,—Yours of the 1st instant respecting the increase of $1,000 in my salary as from the commencement of the financial year 1919-20 is duly at hand.

In reply I send copy of my letter to the Deputy Minister of Finance dated 27th January, 1920, and enclosures. From this correspondence you will gather that the $1,000 increase was recommended by the High Commissioner and received the approval of Sir Robert Borden and Sir George Foster, the Acting Prime Minister. These estimates were passed by the House of Commons.

On the 3rd July last I cabled the Deputy Minister of Finance asking if our estimates had passed, and on the 7th July I received a cable in reply stating that they had.

The foregoing will, I think, provide a satisfactory answer to the question put in the last paragraph of your letter.

Yours sincerely,

W. L. GRIFFITH, *Sec'y.*

The Auditor General.

HIGH COMMISSIONER'S OFFICE, January 27, 1920.

SIR,—I beg to enclose copies of the Estimates of this office for the year 1920-21, originals of which have to-day been forwarded to the Premier. These Estimates have received the approval of the High Commissioner.

I also enclose a copy of a letter from Sir George Perley to the Acting Prime Minister, relative to an increase of $1,000 to the salary of the Secretary of the High Commissioner's Office, which is self-explanatory.

I am, sir, your obedient servant,

W. L. GRIFFITH, *Sec'y.*

The Deputy Minister of Finance.

HIGH COMMISSIONER'S OFFICE, January 27, 1920.

DEAR SIR GEORGE FOSTER,—I beg to enclose estimates relating to the High Commissioner's staff and contingencies, and to the contingencies account of the High Commissioner, for the financial year 1920-21.

These estimates provide for the statutory increases in salaries—otherwise there is no change. Pending re-classification the staff has been dealt with on the old basis. In the case of the secretary, provision is made for him to receive the increase given

BUREAU DE L'AUDITEUR, le 15 octobre 1920.

CHER MONSIEUR, — Me référant à ma lettre d'hier relative à M. Griffith et aux versements d'indemnités au Bureau du Haut-Commissaire, j'apprends que les dispositions de l'article 8 des règlements de la Commission du Service civil pour 1919-20 (et que j'ai cités) valaient pour l'indemnité de 1919-20. Voir l'article 13.

Je suis, monsieur,

Votre obéissant serviteur

J. C. SAUNDERS, écr.,
Sous-ministre des Finances.

E. D. SUTHERLAND, *A.G.*

(Aucune réponse ne m'est parvenue à mes lettres du 14 et du 15 octobre).

BUREAU DU HAUT-COMMISSAIRE À LONDRES, le 16 octobre 1920.

CHER MONSIEUR SUTHERLAND, — J'ai reçu votre lettre du 1er de ce mois relative à l'augmentation de $1,000 à mon traitement à prendre effet au commencement de l'exercice 1919-1920.

En réponse je vous fais tenir copie de ma lettre du 27 janvier 1920 au sous-ministre des Finances et des documents y annexés. Vous verrez par cette correspondance que cette augmentation de $1,000 était recommandée par le Haut-Commissaire et approuvée par sir Robert Borden et sir George Foster, premier ministre intérimaire. Ces crédits ont été votés par la Chambre des communes.

Le 3 juillet dernier j'ai câblé au sous-ministre des Finances lui demandant si nos crédits avaient été votés, et j'ai reçu le 7 juillet un câblogramme dans l'affirmative.

Je veux croire que ceci répondra de façon satisfaisante à la question que comporte le dernier alinéa de votre lettre.

Croyez à mes meilleurs sentiments,

Sincèrement à vous,

L'Auditeur général.

WM GRIFFITH, *Secrétaire.*

BUREAU DU HAUT-COMMISSAIRE le 27 janvier 1920.

MONSIEUR, — J'inclus copies des crédits de ce bureau pour l'exercice 1920-21 dont l'original a été aujourd'hui expédié au premier ministre. Ces crédits ont été approuvés par le Haut-Commissaire.

J'inclus aussi copie d'une lettre de sir George Perley au premier ministre intérimaire, relative à une augmentation de $1,000 au traitement du secrétaire du Bureau du Haut-Commissaire, et qui parle par elle-même.

Je suis, monsieur,

Votre obéissant serviteur,

Le sous-ministre des Finances.

W. L. GRIFFITH, *Sec.*

BUREAU DU HAUT-COMMISSAIRE, le 27 janvier 1920.

CHER SIR GEORGE FOSTER, — J'inclus les crédits relatifs aux traitement du personnel et aux dépenses imprévues, ainsi qu'au compte des dépenses imprévues du Haut-Commissaire pour l'exercice 1920-1921.

Ces crédits comportent l'augmentation statutaire des traitements mais demeurent identiques par ailleurs. En attendant la reclassification, on a traité le personnel comme par le passé. Pour ce qui est du secrétaire, il est entendu qu'il doit recevoir l'augmen-

to Deputy Ministers as from 1st April, 1919. This increase was withheld on the misapprehension that he was already receiving $6,000, whereas $1,000 of this was in reality an allowance to cover personal expenses arranged by Sir Robert Borden as mentioned in his letter to Mr. Griffith, dated March 17, 1914, of which I enclose copy. I dealt with this in Ottawa in my letter to Sir Robert Borden dated 6th September, 1919, to which also I would refer you.

These estimates have my approval.

I am faithfully yours,

GEORGE H. PERLEY.

The Acting Prime Minister.

Extract of Letter from Sir George E. Foster (Acting Prime Minister), dated Ottawa, February 14, 1920

To Sir George H. Perley:

"I have your letter of the 27th January enclosing estimates for the financial year, for the High Commissioner's Office, together with copy of a letter written by the Prime Minister, of date March 17th, 1914. I also note your reference to Sir Robert's letter of September 6th, 1919. This would, I think, be sufficient explanation of the increase of $1,000."

Audit Office, November 2, 1920.

Dear Mr. Griffith,—I have received your letter of 16th instant.

To have made your increases legally payable, they would have had to be voted specifically to you,—your name or official position being given in the estimates submitted to Parliament. This was not done. The fact that they formed part of a total appropriation of $25,950 is not a sufficient warrant for their payment. The increase of $1,000 to the Deputy Ministers from 1st April, 1919, was specifically voted in each case.

Alluding to the increase of $1,000, from 1st April, 1919, Sir George Perley has evidently misunderstood the facts when he says "this increase was withheld on the misapprehension that he was already receiving $6,000, whereas $1,000 of this was in reality an allowance to cover personal expenses." When dealing some years ago with the question of making you an allowance for personal expenses, the Finance Department decided to make it in the form of an increase of salary. It was decidedly to your advantage to have the $1,000 treated as an increase of salary rather than as an allowance to cover personal expenses, for in the latter case you would have been called upon for supporting vouchers for your expenditure.

The position of Secretary, High Commissioner's Office, has not the rank of Deputy Minister, see chapter 12, section 2 (b), Acts of 1918, an Act respecting the Civil Service of Canada, though from Sir George Perley's letter it would appear that he thought it had.

The classification list of the Civil Service Commission places a lower maximum salary on your position than that you were receiving, and though under section 11 (3), 1919, Civil Service Act, you cannot be prejudicially affected, your successor would be entitled to only the minimum rate, 45 B (2), Civil Service Act.

From the foregoing it will be evident to you that my views with regard to your increase of salary have not changed.

Yours very truly,

E. D. SUTHERLAND, *A.G.*

The Secretary, High Commissioner's Office.

tation accordée aux sous-ministres et datant du 1er avril 1919. On avait retenu cette augmentation parce qu'on croyait faussement qu'il recevait déjà $6,000, alors que sur cette somme $1,000 allait en réalité pour couvrir certains frais personnels réglés par sir Robert Borden et dont ce dernier fait mention dans sa lettre à M. Griffith en date du 17 mars 1914 et dont j'inclus copie. J'ai traité cette question à Ottawa dans une lettre à sir Robert Borden datée du 6 septembre 1919 à laquelle je vous prie de vous référer également.

Ces crédits portent mon approbation.

Je suis, fidèlement à vous,

GEORGE PERLY,

Le premier ministre intérimaire. *Haut-Commissaire.*

Extrait d'une lettre de sir George E. Foster (premier ministre intérimaire), datée d'Ottawa, le 14 février 1920:

A SIR GEORGE PERLEY:

"J'ai en mains votre lettre du 27 janvier renfermant les crédits pour l'exercice en faveur du bureau du Haut-Commissaire ainsi que copie d'une lettre écrite par le premier ministre en date du 17 mars 1914. Je note aussi votre allusion à la lettre de Sir Robert Borden du 6 septembre 1919. Je crois que le tout explique suffisamment l'augmentation de $1,000.

BUREAU DE L'AUDITEUR, le 2 novembre 1920.

CHER M. GRIFFITH, — J'ai reçu votre lettre du 16 de ce mois.

Pour rendre légal le versement de vos augmentations de traitement, il eût fallu les voter spécialement en votre faveur — à votre nom ou votre situation officielle étant indiqués dans les crédits soumis au Parlement. On ne l'a pas fait. Le fait qu'elles entraient dans un crédit général de $25,950 n'explique pas suffisamment le versement à en faire.

L'augmentation de $1,000 en faveur des sous-ministres à compter du 1er avril 1919 a été votée dans chaque cas dans des termes spécifiques.

En faisant allusion à l'augmentation de $1,000, à compter du 1er avril 1919, sir George Perley a sans doute mal interprété les faits en déclarant que " cette augmentation a été retenue sous la fausse croyance qu'il recevait déjà $6,000, alors que de cette somme $1,000 comptaient en réalité pour couvrir les dépenses personnelles ".

Quand, il y a quelques années, le ministère des Finances s'est occupé de vous accorder une indemnité pour dépenses personnelles, il a décidé d'incorporer cette indemnité dans une augmentation de votre traitement. Il était décidément tout à votre avantage que cette somme de $1,000 fût considérée comme constituant une augmentation de traitement plutôt que comme une indemnité destinée à couvrir vos dépenses personnelles, car dans le dernier cas vous eussiez eu à rendre compte de vos dépenses.

La situation du secrétaire du bureau du Haut-Commissaire n'est pas au même niveau que le rang de sous-ministre, voir le chapitre 12 de l'article 2 (b) des lois de 1918, loi relative au Service civil du Canada, bien que par la lettre de Sir George Perley il semble que ce dernier croie qu'elle l'est.

Le tableau de la classification de la Commission du Service civil accorde à votre situation un maximum de traitement inférieur à ce qu'il était dans le passé, et, bien que l'article 11 (3) 1919 de la loi du Service civil, empêche que vous ne soyez lésé, votre successeur n'aurait droit qu'au minimum du traitement, 45 B (2), de la loi du Service civil.

Vous comprendrez par ce qui précède que mes vues sur l'augmentation de votre traitement ne sont pas modifiées.

Bien à vous,

E. D. SUTHERLAND,

Le secrétaire du bureau du Haut-Commissaire. *A.G.*

AUDIT OFFICE, February 18, 1921.

DEAR MR. GRIFFITH,—It has occurred to me since this morning's conversation, that it would be well while you are on the spot to get the matter of paying the Imperial rate of bonus to your office settled.

I do not know how that rate originated or the authority for the same. Then there is the question of its continuance. It should be possible to reach a satisfactory conclusion so much more easily while you are here at headquarters and can talk the matter over with the proper authority than by correspondence from London, which will result if the matter is left unsettled now.

It will of course be necessary for me to see that there is governmental authority for paying a rate so much higher than that laid down in the Civil Service regulations, section 13, and confirmed by Order in Council of 7th February, 1920.

So far as I know, yours is the only office that has been receiving the Imperial rate.

Yours truly,
E. D. SUTHERLAND, *A.G.*

The Secretary, High Commissioner's Office.

AUDIT OFFICE, April 14, 1921.

SIR,—Some little time ago I gave Mr. Buskard, for your information I understood, some letters that had passed between this office and Mr. Griffith, Secretary, High Commissioner's Office, London, in relation to his salary.

The classification of the position is $4,200 and up.

For some years Mr. Griffith has been in receipt of $6,000.

Last July, without the authority of Council for an increase of salary, he drew $1,000 as arrears of salary for the year 1919-20, and has continued to be paid $7,000 for 1920-21.

I wrote to Mr. Griffith pointing out that there was no authority for the increase and asking him to refund the overpayment. This he has not done, but before proceeding further in the matter I shall be glad to know if Council has in view any action with respect to Mr. Griffith's salary.

He was here recently, I assume for the purpose of getting the increased salary ratified, but I have had no information that he succeeded in doing so.

I am, sir, your obedient servant,
E. D. SUTHERLAND, *A.G.*

The Premier, Minister of External Affairs.

AUDIT OFFICE, June 15, 1921.

SIR,—On your June paylist for the High Commissioner's Office, London, payment is claimed for the Secretary at the rate of $7,000 per annum. As his salary under the official classification is determined as $4,200, and up, he is not entitled to any greater rate than that he was legally receiving on November 10, 1919 namely, $6,000, until increased by the Governor in Council.

The estimates for the current year are only a provision and not an authority to pay him a salary in excess of that now fixed by Order in Council.

I am, sir, your obedient servant,
E. D. SUTHERLAND, *A.G.*

The Under Secretary of State for External Affairs.

SESSIONAL PAPER No. 1

BUREAU DE L'AUDITEUR GÉNÉRAL, le 18 février 1921.

CHER M. GRIFFITH,—Il m'est apparu depuis notre entretien de ce matin qu'il serait à propos de profiter de votre présence sur les lieux pour faire régler la question du versement à votre bureau du tarif impérial de l'indemnité.

J'ignore l'origine et les auteurs responsables de ce tarif. Puis arrive la question de son maintien. Il devrait être possible d'en venir à une conclusion favorable plus facile à obtenir ici aux quartiers-généraux où vous êtes à même de discuter l'affaire qu'en correspondant de Londres, ce qui va arriver si vous ne menez pas l'affaire à bien ici.

J'aurai naturellement à voir à me couvrir d'une autorisation gouvernementale (quelconque) avant de vous verser un traitement à ce point supérieur à celui que comportent les règlements du Service civil à l'article 13 et qu'un arrêté ministériel du 7 février 1920 a confirmé.

Votre bureau est le seul que je sache qui ait obtenu le tarif impérial.

Bien à vous,

E. D. SUTHERLAND, *A.G.*

Le secrétaire du bureau du Haut-Commissaire.

BUREAU DE L'AUDITEUR, 14 avril 1921.

MONSIEUR,—J'ai tout récemment remis à M. Muskard, pour votre gouverne, je crois, quelques lettres que l'on avait échangées entre ce bureau et M. Griffith, secrétaire du bureau du Haut-Commissaire à Londres et relatives à son traitement.

La classification de cette situation est de $4,200 et plus.

Pendant quelques années M. Griffith a reçu $6,000.

En juin dernier, et sans l'autorisation du conseil de recevoir un traitement plus élevé, il a retiré $1,000 à titre d'arrérages de traitement pour l'exercice 1919-20 et a continué à recevoir $7,000 pour 1920-21.

J'ai écrit à M. Griffith et lui ai soumis que cette augmentation n'avait pas été autorisée et l'ai prié de rembourser cette somme. Il ne s'est pas encore exécuté, cependant avant d'aller plus loin je serais aise de savoir si le conseil a des intentions relativement au traitement de M. Griffith.

Il est venu à Ottawa tout récemment, en vue, je suppose, de faire ratifier cette augmentation de traitement, cependant je ne sache pas qu'il y ait réussi.

Je suis, Monsieur, votre obéissant serviteur,

Au premier ministre des Affaires extérieures. E. D. SUTHERLAND, *A.G.*

BUREAU DE L'AUDITEUR, 15 juin 1921.

MONSIEUR,—Votre bordereau de paye de juin relatif au bureau du Haut-Commissaire à Londres porte que l'on a payé au secrétaire une somme basée sur un traitement de $7,000 par année. Comme la classification officielle établit son traitement comme étant de $4,200 et plus, il n'a pas droit à recevoir plus que ce qu'il recevait à la date du 10 novembre 1919 à savoir $6,000, d'ici qu'un arrêté ministériel ait augmenté ce dernier.

Les crédits de l'année courante constituent des dispositions et non l'autorisation de lui verser un traitement supérieur à celui qu'a désigné l'arrêté ministériel.

Je suis, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-secrétaire d'Etat pour les affaires extérieures.

AUDIT OFFICE, December 2, 1921.

DEAR SIR,—I would draw your attention to my letter to you of 14th October, 1920, referring to an increase of salary paid to Mr. W. L. Griffith, Secretary, High Commissioner's Office, London, which appeared to me to be unauthorized. On 14th April, 1921, I wrote to Hon. Mr. Meighen on this subject and enclose a copy of the letter together with a copy of my letter of October 1, 1920, to Mr. Griffith.

By Order in Council 21st March, the High Commissioner's Office was placed under the control of the Department of External Affairs for administration purposes and on the 11th July Mr. Griffith's salary was increased to $7,000, from 1st April, 1921. I find that the rate of $7,000 was discontinued to Mr. Griffith from the 1st January to 31st March, 1921, and he reverted to the authorized salary of $6,000.

There remains the question of the payments of arrears for 1919-20, $1,000, and the nine months of 1920-21, $750, on which action should be taken. I shall be glad to be advised whether the Government proposes to sanction these payments. If not I assume it will become my duty to press for a refund of the amount.

This is a matter which I think should be brought to the attention of the Treasury Board.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Treasury Board.

AUDIT OFFICE, January 7, 1922.

SIR,—I have to call your attention to my letters of October 14, 1920, and December 2, 1921, in reference to overpayments of salary of W. L. Griffith, Secretary, High Commisioner's Office, London.

I have received no reply from you to these letters.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Treasury Board.

Overpayment of Civil Pay while on Military Service—Archives Dept.

ARCHIVES DEPARTMENT, March 22, 1916.

SIR,—In accordance with the request contained in your letter of the 4th instant, I have the honour to advise you that the following members of the Archives staff have enlisted for overseas service since our last list was forwarded to your Department.

Wm. Webber enlisted with the 77th Regiment on November 12, 1915.

G. Lanctot enlisted with the 163rd Battalion on December 1, 1915.

I am, sir, your obedient servant,

A. G. DOUGHTY, *D.M.*

The Auditor General.

BUREAU DE L'AUDITEUR, 2 décembre 1921.

CHER MONSIEUR,—Je désire attirer votre attention sur la lettre que je vous ai envoyée le 14 octobre 1920 et relative à une augmentation du traitement versé à M. W. L. Griffith, secrétaire du bureau du Haut-Commissaire à Londres, augmentation qui ne m'a pas semblé autorisée.

Le 14 avril 1921 j'ai écrit à l'hon. M. Meighen à ce sujet et vous inclus copie de cette lettre en même temps que copie de ma lettre du 1er octobre 1920 à M. Griffith.

Le 21 mars et par arrêté ministériel le bureau du Haut-Commissaire a été mis sous le contrôle du ministère des Affaires étrangères pour tout ce qui a trait aux choses de l'administration, et le 11 juillet le traitement de M. Griffith a été porté à $7,000 à prendre effet du 1er avril 1921.

Je vois que le traitement de $7,000 a cessé d'être versé à M. Griffith du 1er janvier au 31 mars 1921 et est revenu au chiffre officiel de $6,000.

Reste la question du versement des arrérages pour 1919-20, soit $1,000, ainsi que pour les neuf mois de 1920-21, soit $750, au sujet de quoi il conviendrait d'agir.

Je serai aise d'apprendre si le gouvernement se propose de sanctionner ces versements. Dans la négative je comprends qu'il m'incombera de voir à faire rentrer le montant en question.

Cette affaire mériterait d'être portée à la connaissance du Conseil du Trésor.

Je suis, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire du Conseil du Trésor.

BUREAU DE L'AUDITEUR, 7 janvier 1922.

MONSIEUR,—Je dois attirer votre attention sur mes lettres du 14 octobre 1920 et du 2 décembre 1921 relatives au surpaiement de traitement à M. Griffith, secrétaire du bureau du Haut-Commissaire à Londres.

Je n'ai reçu aucune réponse de vous à ces lettres.

Je suis, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire du Conseil du Trésor.

Excédent de paiement à un fonctionnaire civil de son traitement comme tel alors qu'il était en activité de service—Archives publiques

ARCHIVES PUBLIQUES, OTTAWA, le 22 mars 1916.

MONSIEUR,—Conformément à la demande contenue dans votre lettre du 4 écoulé, j'ai l'honneur de vous avertir que les membres suivants du personnel des Archives se sont enrôlés pour service outre-mer depuis que notre dernière liste a été transmise à votre ministère.

Wm Webber s'est enrôlé dans le 77e régiment le 12 novembre 1915.

G. Lanctôt s'est enrôlé dans le 163ème bataillon, le 1er décembre 1915.

Je suis, monsieur, votre obéissant serviteur,

A. G. DOUGHTY, *S.-M.*

L'Auditeur général.

AUDIT OFFICE, April 7, 1916.

SIR,—I am in receipt of your letter of the 22nd ultimo *re* the enlistment of Messrs. Webber and Lanctot of your staff.

As they enlisted since the 1st of November last, why are their full Civil Service salaries being paid them? According to the Order in Council of November 1 last they are not entitled to be paid in full both their civil and military pay.

I have to request that a refund be obtained at once of the overpayment in each case so that the account for the past fiscal year may be properly adjusted.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Dominion Archivist.

ARCHIVES DEPARTMENT, April 8, 1916.

SIR,—In answer to your letter of the 7th instant referring to the payment of Messrs. Webber and Lanctot, I beg to say that on the enlistment of Mr. Webber the matter was referred to the Minister, as all his preparations for enlistment had been made previous to the 1st of November. No decision having been given, they were paid for the months of December and January, but since that date the cheques, although issued, have not been handed to them. Early in the month of February the question of payment of salary was referred to the Treasury Board, but the papers were returned for further information. The information was obtained and transmitted to the Treasury Board about two weeks ago, but I understand on inquiring yesterday that although the matter had been brought up, no decision had been arrived at.

I presume, therefore, that until the matter is disposed of by the Board, I should not take any further action.

I am, sir, your obedient servant,

A. G. DOUGHTY, *D.M.*

The Auditor General.

AUDIT OFFICE, February 11, 1920.

SIR,—G. Lanctot of your department still continues to draw the amount of his civil salary less his military pay.

Is he still on military service and where?

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Dominion Archivist.

ARCHIVES DEPARTMENT, February 11, 1920.

SIR,—In answer to your letter of the 11th instant, I beg to say that Mr. Gustave Lanctot is still on military service in connection with war trophies and their distribution.

He is chiefly engaged in Ottawa, but occasionally in Montreal and in Toronto, which are the chief depots of the war trophies.

Yours truly,

A. G. DOUGHTY, *D.M.*

The Auditor General.

COUR DES COMPTES, le 7 avril 1916.

MONSIEUR,—J'ai reçu votre lettre du 22 dernier au sujet de l'enrôlement de MM. Webber et Lanctôt, membres de votre personnel.

Comme ils se sont enrôlés depuis le 1er novmebre dernier, pourquoi leur paie-t-on leurs salaires complets en tant que fonctionnaires civils? D'après l'arrêté en conseil adopté le 1er novembre dernier, ils n'ont pas droit de retirer leurs traitements complets civil et militaire.

Je me vois dans l'obligation de vous demander l'obtention immédiate du paiement en trop dans chaque cas, afin que le compte pour l'exercice dernier soit réglé.

Je suis, monsieur, votre obéissant serviteur,

J. FRASER, *A.G.*

L'Archiviste fédéral.

ARCHIVES PUBLIQUES, le 8 avril 1916.

MONSIEUR,—En réponse à votre lettre du 7 écoulé relativement au paiement de MM. Webber et Lanctôt, j'ai l'honneur de dire qu'en ce qui concerne l'enrôlement de M. Webber, la question a été référée au ministre, vu qu'il avait terminé tous ses préparatifs pour son enrôlement avant le 1er novembre. Comme il n'avait pas été donné de décision, ils ont reçu leurs appointements pour les mois de décembre et janvier, mais depuis lors, les chèques, bien qu'ayant été émis, ne leur ont pas été remis. Au commencement de février la question du paiement des appointements a été référée au Conseil du Trésor, mais les documents ont été renvoyés afin d'obtenir de plus amples informations. Les renseignements ont été obtenus et transmis au Conseil du Trésor il y a environ deux semaines, mais je comprends après m'être informé hier, que bien que la question eût été soulevée, aucune décision n'avait été adoptée.

Je suppose donc, que jusqu'à ce que le Conseil règle la question, je ne devrais prendre aucune décision.

Je suis, monsieur, votre obéissant serviteur,

A. G. DOUGHTY, *S.-M.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, le 11 février 1920.

MONSIEUR,—G. Lanctôt, des Archives, continue encore à retirer le montant de ses appointements en tant que fonctionnaire civil moins son traitement militaire.

Fait-il encore du service militaire et où?

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

L'Archiviste fédéral.

ARCHIVES PUBLIQUES, le 11 février 1920.

MONSIEUR,—En réponse à votre lettre du 11 courant, j'ai l'honneur de vous dire que M. Gustave Lanctôt fait encore du service militaire, s'occupant des trophées de guerre et de leur distribution.

Il travaille surtout à Ottawa, mais de temps en temps à Montréal et à Toronto, qui sont les dépôts principaux des trophées de guerre.

Bien à vous,

A. G. DOUGHTY, *S.-M.*

L'Auditeur général.

AUDIT OFFICE, February 14, 1920.

SIR,—I am in receipt of your reply of yesterday *re* Mr. Lanctot.

I am informed by the Department of Militia and Defence that Mr. Lanctot has been drawing major's pay since 1st June, 1917, but you have been deducting from your pay list lieutenant's pay only. Why was any civil pay approved for him after the date when his military pay exceeded his civil? The amount of civil pay received by him since 1st June, 1917, is $1,739.46. He was entitled to only $588.30. The overpayment $1,151.16 should be refunded.

From the information contained in your letter it would appear that he is engaged on work that might be considered part of his departmental duties and that he was not entitled to any military pay since his return to Canada. Please state why his military pay was continued after his return to Canada and after his resumption of work that is so closely associated with the department in which he is employed.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Dominion Archivist.

ARCHIVES DEPARTMENT, February 16, 1920.

SIR,—In answer to your letter of the 14th instant, regarding payments made to Mr. Lanctot, I beg to say that according to instructions received from the Militia Department, we deducted a captain's pay from his civil pay from April, 1916. No further communication appears to have been received from the Militia Department, and the deduction has been continued at this rate. I must say that his majority was conferred while I was away from this country. If any reduction has to be made, it would not appear to be on the scale indicated in your letter.

Mr. Lanctot is engaged in connection with the distribution of war trophies, and it is absolutely necessary that he should be connected with the Militia Department as we are brought into continual contact with the military people in handling these trophies and in transferring them to different points. For the same reason I found it necessary to be myself attached to Headquarters Staff without pay, as I could exercise no control nor conduct the business economically unless I held military rank. There are, of course, certain portions of the clerical work which may have resemblance to work performed in the Archives, but the bulk of the work has no resemblance.

I have never had any desire to handle the war trophies. It is a thankless task, hard work, and a continual worry. But whenever I have suggested handing the work over to some one else, both the Ministers of Militia and of the Government have asked me to carry on.

The British Government has declared that the trophies are not the property of the units nor of the Militia Department, therefore the distribution is to a large extent of a civil character, though closely connected with the Militia.

Yours truly,

A. G. DOUGHTY, *D.M.*

The Auditor General.

AUDIT OFFICE, March 3, 1920.

SIR,—I am in receipt of yours of the 16th ult., *re* the civil and military pay of Major Lanctot, in which you state that if any reduction has to be made it would not appear to be on the scale indicated in my letter, namely, $1,151.16. Please state what is your calculation of the amount of the overpayment.

COUR DES COMPTES, le 14 février 1920.

MONSIEUR,—J'ai reçu votre réponse d'hier au sujet de M. Lanctôt.

On m'apprend au ministère de la Milice et de la Défense que M. Lanctôt a retiré le traitement d'un major depuis le 1er juin 1917, mais que vous avez retiré de votre bordereau de paie seulement le traitement d'un lieutenant. Pourquoi a-t-on approuvé son salaire de civil après la date où son traitement en tant que militaire dépassait son salaire de civil? Le montant de son traitement en tant que civil reçu depuis le 1er juin 1917 est de $1,739.46. Il n'avait droit qu'à $588.30. L'excès de paiement $1,151.16 devrait être remboursé.

D'après les renseignements que renferme votre lettre, il semblerait qu'il s'occupe d'une besogne qui pourrait être considérée comme faisant partie de ses fonctions aux archives, et qu'il n'avait pas le droit de retirer aucun appointement, en tant que militaire, depuis son retour au Canada. Veuillez avoir la bonté de me dire la raison pour laquelle son traitement en tant que militaire a été continué, après sa reprise d'une besogne qui touche de si près aux fonctions des Archives où il est employé.

Je suis, monsieur, votre obéissant serviteur,

L'Archiviste fédéral. E. D. SUTHERLAND, *A.G.*

ARCHIVES PUBLIQUES, le 16 février 1920.

MONSIEUR,—En réponse à votre lettre du 14 courant, concernant les paiements faits à M. Lanctôt, j'ai l'honneur de vous dire que selon des instructions reçues au ministère de la Milice, nous avons retranché de son salaire, en tant que fonctionnaire civil, un montant équivalent au traitement d'un capitaine, à partir d'avril 1916. Il ne semble pas que nous ayions reçu d'autres communications du ministère de la Milice, et la déduction a été continuée telle que commencée. Je dois dire que son grade de major lui a été accordé lorsque j'étais absent du pays. S'il faut faire quelque réduction, elle ne me semblerait pas être d'après l'échelle indiquée dans votre lettre.

M. Lanctôt s'occupe de la distribution des trophées de guerre, et il est absolument nécessaire qu'il soit en relation avec le ministère de la Milice, vu que nous sommes en contact continuel avec les militaires, en ce qui a trait à la manutention de ces trophées et à leur transfert aux différents endroits. Pour la même raison, j'ai jugé nécessaire d'être attaché au quartier général sans traitement, vu que je ne pouvais exercer aucune direction ni diriger les opérations économiquement à moins d'avoir un grade militaire.

Il y a sans doute, certains travaux exécutés par les commis aux écritures qui peuvent ressembler à ceux accomplis aux Archives, mais le travail en général n'y ressemble aucunement.

Je n'ai jamais désiré faire la manutention des trophées de guerre. C'est une tâche ingrate, ardue et qui est la source de tracas sans fin. J'ai recommandé de passer la besogne à une autre personne, mais le ministre de la Milice et les ministres du gouvernement m'ont demandé de tenir bon.

Le gouvernement britannique a déclaré que les trophées n'appartiennent ni aux unités ni au ministère de la Milice, par conséquent leur distribution est dans une grande mesure une affaire civile, bien qu'ayant des relations étroites avec la Milice.

Bien à vous,

L'Auditeur général. A. G. DOUGHTY, *S.-M.*

BUREAU DE L'AUDITEUR, le 3 mars 1920.

MONSIEUR,—J'ai reçu la vôtre du 16 dernier, à propos des traitements civil et militaire du major Lanctôt, dans laquelle vous déclarez que s'il faut faire quelque réduction il ne semblerait pas qu'elle serait d'après l'échelle indiquée dans ma letire, à savoir $1,151.16. Veuillez déclarer combien vous calculez pour l'excès de paiement.

As to the question of Mr. Lanctot being entitled to draw any military pay since his return to Canada, that will require to be settled by the Department of Militia and Defence.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Dominion Archivist.

AUDIT OFFICE, March 9, 1920.

SIR,—In answer to your letter of the 3rd instant regarding the civil and military pay of Major Lanctot, I beg to say that in your communication of February 14 you stated that we had been deducting lieutenant's pay only, and I presumed that the amount you had arrived at was on that basis. According to our pay-lists, we have paid Major Lanctot since the 1st of June, 1917, the sum of $1,731.01, always deducting from his salary a captain's pay. I am informed by the Militia Department that a major's pay is $4 and $1 field allowance, and this would show a difference of $1,142.71. I might say that no intimation of increase of pay ever reached this department; in fact I heard of the appointment after I had left for Europe, and as it was a temporary rank, I did not know whether it carried any additional salary or not.

I have always considered that Major Lanctot should have been paid double salary in the same way that two of our other officers were paid. He offered his services in January, 1915, and again in the summer of that year, and he was prevented from leaving as his services were required here, and in fact after he did enlist he was recalled from his regiment to perform work overseas in connection with the department.

Moreover, on the 10th June, 1915, application was made to the Civil Service Commission for his promotion from Subdivision A of the Second Division to Subdivision B of the First Division, provision for which had been made in the estimates. However, owing to various reasons, but mainly on account of absence from the country, this was not carried out until December 3, 1918.

The matter is of course in your hands, and I think that, considering all the circumstances, you may be prepared to reconsider the case.

Regarding the latter part of your letter, I have made application to the Militia Department to retain Major Lanctot on the strength until such time as the distribution of war trophies is completed.

I am, sir, your obedient servant,

A. G. DOUGHTY, *D.M.*

The Auditor General.

AUDIT OFFICE, March 13, 1920.

SIR,—In reply to yours of the 9th instant in further reference to the overpayment to G. Lanctot and your suggestion that under the circumstances mentioned I might reconsider his case, I have to state that the regulations are so clear on the subject that I have no option in the matter but to call for a refund of the amount overpaid according to these regulations.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Dominion Archivist.

En ce qui concerne la question du droit qu'a M. Lanctôt de retirer son traitement militaire depuis son retour au Canada, c'est un point que le ministère de la Milice et de la Défense devra régler.

Je suis, Monsieur, votre obéissant serviteur,

L'Archiviste fédéral. E. D. SUTHERLAND, *A.G.*

BUREAU DE L'AUDITEUR, le 9 mars 1920.

MONSIEUR,—En réponse à votre lettre du 3 courant à propos des traitements civil et militaire du major Lanctôt, j'ai l'honneur de déclarer que dans votre communication du 14 février, vous avez déclaré que nous avions retranché seulement un montant équivalent à celui que retire un lieutenant, et je suppose que le montant que vous avez trouvé par votre calcul était d'après cette base. D'après nos bordereaux de paie nous avons payé au major Lanctôt, depuis le 1er juin 1917, la somme de $1,731.01, en retranchant toujours de son salaire une somme équivalente au traitement d'un capitaine. Le ministère de la Milice et de la Défense m'apprend que le traitement d'un major est de $4.00, avec une allocation de campagne de $1.00, et d'après cette base de calcul, la différence serait de $1,142.71. Je pourrais dire que les Archives n'ont jamais eu vent d'une augmentation de traitement, de fait j'ai appris la nomination après mon départ pour l'Europe, et comme c'était un grade temporaire, j'ignorais s'il impliquait un supplément de traitement ou non.

J'ai toujours considéré que le major Lanctôt aurait dû retirer double traitement comme deux de nos autres fonctionnaires. Il a offert ses services en janvier 1915, et de nouveau dans l'été de cette année, et comme il a été empêché de partir vu que nous avions besoin de ses services ici, et de fait après son enrôlement il a été rappelé de son régiment, pour accomplir une besogne outre-mer en rapport avec les Archives.

De plus, le 10 juin 1915, demande a été faite à la Commission du Service civil afin d'obtenir sa promotion de la subdivision A de la deuxième division, à la subdivision B de la 1ère division, promotion pour laquelle les crédits avaient été votés dans les prévisions budgétaires. Cependant, pour diverses raisons, mais principalement à cause de son absence du pays, il n'a pas été promu avant le 3 décembre 1918.

Naturellement, c'est vous qui pouvez décider la question et je suis d'avis qu'en tenant compte de toutes les circonstances, vous serez prêt à considérer son cas de nouveau.

En ce qui concerne la deuxième partie de votre lettre, j'ai demandé au ministère de la Milice de conserver le major Lanctôt sur son effectif jusqu'à ce que la distribution des trophées ait pris fin.

Je suis, Monsieur, votre obéissant serviteur,

L'Auditeur général. A. G. DOUGHTY, *S.-M.*

ARCHIVES PUBLIQUES, le 13 mars 1920.

MONSIEUR,—En réponse à la votre du 9 courant ayant encore trait à l'exédent de paiement fait à G. Lanctôt, et à votre recommandation que eu égard aux circonstances mentionnées, je pourrais considérer son cas de nouveau, je dois vous dire que les règlements sont tellement clairs à ce sujet, que je n'ai, dans la matière, autre alternative que de vous demander d'opérer le remboursement du montant payé en trop selon ces règlements.

Je suis, Monsieur, votre obéissant serviteur,

L'Archiviste fédéral. E. D. SUTHERLAND, *A.G.*

MEMORANDUM FOR THE AUDITOR GENERAL

From April 1, 1920, Major Lanctot will not receive any pay from the Militia Department, arrangements having been made with the Militia Department for him to receive all the facilities for carrying on the work as in the past.

A. G. DOUGHTY, *D.M.*

April 1, 1920.

AUDIT OFFICE, April 13, 1920.

SIR,—Your letter of the 13th ultimo is received.

Since the year 1916, I had charge of captured stores which had been sent to Canada from Europe by the overseas forces.

Major Lanctot, who is a member of the Archives staff, has acted as my assistant for over two years and the work could not be satisfactorily performed by any one who is not attached to the Militia Department. This work has taken up a considerable amount of time in the day time, but the majority of the work is performed in the Archives in the evening between the hours of seven and eleven-thirty. His pay as an officer was less than that of his salary in the Archives, he therefore was paid the difference. There was no difference in the nature of the work after the first of January last nor will there be any difference in the nature of the work for the next six or eight months. The Department of Militia, however, wished to demobilize all officers on the first of April, and Major Lanctot was demobilized on that date.

The Militia Department, however, has agreed to give him all the facilities necessary to carry out his work as in the past. Therefore since April 1, he is not entitled to military pay.

Yours truly,

A. G. DOUGHTY, *D.M.*

The Auditor General.

AUDIT OFFICE, January 25, 1921.

SIR,—I have to request to be informed if the overpayment of salary to G. Lanctot has been refunded as called for by my letter of March 13 last, and if not, is it your intention to collect same?

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Dominion Archivist.

ARCHIVES DEPT., January 25, 1921.

SIR,—With reference to your letter of the 25th instant, *re* salary of Gustave Lanctot, I have given the matter serious attention. As you know the over-payment was made in absolute good faith, resulting from lack of notification of his promotion by the Militia Department and the money so received has long been consumed by living expenses. Considering also that Major Lanctot was debarred by a technicality from getting the double salary privilege to which he was otherwise entitled, and that he was at the time performing valuable services overseas for which he was much underpaid, as his subsequent promotion by the reclassification clearly showed, I am of opinion that this matter should not be pressed.

Yours truly,

The Auditor General. ARTHUR G. DOUGHTY, *D.M.*

SESSIONAL PAPER No. 1

MÉMOIRE POUR L'AUDITEUR GÉNÉRAL

A compter du 1er avril 1920, le major Lanctôt ne recevra plus de solde du ministère de la Milice. Une entente a eu lieu avec le ministère de la Milice qui lui fournira toutes les facilités pour l'exécution du travail, comme par le passé.

Le 1er avril 1920. A. G. DOUGHTY, *S.-M.*

ARCHIVES PUBLIQUES, 13 avril 1920.

MONSIEUR, — J'ai reçu votre lettre du 13 du mois dernier.

Depuis l'année 1916, l'on m'a confié le soin du matériel capturé, qui a été envoyé d'Europe au Canada par les forces d'outre-mer.

Le major Lanctôt, l'un des membres du personnel des Archives, a rempli les fonctions d'adjoint depuis plus de deux ans, et le travail n'aurait pu être accompli d'une façon satisfaisante par quelqu'un qui n'aurait pas été attaché au ministère de la Milice. Une partie considérable de la journée a été employée à l'exécution du travail, toutefois la majeure partie de ce travail se fait le soir, au bureau des Archives, de sept heures à onze heures et demie. La rémunération reçue par M. Lanctôt, en qualité d'officier, était moindre que celle de ses appointements aux Archives, en conséquence on lui a payé la différence.

Quant au travail, sa nature ne différait pas après le premier janvier dernier et elle ne différera pas non plus dans les prochains six ou huit mois. Toutefois, le ministère de la Milice a voulu démobiliser tous les officiers le premier avril, et le major Lanctôt a été démobilisé à cette date.

Le ministère de la Milice a cependant convenu de lui fournir toutes les facilités nécessaires pour l'exécution de son travail comme par le passé. En conséquence le major Lanctôt n'a pas droit à la solde militaire depuis le 1er avril.

Bien à vous,

L'Auditeur général. A. G. DOUGHTY, *S.-M.*

BUREAU DE L'AUDITEUR, 25 janvier 1921.

MONSIEUR, — Je dois vous demander si M. G. Lanctôt a remboursé ce qu'il avait reçu de trop sur ses appointements, ainsi que le comportait ma lettre du 13 mars dernier, et au cas où il ne l'aurait pas fait, si c'est votre intention de percevoir le montant?

Je demeure, Monsieur,

Votre obéissant serviteur,

L'Archiviste fédéral. E. D. SUTHERLAND, *A.G.*

ARCHIVES PUBLIQUES, 25 janvier 1921.

MONSIEUR, — Relativement à votre lettre du 25 courant *re* appointements de Gustave Lanctôt, j'ai étudié la question avec le plus grand soin. Comme vous le savez le paiement a été fait avec une absolue bonne foi, parce que le ministère de la Milice n'avait pas donné avis de sa promotion, et les deniers ainsi reçus ont été depuis longtemps absorbés par les frais de subsistance. Considérant de plus que le major Lanctôt n'a pu, par suite de raisons techniques, jouir du privilège des doubles appointements, auxquels il aurait eu autrement droit, et qu'il accomplissait à l'époque un service précieux pour lequel il était rémunéré beaucoup moins qu'il aurait dû l'être, comme sa promotion subséquente, lors de la reclassification, le prouve clairement, je suis d'avis que l'on ne devrait pas insister sur ce point.

Bien à vous,

L'Auditeur général. A. G. DOUGHTY, *S.-M.*

AUDIT OFFICE, February 21, 1921.

SIR,—I am in receipt of your reply of the 25th instant asking that the matter of the overpayment to Gustave Lanctot should be allowed to stand as it was made in good faith and that he was underpaid for the services he was performing.

I do not think that either you or I have the necessary authority to remit the overpayment.

Regarding your remark "that Major Lanctot was debarred by a technicality from getting the double salary privilege to which he was otherwise entitled," it was clearly established at the time Major Lanctot began to draw military pay that only the difference between civil and military pay was to be allowed.

You continued to pay him full civil pay until your attention was drawn to the fact that he was entitled only to the difference between the two. Has that overpayment been accounted for?

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Archives Dept.

AUDIT OFFICE, February 24, 1921.

SIR,—I have received your letter of the 21st instant regarding the overpayment to Mr. Gustave Lanctot.

I have no authority, of course, to remit the overpayment, but I thought such matters were left for your decision.

We have no Minister at the moment. Could this matter be regulated by an Order in Council.

No overpayment has been collected to date.

Yours truly,

A. G. DOUGHTY, *D.M.*

The Auditor General.

AUDIT OFFICE, May 20, 1921.

SIR,—In further reference to previous correspondence concerning the overpayment of civil pay to Major Lanctot while on Military Service, I have to request before reporting the matter to the Treasury Board whether any refund has yet been made.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Archives Department.

ARCHIVES DEPARTMENT, May 21, 1921.

SIR,—With reference to your letter of the 20th instant regarding the overpayment of civil pay to Major Lanctot while on military service, I wish to say that I would like to have this matter left over until we have a Minister. I wish to make some suggestions to see whether any action can be taken to regulate the payment.

Yours truly,

A. G. DOUGHTY, *D.M.*

The Auditor General.

BUREAU DE L'AUDITEUR, 29 février 1921.

MONSIEUR, — Je reçois votre réponse du 25 courant demandant de laisser en suspens la question de l'excédent de paiement fait à Gustave Lanctôt, parce que l'on a agi de bonne foi et qu'il n'était pas assez rémunéré pour ses services.

Ni vous ni moi, je crois, nous ne possédons l'autorité nécessaire pour remettre le plus-payé.

Au sujet de votre observation " que le major Lanctôt n'a pu, par suite de raisons techniques, jouir du privilège des doubles appointements auxquels il aurait eu autrement droit ", il était clairement établi lorsque le major Lanctôt a commencé à retirer la solde militaire qu'on n'accordait que la différence entre la rémunération civile et la solde militaire.

Vous avez continué à lui payer ses pleins appointements jusqu'au moment où l'on a attiré votre attention sur le fait qu'il n'avait droit qu'à la différence entre les deux. A-t-il été rendu compte de cet excédent de paiement?

Je demeure, Monsieur,

Votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre des Archives publiques.

ARCHIVES PUBLIQUES, OTTAWA, 24 février 1921.

MONSIEUR,—J'ai reçu votre lettre du 21 courant au sujet du plus-payé fait à M. Gustave Lanctôt.

Naturellement, je ne possède pas l'autorité voulue pour remettre le plus-payé, mais j'ai pensé que vous pouviez décider de ces questions.

Nous n'avons pas de ministre dans le moment. Cette question pourrait-elle se régler au moyen d'un arrêté en conseil?

Rien n'a été recouvré jusqu'à date du plus-payé.

Bien à vous,

L'Auditeur général. A. G. DOUGHTY, *S.-M.*

BUREAU DE L'AUDITEUR, 20 mai 1921.

MONSIEUR,—Relativement à la correspondance antérieure au sujet du paiement des appointements civils fait de trop au major Lanctôt, pendant qu'il faisait du service militaire, je dois vous demander, avant de soumettre le cas au bureau du Trésor, s'il a été fait un remboursement.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre, Archives publiques.

ARCHIVES PUBLIQUES, 21 mai 1921.

MONSIEUR,—Relativement à votre lettre du 20 courant au sujet du plus-payé des appointements civils fait au major Lanctôt pendant qu'il appartenait au service militaire, je voudrais que vous laissiez la question en suspens jusqu'à ce que nous ayions un ministre. J'aimerais à faire certaines suggestions pour voir si l'on ne pourrait faire quelque chose dans le but de régulariser le paiement.

Bien à vous,

L'Auditeur général. A. G. DOUGHTY, *S.-M.*

AUDIT OFFICE, June 6, 1921.

SIR,—I would submit for the attention of the Treasury Board the following overpayments on account of Civil Government salaries made by the Archives Department to an official in that department.

Mr. Gustave Lanctot, when he enlisted, was entitled to draw that portion of his civil pay in excess of his military, but was paid full civil pay until I called the attention of the department thereto and a refund was obtained. His military pay on enlistment was $2 per day, but he was subsequently promoted to Captain and Major. He drew as Major, military pay greater than his civil and was therefore entitled to no civil pay. Instead he was paid for the balance of his service civil pay equal to the difference between his civilian and Captain's pay. I have estimated the amount of the overpayment as $1,151.16 and have requested several times that a refund be made.

I enclose herewith a copy of my last letter on the subject to the Deputy Minister and his reply.

I might also state that he is classified as Assistant Director of War Trophies and was performing the duties of that position while overseas. He returned to Canada in January, 1918, but was continued on military pay as Major for fifteen months after the war closed.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Treasury Board.

AUDIT OFFICE, January 7, 1922.

SIR,—I have to call your attention to my letter of June 6 last in reference to overpayments of salary to Messrs. Bland and Lanctot.

I have received no reply from you to these letters.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Treasury Board.

AUDIT OFFICE, December 15, 1919.

SIR,—I am in receipt of statements from the Militia and Defence Department in regard to the rates of military pay received by civil servants during their enlistment.

Among these is a statement showing that for different periods Mr. C. H. Bland drew military pay at different rates, namely $1.10, $1.15, $1.20, $1.50 and $1.80 per day. Mr. Bland was entitled as well to civil pay in excess of the amount of his military pay, but for the entire period of his military services the maximum amount deducted was $1.10 per day.

Please let me know if the statement is correct, and if so whether any adjustment has been made.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Civil Service Commission.

SESSIONAL PAPER No. 1

BUREAU DE L'AUDITEUR, 6 juin 1921.

MONSIEUR,—Je soumets à l'attention du conseil du Trésor le plus-payé suivant à comptes des appointements du gouvernement civil par la section des Archives publiques à un de ses fonctionnaires.

Lorsqu'il s'est enrôlé, M. Gustave Lanctôt avait droit de retirer la partie de ses appointements civils excédant sa solde militaire, mais on lui a payé son plein traitement civil jusqu'au moment où j'ai attiré l'attention du département sur cette question, et il en a été obtenu le remboursement. Sa solde militaire, lors de l'enrôlement, était de $2.00 par jour, mais il fut ensuite promu aux grades de capitaine et de major. A titre de major sa solde militaire était plus considérable que son traitement civil, et par conséquent il n'avait plus droit à un traitement civil. Néanmoins, il lui a été payé pendant le reste de son service un traitement civil égal à la différence entre ses appointements civils et la solde de capitaine. J'ai évalué le montant du plus-payé à $1,151.16, et j'ai plusieurs fois demandé que ce montant fût remboursé.

Je vous transmet sous pli une copie de ma dernière lettre au sous-ministre à ce sujet et sa réponse.

Je dois également dire que le fonctionnaire est classifié comme directeur adjoint des trophées de guerre, et qu'il en exerçait les fonctions pendant qu'il se trouvait outremer. Il est revenu au Canada en janvier 1918, mais continua à retirer sa solde militaire en qualité de major pendant quinze mois après la fin de la guerre.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire, conseil du Trésor.

BUREAU DE L'AUDITEUR, 7 janvier 1922.

MONSIEUR,—Je dois attirer votre attention sur ma lettre du 6 juin dernier relativement au plus payé des appointements de MM. Bland et Lanctôt.

Je n'ai reçu de vous aucune réponse à ces lettres.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire, conseil du Trésor.

COMMISSION DU SERVICE CIVIL

BUREAU DE L'AUDITEUR, 15 décembre 1919.

MONSIEUR,—Je reçois des relevés du ministère de la Milice et de la Défense au sujet des taux de solde militaire payés à des fonctionnaires civils pendant la durée de leur engagement.

Parmi ces relevés il s'en trouve un qui indique que M. C. H. Bland a retiré, pendant différentes périodes, sa solde militaire à des taux divers, savoir: $1.10, $1.15, $1.20, $1.50 et $1.80 par jour. M. Bland avait aussi droit à l'excédent de son traitement civil sur sa solde militaire, mais le montant maximum déduit, pendant la période entière de son service militaire, n'a été que de $1.10 par jour.

Veuillez me dire si le relevé est exact, et dans l'affirmative, si la chose a été rectifiée.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire, Commission du Service civil.

AUDIT OFFICE, March 13, 1920.

SIR,—I would call your attention to my letter of the 15th of December pointing out the overpayment of civil pay to Mr. C. H. Bland of your Commission while absent on military service.

No reply has been received thereto.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, January 25, 1921.

SIR,—I have to request to be informed if the overpayment of salary to Mr. C. H. Bland of your Commission has been refunded as called for by my letters of December 15, 1919, and March 13, 1920, to neither of which have I had any reply. If not, is it your intention to have the overpayment refunded.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, May 20, 1921.

SIR,—Before submitting for the attention of the Treasury Board the question of the overpayment made to Mr. C. H. Bland of civil pay while on military service, I have to request to be informed if any refund has been made as requested by me in my letters of December 15, 1919, March 13, 1920, and January 25, 1921, to none of which have I had any acknowledgement.

According to my calculations the overpayment amounted to $200.45.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, May 25, 1921.

DEAR SIR,—In reply to your letter of the 20th instant, I beg to say that no re-payments have been made by nor requested from Mr. C. H. Bland in connection with the amounts referred to in your letter. In the opinion of the Commission the following facts deserve attention:—

(1) The payments in question, which were made as far back as four years ago, were made and accepted in good faith by the Commission and Mr. Bland in the absence of any notifications to the contrary from the Department of Militia and Defence.

(2) They arose from various promotions given to Mr. Bland while serving in the ranks, the corresponding increases in pay, which were as small as five cents a day, being in the nature of subsistence and mess allowances.

Yours truly,

W. FORAN, *Secretary.*

The Auditor General.

BUREAU DE L'AUDITEUR, 13 mars 1920.

MONSIEUR,—J'attire votre attention sur ma lettre du 15 décembre dernier vous signalant le plus-payé du traitement civil à M. C. H. Bland, de votre Commission, pendant qu'il était absent en service militaire.

Il n'a pas été reçu de réponse à cette lettre.

Je demeure, Monsieur,

Votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire, Commission du Service civil.

BUREAU DE L'AUDITEUR, 25 janvier 1921.

MONSIEUR,—Je dois vous demander de m'informer si le plus payé des appointements à M. C. H. Bland, de votre Commission, a été remboursé, ainsi que demandé dans mes lettres du 15 décembre 1919 et du 17 mars 1920, à ni l'une ni l'autre desquelles je n'ai reçu de réponse. Dans la négative, est-ce votre intention de faire rembourser ce plus payé.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire, Commission du Service civil.

BUREAU DE L'AUDITEUR, 20 mai 1921.

MONSIEUR,—Avant de soumettre à l'attention du Conseil du Trésor la question du plus-payé des appointements civils de M. C. H. Bland, pendant qu'il était en service militaire, je dois vous demander de m'informer si quelque remboursement a été fait ainsi que le demandaient mes lettres du 15 décembre 1919, du 13 mars 1920 et du 25 janvier 1921. Il n'a pas été accusé réception d'aucune de ces lettres.

Selon mes calculs, le plus-payé s'élève à $200.45.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire, Commission du Service civil.

COMMISSION DU SERVICE CIVIL, 25 mai 1921.

CHER MONSIEUR, — En réponse à votre lettre du 20 courant, j'ai l'honneur de vous dire que M. C. H. Bland n'a pas fait de remboursement des montants mentionnés dans votre lettre, ni qu'on lui a demandé de le faire. La Commission est d'avis qu'il faut tenir compte des faits suivants:

(1) Les paiements en question ont été faits il y a déjà quatre ans passés. La Commission a alors fait ces paiements de bonne foi et M. Bland les a reçus de même, à défaut d'avis contraires de la part du ministère de la Milice et de la Défense.

(2) Ils provenaient des diverses promotions obtenues par M. Bland, pendant qu'il était dans les rangs, les augmentations correspondantes de sa solde, du faible montant de cinq cents par jour, étant de la nature d'allocation de subsistance et ration.

Bien à vous,

W. FORAN, *Secrétaire.*

L'Auditeur général.

AUDIT OFFICE, June 6, 1921.

SIR,—I would submit for the attention of the Treasury Board the following overpayment on account of Civil Government salary made by the Civil Service Commission to an official in that Department.

Mr. C. H. Bland of the Civil Service Commission was entitled when he enlisted to draw that portion of his civil pay which was in excess of his miltary pay. When he first enlisted his military pay was $1.10, but later was increased at different times until finally he was receiving $1.80 per day. But for the entire period of his miltary services the maximum amount deducted from his civil pay was $1.10 per day. He was therefore overpaid $200.45 according to our calculations.

I enclose herewith a copy of my last letter and the reply thereto.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Treasury Board.

AUDIT OFFICE, January 7, 1922.

SIR,—I have to call your attention to my letter of June 6th last in reference to overpayments of salary to Messrs Bland and Lanctot.

I have received no reply from you to these letters.

The Secretary, Treasury Board.

Overpayment of Civil Pay while on Military Service—Agriculture Dept.

AUDIT OFFICE, February 15, 1922.

SIR,—I enclose herewith copies of correspondence between this Office and the Department of Agriculture in regard to overpayment of salary to M. B. Bonnell of that Department while absent on military leave.

Up to November 1st, 1915, civil servants on enlistment were entitled to draw full civil pay in addition to military pay. Civil servants enlisting after that date and prior to June 1917 were entitled to be paid only that portion of their civil pay which exceeded their military pay. Mr. Bonnell enlisted after November 1915 but was paid full civil and military pay.

I should like to have the opinion of the Treasury Board on the question.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary Treasury Board.

AUDIT OFFICE, November 2 1921.

DEAR SIR,—I am in receipt of your reply of the 22nd of September, in which you state that M. B. Bonnell continued to report for duty in your Department up to December 24th, 1915. I am informed by the Militia Department that the date of his enlistment was January 19th, 1916.

BUREAU DE L'AUDITEUR, 6 juin 1921.

MONSIEUR,—Je soumets à l'attention du Conseil du Trésor le plus-payé suivant à compte des appointements du gouvernement civil par la Commission du Service civil à un de ses fonctionnaires.

Lorsqu'il s'est enrôlé, M. C. H. Bland, de la Commission du Service civil, avait droit de retirer la partie de ses appointements civils excédant sa solde militaire. Cette solde était d'abord de $1.10, mais elle fut plus tard augmentée, à différentes époques, jusqu'à ce qu'il reçut définitivement $1.80 par jour. Néanmoins, le montant maximum déduit de ses appointements civils, durant la période entière de son service militaire, n'a été que de $1.10 par jour. M. Bland a donc reçu de trop $200.45, suivant nos calculs.

Je vous transmets sous pli une copie de ma dernière lettre et de la réponse reçue.

Je demeure, Monsieur,
Votre obéissant serviteur,
E. D. SUTHERLAND, *A.G.*

Le secrétaire, Conseil du Trésor.

BUREAU DE L'AUDITEUR, 7 janvier 1922.

MONSIEUR, — Je dois attirer votre attention sur ma lettre du 6 juin dernier relativement au plus-payé des appointements de MM. Bland et Lanctôt.

Je n'ai reçu de vous aucune réponse à ces lettres.

Je demeure, Monsieur,
Votre obéissant serviteur,
E. D. SUTHERLAND, *A.G.*

Le secrétaire, Conseil du Trésor.

Excédent de paiement à un fonctionnaire civil de son traitement comme tel alors qu'il était en activité de service—Ministère de l'Agriculture

BUREAU DE L'AUDITEUR, 15 février 1922.

MONSIEUR,—Je vous transmets sous pli les copies de la correspondance échangée entre ce bureau et le ministère de l'Agriculture au sujet du plus-payé des appointements de M. B. Bonnell, pendant que ce dernier était absent du ministère, en congé militaire.

Jusqu'au 1er novembre 1915 les membres du service civil qui s'enrôlaient avaient droit de retirer leurs pleins appointements civils en sus de la solde militaire. Les fonctionnaires s'enrôlant après cette date et antérieurement à juin 1917 n'avaient droit qu'à la partie de leur rémunération civile qui excédait leur solde militaire. M. Bonnell s'est enrôlé après novembre 1915, mais on lui a payé à la fois les appointements de sa charge et la solde militaire.

J'aimerais à connaître quelle est l'opinion du conseil du Trésor à ce sujet.

Je demeure, Monsieur, votre obéissant serviteur,
E. D. SUTHERLAND, *A.G.*

Le secrétaire du conseil de la trésorerie.

BUREAU DE L'AUDITEUR, 2 novembre 1921.

MONSIEUR,—Je reçois votre réponse en date du 22 septembre dans laquelle vous dites que M. B. Bonnell a rempli ses fonctions dans le ministère jusqu'au 24 décembre 1915. Le ministère de la Milice m'informe que son enrôlement date du 19 janvier 1916.

I would call to your attention that Mr. Bonnell was paid full civil and military pay after his enlistment although by Order in Council he was entitled to receive only that portion of his civil pay which exceeded his military pay. The right of civil servants to draw both civil and military pay applied only to those who enlisted prior to November 1915.

I have to request to be informed why, in view of the above statements, Mr. Bonnell was paid in excess of the regulations.

Yours truly,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Agriculture Department.

DEPARTMENT OF AGRICULTURE, NOV. 5, 1921.

DEAR SIR,—I have your letter of the 2nd instant in regard to Mr. M. B. Bonnell and have taken up this matter with the Accountant of the Department, who advises me that leave with full pay was granted to Mr. Bonnell on October 5th, 1915, who left the Department's service, supposedly to enlist, on December 24th, 1915.

Just about that time the Accountant's office was a little disorganized, I understand, as a new Accountant had just been appointed and it was owing probably to this that Mr. Bonnell was paid full civil pay when in reality he was only entitled to leave with civil less military pay, as the Order in Council cancelling authority to grant leave with full pay had been passed between the dates upon which Mr. Bonnell was granted leave and when he left the Department's service, presumably to enlist.

Yours truly,

J. H. GRISDALE, *D.M.*

The Auditor General.

AUDIT OFFICE, November 11, 1921.

SIR,—I am in receipt of yours of the 5th instant confirming my statement that Mr. M. B. Bonnell did not enlist until after November 1st, 1915 although he obtained leave to do so prior to that date.

Under the Orders in Council governing leave for military service Mr. Bonnell was not legally entitled to receive both civil and military pay and a refund of the over-payment should be obtained.

Please let me know as soon as possible what steps are being taken to recover the amount overpaid.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Agriculture Department.

DEPARTMENT OF AGRICULTURE, February 1, 1922.

SIR,—Replying to yours of the 11th November last regarding Mr. M. B. Bonnell's civil pay while on leave for Military duty, I beg to advise you that upon receipt of your letter we communicated with the Departments of Militia & Defence and the Soldier Civil Re-establishment in order to ascertain the exact amount of Military pay

J'attire votre attention sur le fait que M. Bonnell a reçu à la fois les appointements de sa charge et la solde militaire après son enrôlement, bien que par arrêté en conseil il n'avait droit de recevoir que la partie de ses appointements civils qui excédait sa solde militaire. Le droit des fonctionnaires de recevoir à la fois les appointements de leurs charges et la solde militaire ne s'appliquait qu'aux enrôlés antérieurs à novembre 1915.

Je dois vous demander de me dire pourquoi, en présence des faits ci-dessus, M. Bonnell a été payé plus que les règlements ne le comportaient.

Bien à vous,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre, ministère de l'Agriculture.

MINISTÈRE DE L'AGRICULTURE, 5 novembre 1921.

CHER MONSIEUR,—J'ai reçu votre lettre du 2 courant au sujet de M. M. B. Bonnell, et j'ai étudié la question avec le comptable du ministère. Ce dernier m'informe qu'il a été accordé un congé avec plein salaire à M. Bonnell le 5 octobre 1915, et que M. Bonnell a quitté le ministère, avec l'intention présumée de s'enrôler, le 24 décembre 1915.

Vers ce temps là, le bureau du comptable s'est trouvé un peu désorganisé, si je comprends bien parce qu'un nouveau comptable venait d'être nommé, et c'est probablement la cause pour laquelle M. Bonnell a reçu les pleins appointements de sa charge quand en réalité il n'avait droit qu'au congé avec ses appointements moins la solde militaire, car l'arrêté en conseil annulant l'autorisation d'accorder le congé avec plein salaire avait été rendu entre les dates où M. Bonnell avait obtenu son congé et où il a quitté le service du ministère, avec l'intention présumée de s'enrôler.

Bien à vous,

J. H. GRISDALE, *S.-M.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 11novembre 1921.

MONSIEUR,—Je reçois la vôtre du 5 courant confirmant, mes dires que M. M. B. Bonnell ne s'est enrôlé qu'après le 1er novembre 1915, bien qu'il ait obtenu congé pour ce faire avant cette date.

D'après les arrêtés en conseil régissant les congés pour service militaire, M. Bonnell n'avait pas légalement le droit de recevoir à la fois ses pleins appointements de fonctionnaire et la solde militaire, et il faudrait obtenir le remboursement du plus-payé.

Veuillez me dire aussitôt que possible quelles mesures ont été prises pour recouvrir ce plus-payé.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le Sous-ministre, ministère de l'Agriculture.

MINISTÈRE DE L'AGRICULTURE, 1er février 1922.

MONSIEUR,—En réponse à la vôtre du 11 novembre dernier au sujet des appointements de M. M. B. Bonnell pendant qu'il était en congé pour service militaire, je dois vous informer qu'après avoir reçu votre lettre nous avons écrit au ministère de la Milice et de la Défense ainsi qu'au ministère du Rétablissement des Soldats dans la

actually drawn by Mr. Bonnell. This information was not forthcoming until January 16th and on January 20th our Accountant wrote Mr. Bonnell regarding this matter, as per copy of letter attached.

We have not had a formal reply to this letter but Mr. Bonnell has had several conversations with our Accountant in which he advances arguments tending to show that he may have some reasonable grounds for claiming that he should be entitled to full civil and military pay.

I am expecting a letter regarding this case shortly from Mr. Bonnell and upon its receipt will immediately communicate with you.

I am, sir, your obedient servant,

J. H. GRISDALE, *D.M.*

The Auditor General.

DEPARTMENT OF AGRICULTURE, January 20, 1922.

DEAR SIR,—The Auditor General has called our attention to the fact that apparently you were not entitled to full civil pay while on leave from this Department for Military service.

On looking into this matter I find that on October 5, 1915, you were granted permission to enlist, but did not actually leave this Department until December 24, 1915.

The right of civil servants to draw both civil and military pay, applied only to those who enlisted prior to November 1, 1915, therefore, I will have to ask you to make a refund to this Department of $1,266.20, which was the amount of military pay you drew from December 27, 1915 to September 27, 1918, which was the date on which you were discharged from the army.

If you have any arguments to advance why you should not make this refund, I would be obliged if you would communicate with me at your earliest convenience, as the Auditor is pressing for a reply to correspondence on this subject.

Yours truly,

W. A. FRASER, *Accountant.*

M. B. BONNELL, Esq.

DEPARTMENT OF AGRICULTURE, February 13, 1922.

DEAR SIR,—Further to mine of the 1st instant regarding Mr. M. B. Bonnell's pay while on leave for military duty, I beg to enclose herewith copy of a letter received from Mr. Bonnell today.

Regarding the date on which Mr. Bonnell was granted permission by the Minister of Agriculture to enlist for overseas service, I find on examining the files in this Department that the date, as stated in Mr. Bonnell's letter, viz: October 5th, 1915, is correct.

Yours truly,

J. H. GRISDALE, *D.M.*

The Auditor General.

PATENT OFFICE, February 11, 1922.

DEAR SIR,—In reply to your letter of January 20th, 1922, would request that you explain my case to the Auditor General as follows:

vie civile afin de nous assurer de la somme exacte de la solde militaire retirée par M. Bonnell. Ce renseignement ne nous a été fourni que le 16 janvier et le 20 janvier le comptable a écrit à M. Bonnell à ce sujet, selon la copie de la lettre ci-annexée.

Nous n'avons pas de réponse formelle à cette lettre, mais M. Bonnell au cours de plusieurs conversations avec notre comptable a fait des allégations tendant à démontrer qu'il peut avoir des motifs raisonnables d'invoquer son droit à ses appointements et à la solde militaire.

Je m'attends à recevoir sous peu une lettre de M. Bonnell à ce sujet, et lors de sa réception, je vous écrirai immédiatement.

Je demeure, Monsieur, votre obéissant serviteur,

J. H. GRISDALE, *S.-M.*

L'Auditeur Général.

MINISTÈRE DE L'AGRICULTURE, 20 janvier 1922.

CHER MONSIEUR,—L'Auditeur général a attiré mon attention sur le fait que vous n'aviez pas le droit de toucher le plein montant de vos appointements d'employé civil pendant la durée de votre absence de ce ministère pour faire du service militaire.

Après une étude de cette question, je constate que le 5 octobre 1915 vous avez obtenu la permission de vous enrôler, mais que de fait vous n'avez quitté ce ministère que le 24 décembre 1915.

Le droit accordé aux employés civils de toucher les appointements d'employés civils et la solde militaire en même temps ne s'appliquaient qu'à ceux qui se sont enrôlés avant le 1er novembre 1915; il me faut, en conséquence, vous demander de rembourser à ce ministère la somme de $1,266.20, montant des appointements, qu'à titre d'employé civil, vous avez touché du 27 décembre 1915 au 27 septembre 1918, date à laquelle vous avez été licencié des cadres de l'armée.

Si vous aviez des arguments à faire valoir vous dispensant de faire ce remboursements, je vous serais obligé de me les faire connaître le plus tôt possible puisque l'Auditeur général insiste sur une réponse à ses lettres à ce sujet.

Votre dévoué,

W. A. FRASER, *Comptable.*

M. B. BONNELL, Ecr.

MINISTÈRE DE L'AGRICULTURE, 13 février 1922.

CHER MONSIEUR,—Pour faire suite à la mienne du 1er écoulé au sujet du traitement de M. B. Bonnell, alors qu'il était absent en activité de service, j'ai l'honneur d'inclure dans la présente, copie d'une lettre reçue de M. Bonnell aujourd'hui.

A propos de la date à laquelle M. Bonnell a obtenu la permission du ministre de l'Agriculture de s'enrôler pour service outre-mer, je constate en examinant les archives de ce ministère, que la date, énoncée dans la lettre de M. Bonnell, à savoir: le 5 octobre 1915, est exacte.

Bien à vous,

J. H. GRISDALE, *S.-M.*

L'Auditeur général.

BUREAU DES BREVETS, 11 février 1922.

CHER MONSIEUR,—En réponse à votre lettre du 20 janvier 1922, je vous demanderais d'expliquer mon cas comme suit au vérificateur général:

During the fall of 1914 I entered an Officer's Military Training School at Ottawa attached to the 43rd infantry, signing papers to the effect that I would serve overseas when called upon so to do. I completed my course in 1914 but due to delay in the Militia Department did not receive a lieutenant's commission until November 4, 1915, when I was attached to the 43rd infantry. During this time, to expedite my enlistment in the C.E.F., I applied to the Department of Militia and Defence for a commission and was promised one in the Canadian Engineers. Expecting to receive this appointment any day, I applied on September 27, 1915, to the Department of Agriculture for leave of absence for military service, which was granted on October 5th, 1915, and due to no delay of mine but on the part of the Militia Department, I did not receive my commission until December 24, 1915.

Since my application for a commission in the C.E.F. had been made and the permission of the Minister for leave of absence on October 5, 1915, with full pay granted prior to the Order in Council of November 1, 1915, it is evident that the said Order in Council does not apply in my case.

Further my leave of absence extended until I reassumed my duties in the Patent Office on January 1st, 1921, and, therefore, instead of being the debtor of the Government to the extent of $1,266.20, the Government is my debtor to the amount of

April 1, 1919 to April 1, 1920.	$2,340
April 1, 1920 to January 1, 1921.	1,890—Total $4,230

Yours truly,

M. B. BONNELL.

The Accountant, Agriculture Department.

AUDIT OFFICE, February 15, 1922.

SIR,—I am in receipt of yours of the 13th instant enclosing a copy of Mr. Bonnell's explanations in regard to his pay while on military leave.

The Order in Council of November 1st, 1915 provides that thereafter the principle should be followed of deducting from the pay of any person so enlisting the amount of his military pay.

Mr. Bonnell remained on civil duty until December 24th, 1915, nearly two months after the Order was passed. According to the Department of Militia and Defence he did not actually enlist until January 19th, 1916. Therefore the statements in my previous letters would appear to be correct that he was not entitled to his full civil pay.

In his statement of account there are certain omissions. For the months of April and May 1919 he was paid half his civil salary. From April 1919 to the present he has been drawing pay and allowances from the Department of Soldiers' Civil Re-Establishment, the amount received up to September 30th last being $2,580. As he was returned to Canada in 1917 and was struck off strength in 1918, he thereafter received all the civil pay to which he was entitled.

I am submitting the matter to the Treasury Board with all the correspondence, for its actions in regard to the overpayment of salary.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Agriculture Dept.

A l'automne de 1914, je suis entré à l'école d'entraînement militaire des officiers, à Ottawa, comme attaché au 43e d'infanterie, j'ai signé des papiers attestant que je servirais outre-mer lorsqu'on me demanderais de le faire. J'ai terminé mon cours en 1914, mais, à cause de certains délais, au ministère de la Milice, je n'ai pas reçu de brevet de lieutenant avant le 4 novembre 1915, alors qu'on m'a placé au 43e d'infanterie. Pendant ce temps, pour hâter mon enrôlement dans le corps expéditionnaire, j'ai demandé un brevet au ministère de la Milice et de la Défense qui m'en a promis un dans les ingénieurs canadiens. Comptant recevoir cette nomination d'un jour à l'autre, j'ai demandé un permis d'absence pour service militaire au ministère de l'Agriculture, le 27 septembre 1915. On me l'a accordé le 5 octobre 1915 et à cause d'un retard du ministère de la Milice, retard dont je n'étais pas responsable, je n'ai pas reçu mon brevet avant le 24 décembre 1915.

Vu que ma demande d'un brevet dans le corps expéditionnaire a été faite antérieurement à l'ordre en conseil du 1er novembre 1915 et que j'ai obtenu mon congé du ministre le 5 octobre 1915, avec traitement complet, il est évident que ledit ordre en conseil ne s'applique pas dans mon cas.

En outre, mon congé s'est prolongé jusqu'à ce que je reprenne mes fonctions au bureau des brevets, le 1er janvier 1921, et par conséquent, au lieu que je doive au gouvernement la somme de $1,266.20, le gouvernement me doit

Du 1er avril 1919 au 1er avril 1920..	$2,340
Du 1er avril 1920 au 1er janvier 1921..	1,890—Total, $4,230

Votre tout dévoué,

M. B. BONNELL.

Le comptable, ministère de l'Agriculture.

Bureau de l'Auditeur, 15 février 1922.

Monsieur,—J'ai reçu votre lettre du 13 du courant portant sous son pli la copie des explications données par M. Bonnell au sujet de la solde qu'il a touchée pendant son congé militaire.

L'arrêté du conseil du 1er novembre 1915 stipule qu'à l'avenir on devra s'en tenir au principe de déduire de la solde de toute personne ainsi enrôlée le montant de sa solde militaire.

M. Bonnell est resté en devoir civil jusqu'au 24 décembre 1915, soit près de deux mois après l'adoption de cet arrêté du conseil. D'après les explications données au ministère de la Milice et de la Défense, il ne s'est enrôlé que le 19 janvier 1916. Par conséquent, les déclarations que j'ai faites dans mes lettres antérieures semblent être exactes, savoir qu'il n'avait pas droit à la somme complète de sa solde civile.

Il existe certaines omissions dans son état de comptes. Pour les mois d'avril et mai, on lui a payé la moitié de son traitement civil. A compter du mois d'avril à l'heure actuelle, il a touché du ministère du Rétablissement des Soldats la solde et les allocations régulières, recevant en tout, jusqu'au 30 septembre dernier, la somme de $2,580. Comme il fut rapatrié en 1917 et biffé des listes actives en 1918, il a, en conséquence, reçu toute la solde civile à laquelle il avait droit.

Je soumets la chose au bureau de la trésorerie, ainsi que toute la correspondance échangée à ce sujet; ce bureau aura à se prononcer quant à l'excédent de solde payé.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre, ministère de l'Agriculture.

CIVIL SERVICE CORRESPONDENCE

Payment of Travelling or Removal Expenses of Persons on their Appointment to the Service

AUDIT OFFICE, December 23, 1921.

SIR,—Referring to an Order in Council, P.C. 4663, dated December 22, 1921, authorizing a payment of $183.50 to Mr. Alfred Belley, private secretary to the Postmaster General to reimburse him for removal expenses from Cluny, Alberta, to assume the duties of private secretary at Ottawa, no doubt you are aware that expenses of this nature are not paid in the case of appointments.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, December 29, 1921.

SIR,—I beg to acknowledge the receipt of your letter of the 23rd instant, referring to Order in Council P.C. 4663, dated December 22, 1921, authorizing a payment of $183.50 to Mr. Alfred Belley, Private Secretary to the Postmaster General, to reimburse him for removal expenses from Cluny, Alberta, to assume the duties of Private Secretary at Ottawa, in which you state that no doubt I am aware that expenses of this nature are not paid in the case of appointments.

In reply permit me to say that I have no knowledge, and there does not appear to be any record in the Department, of such a ruling. The fact that the Government passed the necessary Order in Council authorizing the payment of the amount in question to Mr. Belley is in itself sufficient authority for me. I do not feel that I should question the Government's authority and naturally expected that no objection would be raised to the payment of the amount in question.

I may say that a similar charge was made by Major Theo Paquet who was Private Secretary to the Postmaster General prior to Mr. Belley's appointment, for travelling expenses from Quebec to Ottawa, and no objection appears to have been made in his case. While the amount is very much smaller in the case of Major Paquet, the principle is the same in both cases.

Yours truly,

R. M. COULTER, *D.P.G.*

The Auditor General.

AUDIT OFFICE, January 21, 1922.

SIR,—I have to acknowledge receipt of your reply of the 29th ultimo in reference to the travelling expenses of Mr. Alfred Belley. You refer to this expenditure as "removal expenses" and if the Order in Council, P.C. 4663, is to be interpreted in this way I would call your attention to the Order in Council of September 8, 1871, which directs "that no removal allowances be granted except on report of the Treasury Board." I do not find that the Treasury Board made any report on this case.

SESSIONAL PAPER No. 1

CORRESPONDANCE: SERVICE CIVIL

Paiement des frais de déplacement ou de déménagement des personnes nommées à des positions dans le service civil

BUREAU DE L'AUDITEUR, le 23 décembre 1921.

MONSIEUR,—Relativement au décret du Conseil, C.P. 4663, du 22 décembre 1921 autorisant le paiement d'une somme de $183.50 à M. Alfred Belley, secrétaire particulier du ministre des Postes, en compensation de ses frais de déménagement de Cluny, Alberta, pour venir remplir les fonctions de secrétaire particulier à Ottawa, vous n'ignorez pas, sans doute, que les dépenses de ce genre ne sont pas remboursées.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A. G.*

Le sous-ministre des Postes, Ottawa.

MINISTÈRE DES POSTES, le 29 décembre 1921.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 23 courant relativement au décret du Conseil, C.P. 4663, daté du 22 décembre 1921, autorisant le paiement de la somme de $183.50 à M. Alfred Belley, secrétaire particulier du ministre des Postes en compensation de ses frais de déménagement de Cluny, Alberta, pour venir remplir les fonctions de secrétaire particulier à Ottawa, dans laquelle vous dites que je ne dois pas ignorer que les dépenses de cette nature ne sont pas remboursées quand il s'agit de nominations dans le service.

Permettez-moi de vous répondre qu'il n'y existe aucun règlement de ce genre, autant que je sache, et qu'il ne semble pas en avoir existé à la connaissance du ministère. Le fait que le gouvernement a décrété l'arrêté en Conseil nécessaire autorisant le paiement du montant en question à M. Belley constitue pour moi une autorité suffisante. Je ne crois pas devoir mettre en doute l'autorité du gouvernement et je ne m'attendais pas, naturellement, à voir des objections soulevées contre le paiement du montant en question.

Je pourrais ajouter qu'une demande semblable a été faite par le major Théo. Paquet, qui était secrétaire particulier du ministre des Postes avant la nomination de M. Belley, pour frais de déplacement de Québec à Ottawa, et il semblerait qu'il n'y a pas eu d'objection dans son cas. Bien que le montant soit beaucoup moins élevé dans le cas du major Paquet le principe est le même dans les deux cas.

Bien à vous,

R. M. COULTER, *S.-M. P.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 21 janvier 1922.

MONSIEUR,—Je dois accuser réception de votre réponse du 29 dernier relativement aux frais de voyage de M. Alfred Belley. Vous parlez de ces déboursés comme "frais de déménagement" et si le décret du Conseil, C.P. 4663, doit être interprété de cette façon j'attirerais votre attention sur le décret du Conseil du 8 septembre 1871 qui ordonne "qu'aucune allocation ne sera accordée pour frais de déménagement excepté sur la présentation d'un rapport de la Trésorerie". Je constate qu'il n'y existe pas de rapport de la Trésorerie relativement au cas susdit.

If the Order in Council is to be interpreted as covering travelling expenses in the ordinary meaning of these words I would point out that while there may be no definite ruling forbidding the payment of such to employees on accepting appointment in the service yet it has been the established practice not to do so. A person travelling to accept a position cannot be considered as "travelling on government business" in the same sense as an official who is sent from his headquarters to perform work elsewhere.

The regulations governing travelling expenses have been passed on the recommendation of the Treasury Board. Where, as in the present case, a departure is made from the established practice, I consider that the sanction of the Treasury Board should be obtained. To allow payment of such expenses to Mr. Belley will establish a precedent for the payment of similar travelling expenses of all persons appointed to government positions throughout Canada.

In the case of Major Paquet, the circumstances, I am informed, were different to this extent that after his appointment and before coming to Ottawa he was performing the duties of private secretary to his Minister who was then at Quebec. His claim for living expenses at Ottawa was disallowed. If my information is incorrect his expenses in coming to Ottawa should not have been paid.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Postmaster General.

Parliamentary Provision Required for Salaries of Private Secretaries

AUDIT OFFICE, October 12, 1921.

SIR,—I am in receipt of your supplementary pay list covering the salary of L. P. Mercure who was appointed by the Secretary of State as his private secretary with a salary of $3,500, as determined by Order in Council of the 6th instant.

Section 49 of the Civil Service Act grants authority for such appointment but subsection 2 thereof explicitly states that "no salary shall be payable to any private secretary unless the amount has been voted by Parliament." I do not find that any provision was made by Parliament for the payment of this salary. Provision was made for two secretary clerks, both of which positions are still occupied and which, even if vacated, could not be filled now by an appointment under section 49.

I would also call to your attention the Treasury Board Minute, as approved by Council on June 21, 1909, which provides that all changes in the organization of a department must be in accordance with the organization submitted to Parliament in the details of the estimates.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Under-Secretary of State.

JUSTICE DEPT., October 31, 1921.

SIR,—I have the honour to reply to your letter of the 25th instant in reference to a question whether there is authority for the payment of salary to Mr. L. P. Mercure who, by Order in Council dated October 6, 1921 (P.C. 3724), was appointed private secretary to the Honourable the Secretary of State at a salary of $3,500 a year.

Si le décret du Conseil doit être interprété de façon à couvrir les frais de voyage dans le sens ordinaire de ces mots je vous ferai remarquer, bien qu'il n'y ait aucun règlement particulier qui en défende le paiement aux employés qui acceptent une position dans le service civil, que la coutume établie a toujours été de ne pas le faire. Une personne qui fait un voyage pour venir accepter une position ne peut être censée "voyager par affaires pour le gouvernement" dans le même sens qu'un fonctionnaire qui est envoyé de son bureau pour exécuter un travail ailleurs.

Les règlements régissant les frais de voyage ont été adoptés sur la recommandation de la Trésorerie. Lorsque, comme dans le présent cas, on fait exception à la règle établie, je considère qu'il est nécessaire d'obtenir l'approbation de la Trésorerie. Permettre le paiement de frais de ce genre à M. Belley aurait l'effet d'établir un précédent pour le paiement de dépenses semblables à toutes les personnes nommées à des positions du gouvernement dans tout le Canada.

Dans le cas du major Paquet, suis-je informé, les circonstances étaient différentes en ce sens qu'après sa nomination, et avant de venir à Ottawa, il remplissait les fonctions de secrétaire particulier auprès du ministre qui était à Québec. Sa réclamation pour frais d'entretien avait été rejetée. Si mes renseignements sont erronés ses dépenses pour venir à Ottawa n'auraient pas dû être remboursées.

Je demeure, Monsieur,

Votre obéissant serviteur,

Le sous-ministre des Postes. E. D. SUTHERLAND, *A .G.*

Nécessité d'un crédit voté par le Parlement pour le paiement des traitements des secrétaires particuliers

BUREAU DE L'AUDITEUR GÉNÉRAL, le 12 octobre 1921.

MONSIEUR,—J'accuse réception de votre liste de paie supplémentaire contenant le traitement de L. P. Mercure qui a été nommé par le secrétaire d'Etat comme son secrétaire particulier avec un traitement de $3,500 par année, tel que déterminé par un décret du Conseil du 6 courant.

L'article 49 de la Loi du Service civil confère l'autorité voulue pour faire ces nominations mais l'alinéa 2 dudit article établit explicitement qu'"aucun traitement ne sera payable à un secrétaire particulier quelconque à moins que le montant n'ait été voté par le Parlement".

Je ne vois pas qu'aucun crédit ait été voté par le Parlement pour le paiement de ce traitement. Des crédits ont été votés pour deux commis secrétaires dont les deux positions sont encore remplies et qui, même si elles devenaient vacantes, ne pourraient pas être remplies maintenant par voie de nomination en vertu de l'article 49.

J'attirerais aussi votre attention sur le fait que les minutes de la Trésorerie, telles qu'approuvées par le Conseil le 21 juin 1919, stipulent que tous changements dans l'organisation d'un ministère doivent s'effectuer conformément à l'organisation soumise au Parlement dans les détails des estimations.

Je demeure, Monsieur, votre obéissant serviteur,

Le sous-secrétaire d'Etat. WM KEARNS. *A.G. adj.*

MINISTÈRE DE LA JUSTICE, le 31 octobre 1921.

MONSIEUR,—J'ai l'honneur de répondre à votre lettre du 25 courant relativement à la question de savoir quelle autorité existe pour le paiement du traitement de M. L. P. Mercure qui, par un décret du Conseil, du 6 octobre 1921 (C.P. 3724), a été nommé secrétaire particulier de l'honorable secrétaire d'Etat, avec un traitement de $3,500 par année.

I agree with your Department that the appointment was made under the authority of section 49 of the Civil Service Act, 1918, as amended, but Mercure did not thereupon become eligible to be classified in the class of "Secretary-Clerk." As the definition of the class, in terms, indicates, this class was specially established to provide for the absorption in a permanent position, under the new classification, of Private Secretaries who held permanent clerkships in the Civil Service under the old classification, which was superseded by the new one on November 10, 1919. There is no class provided under the new classification for a person not in the Civil Service, who is appointed by a Minister of the Crown to be his private secretary subsequent to November 10, 1919, as the authority of the Civil Service Commission in regard to classifying positions in the Civil Service cannot, consistently with the terms of said section 49, be held to extend to the position of a private secretary to a minister or other member of the Government as such.

The only question really presented is, whether, in view of the provisions of subsection 2 of said section 49, that "No salary shall be payable to any private secretary unless the amount has been voted by Parliament," Mr. Mercure's salary may legally be paid. It is stated that the appropriation to cover the salaries of your Department for the current fiscal year included amounts described in your departmental estimates as follows:—

"2 Secretary-Clerks (Private Secretaries) 1 at $3,180; 1 at $2,460."

The description in the estimates is not in itself sufficient to ear-mark the amounts voted by Parliament for payment to the two secretary-clerks respectively and to no others, and, therefore, I am of the opinion that, if there be a vacancy in either of these positions, the unexpended portion of the moneys voted to cover the payment of the salary provided for the position now vacant, is legally available for the payment of Mr. Mercure's salary to the extent of the amount so voted.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J.*

The Under-Secretary of State.

Separation Allowance Included in Determining Salary of Permanent Civil Employee

AUDIT OFFICE, November 9, 1921.

SIR,—Mr. N. Loring of your department was "blanketed in" on April 1, 1921, as a permanent employee. I find that the salary to which you claim he was entitled included an amount of $600 which was paid to his wife as separation allowance. There is no provision in the Civil Service regulations for including such an allowance in computing his salary and your pay list has accordingly been amended. The necessary adjustment will require to be made from April 1, 1921. Had my attention been called to this when the original pay list for Mr. Loring as a permanent employee was submitted objection would have been taken. Please let me know if in any other cases you have included the separation allowance in determining the salaries at which the employees have been "blanketed in" and if so please furnish me with the names.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Militia and Defence.

Je suis d'accord avec votre ministère qui prétend que la nomination a été faite sous l'autorité de l'article 49 de la Loi du Service civil, 1918, telle que modifiée, mais Mercure ne devenait pas par le fait éligible à être inscrit dans la classe de "Secrétaire-commis." Comme la définition de la classe, d'après ses termes, l'indique, cette classe a été spécialement établie afin de pourvoir à l'absorption à des positions permanentes, sous le régime de la nouvelle classification, des secrétaires particuliers qui remplissaient des positions de commis dans le Service civil sous l'ancienne classification, laquelle a été remplacée par la nouvelle le 10 novembre 1919. Il n'est pas établi de classe sous le régime de la nouvelle classification pour une personne qui n'est pas dans le Service civil et qui a été nommée par un ministre de la Couronne comme son secrétaire particulier depuis le 10 novembre 1919, vu que l'autorité de la Commission du Service civil relativement à la classification des positions dans le Service civil ne peut pas, en conformité des termes dudit article 49, être interprétée comme s'étendant à la position de secrétaire particulier d'un ministre ou de tout autre membre du gouvernement comme tel.

La seule question qui se présente réellement est celle de savoir si, en vue des dispositions de l'alinéa 2 dudit article 49: "aucun traitement ne sera payable à un secrétaire particulier quelconque à moins que le montant n'ait été voté par le Parlement", le traitement de M. Mercure peut être légalement payé. Il est mentionné que le crédit pour couvrir les traitements dans votre ministère pour l'exercice courant comprend les montants désignés dans vos estimations comme suit:

"2 secrétaires-commis (secrétaires particuliers) 1 à $3,180; 1 à $2,460."

La description dans les estimations n'est pas suffisante en elle-même pour obliger à payer les sommes votées par le Parlement aux deux secrétaires-commis respectivement et non pas à d'autres, et par conséquent, c'est mon opinion que si une vacance survient dans l'une ou l'autre de ces positions, la partie non utilisée des sommes votées pour couvrir le paiement du traitement prévu pour la position maintenant vacante, est légalement disponible pour le paiement du traitement de M. Mercure jusqu'à concurrence du montant ainsi voté.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. de la J.*

Le Sous-Secrétaire d'Etat.

Allocation de séparation incluse en déterminant le traitement d'un employé civil nommé permanent

BUREAU DE L'AUDITEUR GÉNÉRAL le 9 novembre 1921.

MONSIEUR,—M. N. Loring, un employé dans votre ministère, a été "absorbé" le 1er avril 1919, à titre d'employé permanent. Je constate que le traitement auquel vous prétendez qu'il avait droit comprend une somme de $600 qui était payée à sa femme comme allocation de séparation. Il n'existe aucune disposition dans les règlements du Service civil en vue d'inclure cette allocation en calculant son traitement et votre liste de paie a été en conséquence modifiée. L'ajustement nécessaire devra être effectué à partir du 1er avril 1921. Si on avait attiré mon attention sur ce point lorsque la liste de paie originale comprenant le nom de M. Loring comme employé permanent a été soumise j'aurais exprimé mon objection.

Veuillez donc me dire si vous avez inclus l'allocation de séparation dans d'autres cas en déterminant le traitement auquel les employés ont été "absorbés" et dans l'affirmative veuillez avoir la bonté de m'en fournir les noms.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de la Milice et de la Défense.

[H.Q.C. 650-L-252]

DEPARTMENT MILITIA AND DEFENCE, November, 18, 1921.

SIR,—Your letter of November 9 received, in regard to the rate at which Major N. Loring was "blanketed in" as a permanent civil employee of this department.

There is no provision whatever in the Civil Service regulations dealing with the treatment as regards salary of military employees transferred to the Civil Service. It, therefore, became necessary to deal with them according to the regulations laid down for civil employees and, upon the matter being referred to the Civil Service Commission, it was ruled that they should receive the same treatment as temporary civil employees receiving permanent appointment. Separation allowances were, without exception, paid in respect to all married members of the Canadian Military Forces who served during the late war, irrespective of where they served or whether or not they were separated from their families. All those married military employees of this department who were appointed to the civil service were, and had been for some time, living with their families when they were "blanketed in" to the Civil Service and the separation allowance paid in respect of their military service was, therefore, rightly considered as a part of the income of the household and hence a part of their remuneration. It is submitted that a grave injustice would be done these employees if, upon their becoming civil servants, their salaries suffered a deduction of an amount equivalent to the separation allowance paid on their behalf during their military service; especially as their duties after being appointed to the Civil Service were identical to their duties prior to appointment.

The other military employees of this department who would be affected by such a deduction are as follows:—

(List of seventeen given.)

I am, sir, your obedient servant,

H. W. BROWN, *Acting D.M.*

The Auditor General.

AUDIT OFFICE, November 23, 1921.

SIR,—I am in receipt of yours of the 18th instant in which you claim that the separation allowance paid to certain militia officers now made permanent members of the civil service was rightly considered as a part of the income of the household and hence a part of their remuneration and should be included in fixing the civil rate at which they should be paid. I am strongly of the opinion that the claim to include separation allowances in thus determining the salary should not be allowed. Under the Order in Council of 16th December, 1920 P.C. 2958, the words used in referring to salaries are "rates of pay." Separation allowances cannot be considered as "rates of pay," and in none of the Orders in Council dealing with such allowances are they referred to as "rates of pay," the latter being authorized by separate and distinct orders. The cost of living bonus can also be claimed "as a part of the income of the household and hence a part of their remuneration," but it is disallowed in determining the "rates of pay." As both were provisions to meet special and temporary conditions I can find no reason why one should be included and the other disallowed.

I would also point out that in the classification of the salaries of the Civil Service no distinction is made between married and single employees. To allow separation allowances to be included would result in discrimination, because the single officer is not entitled to such allowance and yet he may be performing the same or superior

[C.G.C 650-L-252]

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE, 18 novembre 1921.

MONSIEUR,—J'ai reçu votre lettre du 9 novembre concernant le traitement auquel le major N. Loring a été admis fonctionnaire permanent de ce ministère.

Il n'y a aucune disposition, dans les règlements relatifs aux fonctionnaires, où il soit question du traitement des employés militaires transférés dans l'administration civile. Il a donc fallu les traiter suivant les règlements établis pour les fonctionnaires civils; et, lorsque la question a été soumise à la Commission du Service civil, celle-ci a décidé qu'ils devaient être traités comme des fonctionnaires temporaires qui reçoivent une nomination permanente.

On payait des indemnités d'absence à tous les membres mariés de l'armée canadienne qui avaient servi n'importe où pendant la dernière guerre, sans exception, qu'ils fussent séparés ou non de leur famille. Tous ces employés militaires, mariés, du ministère, qui ont été nommés fonctionnaires civils vivaient depuis un certain temps avec leur famille, lorsqu'on les a fait passer dans l'administration civile, et l'indemnité d'absence payée à cause de leur service militaire était considérée à bon droit comme une partie du revenu de la maison et par conséquent une partie de leur rémunération. Nous croyons que ces employés subiraient une grave injustice si, en devenant fonctionnaires civils, ils voyaient réduire leurs appointements d'un montant équivalent à l'indemnité d'absence qui leur était versée pendant leur service militaire, surtout vu que leurs fonctions restent les mêmes qu'avant leur nomination.

Les autres employés militaires de ce ministère qui seraient affectés par une telle déduction sont les suivants:

(Liste de 17 employés).

Je suis, Monsieur, votre obéissant serviteur,

H. W. BROWN, *sous-ministre suppléant.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, 23 novembre 1921.

MONSIEUR,—J'ai reçu votre lettre du 18 courant dans laquelle vous prétendez que l'indemnité d'absence versée à certains officiers de la milice devenus membres permanents de l'administration civile était à bon droit considérée comme partie du revenu de la maison, par conséquent, partie de leur rémunération, et devrait être incluse dans leur traitement. Je suis sérieusement d'avis que les indemnités d'absence ne devraient pas être incluses dans le traitement. Dans l'arrêté en Conseil du 16 décembre 1920, C.P. 2958, les mots dont on se sert pour désigner les appointements sont "échelles de traitements". L'indemnité d'absence ne peut pas être considérée comme un traitement et dans aucun des ordres en Conseil où il est question de ces indemnités on ne les nomme "traitements". Les traitements sont autorisés par des ordres distincts. La gratification de vie chère fait aussi "partie du revenu de la maison et, par conséquent, partie de la rémunération" mais on n'en tient pas compte en déterminant le traitement. Comme les deux étaient des prestations destinées permettre de faire face à des circonstances particulières et temporaires, je ne vois pas pourquoi l'une devrait être incluse et l'autre mise de côté.

Je ferai aussi remarquer que, dans la classification des traitements de l'administration publique, on ne fait pas de distinction entre les employés mariés et les célibataires. Permettre d'inclure les indemnités d'absence, cela aurait pour effet d'établir une différence injuste, parce que l'officier célibataire n'a pas droit à cette indemnité et peut cependant remplir des fonctions égales ou supérieures à celles de l'officier marié.

duties to the married officer. It was a matter of doubt on my part whether these employees who were drawing military rates of pay and who had not been demobilized were eligible at all to be "blanketed in," but after some correspondence I consented to treat them as eligible.

I would suggest that you submit the question to the Deputy Minister of Justice for his opinion. As it is advisable that no further payments be made to officers of salaries based on rates of pay and separation allowances, it is advisable that an opinion be obtained prior to the 15th of December.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Militia and Defence.

NOTE.—After a reference to the Civil Service Commission the application for the inclusion of these allowances was dropped by the Department.

Temporary Employees Interior Department Treated as Permanent

AUDIT OFFICE, October 25, 1921.

SIR,—I am in receipt of your paylist covering the salaries of those employees of your department who have been given permanent status under the general Order in Council of December 16, 1920.

These employees were fitted into the new classification as from April 1, 1919, and were treated as permanent employees, being granted increases of salary on April 1, 1920. As they were never appointed permanently and are not covered by the recent amendment to the Dominion Lands Act, I can find no authority which would justify their being treated differently from other temporary employees who were similarly reclassified on April 1, 1919, and "blanketed in" on April 1, 1921, at the same salaries.

I shall await your reply before making any changes in the salaries of those affected in this way.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Interior Department.

DEPARTMENT OF THE INTERIOR, October 28, 1921.

SIR,—I beg to acknowledge the receipt of your letter of the 25th instant relating to a number of employees who were "blanketed in" recently and who were granted increases in salary on the 1st April, 1920. I understand that the officials referred to in this letter are the technical employees of the Astronomical Observatory, Boundary Surveys and Geodetic Survey of Canada, and I beg to submit the following information concerning the same.

The officials herein referred to have always been looked upon as permanents of the outside service, the employment in some cases dating as far back as 1905. They have always enjoyed the same privileges, regarding holiday leave and sick leave, that were conferred upon the members of the permanent staff, and I may add that in 1908 those who were in the service at that time were not brought in the inside service because it was Dr. W. F. King's wish that they be considered as the *technical outside service field staff*. Such was the view of the department when the classification was put into effect, and the adjustments of salaries were made accordingly, the result being that increases were granted in accordance with the Order in Council of the 8th June, 1920 (P.C. 1311). Later on it developed that technically there might be a doubt as

J'ai eu des doutes quant à savoir si ces employés qui retirent des soldes militaires et qui n'ont pas été démobilisés avaient droit d'être admis dans l'administration civile, mais, après un échange de lettres, j'ai consenti à les traiter comme admissibles.

Je suggérerais que vous soumettiez la question au sous-ministre de la Justice. Comme il est à propos de ne rien payer de nouveau aux fonctionnaires dont le traitement est basé sur l'échelle des appointements et les indemnités d'absence, il est important que vous obteniez une opinion avant le 15 décembre.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A. G.*

Le sous-ministre, Milice et Défense.

NOTE.—Après avoir consulté la Commission du Service civil, le ministère a abandonné sa demande d'inclure ces indemnités dans le traitement.

Fonctionnaires temporaires, ministère de l'Intérieur, considérés comme permanents

BUREAU DE L'AUDITEUR, 25 octobre 1921.

MONSIEUR,—J'ai reçu votre bordereau de paye relatif aux fonctionnaires de votre ministère qui ont été nommés permanents par l'ordre en Conseil du 16 décembre 1920.

Ces fonctionnaires ont été classés d'après la nouvelle classification, qui date du 1er avril 1919, et ont été traités comme permanents. On leur a accordé des augmentations de traitements le 1er avril 1920. Comme on ne les a jamais nommés permanents et que le récent amendement de la Loi des terres fédérales ne les concerne pas, je ne trouve aucune autorisation qui permette de les traiter autrement que les autres fonctionnaires temporaires qui ont aussi été reclassifiés le 1er avril 1919 et admis à la permanence le 1er avril 1921, aux même traitements.

J'attendrai votre réponse avant de faire des changements dans les traitements des fonctionnaires concernés.

Je suis, Monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous- ministre, ministère de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, 28 octobre 1921.

MONSIEUR,—J'accuse réception de votre lettre du 25 courant touchant un certain nombre d'employés qui, admis à la permanence récemment, ont reçu des augmentations de traitements le 1er avril 1920. Je comprends que les fonctionnaires dont il est question dans cette lettre sont les employés techniques de l'observatoire astronomique, de la Commission des Levés de frontières et de la Commission géodésique du Canada, et je désire soumettre les renseignements suivants à leur sujet.

Les fonctionnaires concernés ont toujours été considérés comme employés permanents du service extérieur. Les dates de leur entrée en service remontent jusqu'à 1905. Ils ont toujours joui des mêmes privilèges que les permanents, par exemple, pour les vacances et les congés de maladie, et je puis ajouter qu'en 1908 ceux qui étaient dans le service à cette époque n'ont pas été placés dans le service intérieur parce que le docteur W. F. King voulait qu'ils soient considérés comme le personnel de campagne du service technique extérieur. Telle était l'opinion du ministère lorsque la classification a été mise en vigueur, et les rajustements de traitements se sont faits en conséquence. Résultat, les augmentations ont été accordées d'après l'ordre en Conseil du 8 juin 1920, C.P. 1311. Plus tard, on trouva que, en loi, on pouvait avoir

to the status of these officers and, as they could not come under the Dominion Lands Act, they were included in the "blanketing in" list at the *salaries they were receiving on the 31st March, 1921,* while the purport of your letter is to the effect that they should have been "blanketed in" at the minimum salary of their respective classes.

I am further to add that the salaries of these employees were adjusted in accordance with the general rule applying to permanent officials, the same being done in good faith and the cheques for back pay accepted as such. In view, therefore, of the fact that, for the most part, these clerks had been employed for a long time in the department in an established capacity without any question being raised as to their status, I am to request that they be allowed to receive the salaries mentioned in the "blanketing in" Orders in Council recently passed, and that the paylist relating to their cases be put through accordingly.

Yours truly,

W. W. CORY, *D.M.*

The Auditor General.

AUDIT OFFICE, October 31, 1921.

SIR,—I am in receipt of yours of the 28th instant, in reference to the salaries payable to certain officials of your Department who are being made permanent from 1st April, 1921.

I am aware of no provision in the regulations of the Civil Service Commission or in the Civil Service Act which would make it legal to adjust and pay the salaries of these employees as having a permanent status prior to 1st April, 1921. It required a special Act of Parliament to confirm the appointments made by you under the Dominion Lands Act, but these are not covered by any similar legislation. The fact that they are being "blanketed in" as from 1st April, 1921 is *"prima facie"* evidence that their previous status was not permanent. I find that while these employees enjoyed the same leave as permanent employees they were not limited as the latter were in regard to ranges of salary and amounts of increase and that some of them enjoyed increases of salary that a permanent employee was denied.

For the above reasons I have found it necessary to amend your paylist in all those cases where the salaries claimed are greater than those to which the employees were legally entitled on April 1, 1921, the adjustment being made on the basis of the salaries legally payable on April 1, 1919.

As Miss A. M. Lyons was not appointed to your Department until after November 10th, 1919, she is not eligible to be made permanent under the Order in Council of December 16, 1919, P.C. 2958, and her name has been struck off the pay-list.

The amount claimed for Mrs. Sabourin has been deducted as it is considered that the provision in the classification for housekeeper applies only to a group of employees fed and housed by the Government. The employees at the Geodetic Survey do not come within that class.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Interior Department.

Payments for Overtime Services

AUDIT OFFICE, January 30, 1922.

SIR,—In the examination of the accounts in support of your expenditure during the fiscal year 1920-21, I find that several payments of $25 each were made by you to Mr. A. N. Payne for examining and reporting on specimen of handwriting.

un doute sur le statut de ces fonctionnaires, et comme ils ne pouvaient pas être régis par la Loi des terres fédérales, on les a inclus dans la liste des admissions à la permanence au traitement qu'ils avaient le 31 mars 1921. Mais votre lettre exprime l'avis qu'ils devraient être admis au traitement minimum de leur classe respective.

Je dois aussi ajouter que les traitements de ces fonctionnaires ont été ajustés suivant la règle générale applicable aux fonctionnaires permanents, et cela, en toute bonne foi, et que les chèques d'arrérage de paye ont été acceptés de cette façon. Par conséquent, vu que ces commis sont depuis longtemps, pour la plupart, fonctionnaires du ministère à un titre reconnu, et qu'aucun doute n'a été exprimé au sujet de leur statut, je viens vous demander de leur permettre de recevoir les traitements mentionnés dans les ordres en Conseil d'admission à la permanence récemment adoptés, et que le bordereau de paye les concernant soit accepté en conséquence.

Votre tout dévoué,

L'Auditeur général.

BUREAU DE L'AUDITEUR, 31 octobre 1921.

MONSIEUR, — J'ai reçu la vôtre du 28 courant concernant les traitements payables à certains fonctionnaires de votre ministère devenus permanents au 1er avril 1921.

Je ne connais aucune disposition dans les règlements de la Commission du Service civil ou dans la Loi du service civil qui permettent d'ajuster et de payer les traitements de ces employés comme s'ils avaient été permanents avant le 1er avril 1921. Il a fallu un acte spécial du Parlement pour confirmer les nominations que vous avez faites en vertu de la Loi des terres fédérales, mais ces fonctionnaires ne ressortent pas de cette loi. Le fait qu'ils ont été admis à la permanence au 1er avril 1921 est une preuve "prima facie" du fait qu'ils n'étaient pas permanents auparavant. Je trouve que, si ces employés ont joui des mêmes congés que les fonctionnaires permanents, on ne les limitait pas, comme ces derniers, quant aux échelles de traitements et aux augmentations, et quelques-uns ont eu des augmentations de traitement qu'on aurait refusé à un fonctionnaire permanent.

Pour ces raisons, j'ai jugé nécessaire de modifier votre bordereau de paye dans tous ces cas où le traitement réclamé dépasse celui auquel l'employé aurait droit, au 1er avril 1921, si l'ajustement se faisait sur le pied des traitements légalement payables au 1er avril 1919.

Comme Mlle A. M. Lyons n'a pas été nommée dans votre ministère avant le 10 novembre 1919, elle n'a pas droit de devenir permanente en vertu de l'ordre en Conseil du 16 décembre 1919, C.P. 2958, et son nom a été biffé du bordereau de paye.

La somme réclamée par Mme Sabourin a été déduite. Nous considérons que les dispositions de la classification relative aux maîtresses de maison ne s'appliquent qu'à un groupe d'employés nourris et logés par le gouvernement. Les employés de la Commission géodésique ne sont pas de cette catégorie.

Je suis, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre, ministère de l'Intérieur.

Paiement d'heures de travail supplémentaires

BUBEAU DE L'AUDITEUR, 30 janvier 1922.

MONSIEUR,—Dans l'examen des comptes au soutien de votre dépense au cours de l'exercice 1920-21, je remarque qu'il a été fait plusieurs paiements de $25 chacun, à M. A. N. Payne, qui a examiné des spécimens d'écriture et a fait rapport à ce sujet.

I beg to point out that as Mr. Payne is an employee in the Civil Service, unless these payments have been made under Section 45*b* (4) Civil Service Act, 1918 (and I have no knowledge of the regulations referred to in the section having been made by the Civil Service Commission) they are in contravention of Section 22 of the Act, and it will be necessary to have them authorized by a special vote.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Commissioner, R. C. M. Police.

AUDIT OFFICE, February 8, 1922.

SIR,—In further reference to my letter of the 30th ultimo *re* payments made to Mr. A. N. Payne, I wish to add that since that letter was written I have learned that the Civil Service Commission have made no regulations under Section 45*b*, Subsection 4, but they have made the definite statement that in their opinion "even if regulations had been made, they would only have authorized payment for overtime work to employees in the Department where they were regularly employed and would not cover the case of the employment of any person by another Department."

In an opinion given by the Department of Justice it was stated "that in view of the provisions of Section 22 of the Civil Service Act those who were employed in other Departments could not receive any additional payment from the Department of Militia and Defence unless the said fee were especially voted to them by Parliamnt."

In view of these opinions such payments could not be made under Section 45*b* (4) and are in contravention of Section 22 and as stated by me in that letter it will be necessary to have them authorized by a special vote.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Commissioner, R. C. M. Police.

Subcommittee of Council on Reorganization and Efficiency: Suggested Changes in Pay-list Procedure

OTTAWA, October 21, 1920.

To Deputy Ministers and Administrative Heads:

This Committee has been charged with the carrying on of certain reorganization work which involves the consideration of conditions and methods of procedure relating to certain activities carried on in all Government Departments, as well as a special study of the internal problems of two of the larger departments. The task naturally divides itself into three stages: first, the bringing together of the pertinent facts regarding existing conditions, as to organization, methods, output, and so forth; second, the analyzing of these facts and the development of an improved organization and procedure along the lines of the best modern business practice; and third, the installation of such improved methods, including the working out of the details, the designing of the forms and records, and the training of employees.

It has been the subcommittee's intention from the first that members of the Civil Service, chosen because of their peculiar fitness for such work, be called upon to make up the subcommittee's investigational staff, and subsequently to assist in the installa-

Je dois faire observer que M. Payne étant un employé du Service civil, à moins que ces paiements n'aient été effectués en vertu de l'article 45 B (4) de la Loi du Service civil, 1918, (et je ne sache pas que la Commission du Service civil ait établi les règlements mentionnés audit article) ils sont en contravention à l'article 22 de la loi, et il faudra qu'ils soient autorisés par un crédit spécial.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le Commissaire de la Royale gendarmerie à cheval du Canada.

BUREAU DE L'AUDITEUR, 8 février 1922.

MONSIEUR,—Relativement à ma lettre du 30 du mois dernier au sujet des paiements à Monsieur A. N. Payne, je désire ajouter que depuis l'envoi de ma lettre, j'ai appris que la Commission du Service civil n'a établi aucun règlement en vertu de l'article 45B, paragraphe 4, mais les commissaires ont déclaré d'une façon définis qu'à leur avis "même si le règlement eut été établi il n'aurait autorisé le paiement d'heures de travail supplémentaires qu'aux fonctionnaires du ministère qui les emploient régulièrement, et n'aurait pas couvert le cas de l'emploi d'une personne par un autre ministère."

Le ministère de la Justice a déjà exprimé l'avis "qu'en présence des dispositions de l'Article 22 de la Loi du Service civil les fonctionnaires employés dans d'autres ministères ne pourraient recevoir de rémunération supplémentaire du ministère de la Milice et de la Défense à moins que le Parlement n'ait voté spécialement cette rémunération."

En présence de ces opinions, ces paiements ne pourraient être faits en vertu de l'article 45B (4) et sont en contravention à l'article 22, et comme je le disais dans cette lettre, il sera nécessaire de les faire autoriser par un crédit spécial.

Je demeure, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le Commissaire de la Royale gendarmerie à cheval du Canada.

Sous-comité du Conseil pour la réorganisation et le bon fonctionnement du Service public: Changements projetés dans la procédure relative aux bordereaux de paie

OTTAWA, 21 octobre 1920.

Aux sous-ministres et chefs de divisions —

Ce comité a été chargé de la mise à exécution de certains travaux de réorganisation impliquant la considération des conditions et méthodes de procédure se rapportant aux opérations de tous les ministères de l'Etat, de même qu'une étude spéciale des problèmes internes de deux des plus grands départements. La tâche se divise naturellement en trois phases: premièrement, le rassemblement des faits pertinents concernant les conditions existantes quant à l'organisation, aux méthodes, à la production et ainsi de suite; deuxièmement, l'analyse de ces faits et le développement d'une organisation et procédure conformes à la meilleure pratique moderne des affaires, et troisièmement, l'installation de ces méthodes améliorées, y compris l'exécution des détails, les modes de formules et de registres et l'éducation des employés.

Le sous-comité a eu l'intention d'abord d'appeler des membres du service civil, choisis à raison de leurs aptitudes particulières pour ce travail, à former le personnel d'investigation, et à aider subséquemment à l'installation des méthodes améliorées qu'il pourrait adopter.

tion of such improvements as the subcommittee might decide upon. A small group of specially trained men has been retained to serve as the "Directing Staff" of the subcommittee, to have as its particular function the development of recommendations based on their experience, their knowledge of the methods of large business concerns and other public bodies, and the needs of the situation as brought out by an analysis of the facts collected by the subcommittee's investigators.

* * * * * * *

It is therefore requested that each department head furnish to the subcommittee a list of those persons in their respective departments whom they consider qualified for assignment as temporary members of the subcommittee's working forces.

* * * * * * *

The subcommittee will be greatly assisted if these lists reach it at an early date, and will appreciate your co-operation in this regard.

GEORGE E. FOSTER,
Chairman.

The Auditor General.

AUDIT OFFICE, OTTAWA, October 29, 1920.

Dear Sir GEORGE FOSTER,—I have to acknowledge your letter of 25th October instant together with the report, No. 6, of Griffenhagen & Associates, Limited, "Procedure of Paying Employees."

You ask me to give my best attention to the matter of the report as affecting the duties and powers and work of this office.

Griffenhagen and Associates say they have made a careful study of the pay-list problems in twelve Departments, among them this office, the result being that it has "brought out clearly the prevalence of general inefficiency in handling pay-list work." This general inefficiency I do not believe to exist, nor do I think their proposed methods of alleged improvement in many cases desirable of adoption. Some of their statements as to existing conditions in certain departments, I learn, are wrong.

Under the heading "Defective Audit Procedure and Control" they say:—

> "The procedure followed by the Auditor General in respect to the Inside Service is referred to as an audit. It is in reality only a certification that each name listed on the departmental pay-lists appears thereon by proper authority. Since these pay-lists usually are prepared in the early part of the month, forwarded to the Auditor General's Office not later than the eighth, and paid in the middle of the month for the full month, the so-called audit by the Auditor General cannot be based on any certificate of service rendered.
>
> "While there is obviously wasted effort in the checking of the same pay-lists at several points, the real weakness of the system is in the lack of proper verification and approval of expenditures for salaries before the actual disbursements are made. Salaries should be paid only for services actually rendered and authoritatively reported."

The audit here is more than a certificate that each name listed on the departmental pay-list appears there by proper authority. It also certifies that the salary claimed is that which the person is entitled to for the month.

The firm's criticism of the present system of paying in the middle of the month, is that "salaries should be paid only for services actually rendered and authoritatively reported," the inference of course being that the Government is liable to sustain loss, should an employee die, leave the service, or incur a penalty before the expiration of the month.

Il a été demandé à un petit groupe d'hommes spécialement formés de servir en qualité de "personnel dirigeant" du sous-comité et dont la fonction particulière serait le développement des recommandations basées sur leur expérience, leur connaissance des méthodes des grandes maisons d'affaires et autres corps publics, et les besoins de la situation, tels que constatés par une analyse des faits recueillis par les investigateurs du sous-comité.

* * * * * *

Il est donc demandé à tous les chefs de ministères de vouloir bien fournir au sous-comité une liste des personnes de leurs ministères respectifs qu'ils croient aptes à servir en qualité de membres temporaires du personnel qu'emploie le sous-comité.

* * * * * * *

Le sous-comité retirerait une grande aide si ces listes lui étaient envoyées à une date prochaine et il appréciera votre coopération à cet égard.

(Signé) GEORGE E. FOSTER, *président.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, OTTAWA, 29 octobre 1920.

CHER SIR GEORGE FOSTER,—J'accuse réception de votre lettre du 25 octobre courant ainsi que du rapport n° 6 de Griffenhagen et Associés, à resp. lim., "Procédure du paiement des employés".

Vous me demandez d'étudier avec le plus grand soin le sujet traité dans le rapport, en tant qu'il concerne les attributions et le travail de mon bureau.

Griffenhagen et ses associés disent qu'ils ont soigneusement étudié les problèmes du bordereau de paie dans douze ministères, mon bureau compris, et que comme résultat, il est clairement établi qu'il règne une inefficacité générale dans le travail accompagnant la préparation du bordereau de paie.". Je ne crois pas que cette inefficacité générale existe, non plus qu'il soit désirable d'adopter dans beaucoup de cas leurs méthodes projetées de prétendue amélioration. Je suis informé que certaines de leurs déclarations au sujet des conditions existantes dans des ministères sont erronées.

Sous le chef de procédure défectueuse de vérification et de contrôle, ils disent:

> "La procédure que suit l'Auditeur général à l'égard du service intérieur se mentionne comme une vérification. Ce n'est en réalité qu'une attestation que chaque nom contenu dans les bordereaux de paie du ministère s'y trouve en vertu de l'autorisation voulue. Comme ces bordereaux sont ordinairement préparés au commencement du mois, transmis au bureau de l'Auditeur général pas plus tard que le huit, et que le paiement s'en fait au milieu du mois, pour le mois entier, la prétendu vérification par l'Auditeur général ne peut être fondée sur un certificat de services accomplis.
>
> "Bien que l'on fasse manifestement des efforts en pure perte pour le contrôle des noms sur ces bordereaux de paie aux différents endroits, la faiblesse réelle du système provient du manque d'une vérification et approbation convenable des dépenses subies à raison des appointements avant que ne soient faits les déboursés réels. Les appointements ne devraient être payés que pour les services réellement accomplis et dont il a été fait rapport d'autorité."

La vérification faite dans le bureau est plus qu'une certification que chaque nom contenu dans les bordereaux de paie du ministère s'y trouve en vertu de l'autorisation voulue. Elle certifie aussi que les appointements demandés sont ceux que la personne a le droit de recevoir pour le mois.

La critique de la firme au sujet du système actuel de payer au milieu du mois, c'est que "les appointements ne devraient être payés que pour les services réellement accomplis et dont il a été fait rapport d'autorité," la conséquence étant naturellement que le gouvernement est exposé à subir des pertes si un employé décède, quitte le service ou devient passible d'une amende pécuniaire avant l'expiration du mois.

There is no such danger. A permanent employee is always paid the full month's salary in the event of death. Should he resign or be dismissed there is the Superannuation Fund or Retirement Fund, to whichsoever he contributed, to replace any loss. Fines for being late, absence without leave or other cause can be deducted from the next month's salary. The present system of paying the permanent staff in the middle of the month has been in force for over thirty years, and I am not aware of the Government having sustained any loss thereby.

Such being the case is it worth while to subject the Service to the inconvenience, and in many cases real hardship, of waiting three weeks or more beyond the usual pay day for their cheques?

You no doubt remember the conditions in the Service that led up to the action of the Government in authorizing payment on the 15th of the month, which as I have said occurred more than thirty years ago.

There are many statements in the report that will not stand close investigation, and suggested changes that should receive careful consideration by the responsible officers of the various Departments before any attempt is made to put them into effect.

It is very questionable whether an absolutely uniform method of operation (which appears to be Griffenhagen's ideal) can be successfully operated by all Departments, where conditions differ largely.

The practical results should be clearly understood before adopting, in toto, suggested changes in long established methods, by persons without sufficient knowledge of the conditions that have led up to the adoption of these methods.

I am, sir, your obedient servant,

E. D. SUTHERLAND. *A. G.*

Sir GEORGE E. FOSTER, K.C.M.G., Chairman.

AUDIT OFFICE, February 19, 1921.

SIR,—I wrote you on the 9th instant in regard to the proposed new form of salary paylist as recommended by Griffenhagen and Company in which I pointed out the inadvisability of making any change for the current fiscal year and if any change were made that it be deferred until the next fiscal year.

In order that there may be no misunderstanding I wish to point out that the form of pay-list as proposed by that company, unless amended to satisfy the requirements of this office, can not be accepted by me for any year. I have notified the company of the required changes which would make the pay-list acceptable as far as the Audit Office is concerned.

If a pay-list is submitted in the form proposed by them without being amended to comply with our requirements I shall be unable to certify it. It is advisable that this matter receive your attention now so that there may be no delay in paying your staff.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Deputy Postmaster General.

DEPT. OF TRADE AND COMMERCE, February 24, 1921.

DEAR SIR,—Report No. 6, of Griffenhagen and Associates, has been, as you know, examined by the Subcommittee of Council on Reorganization and Efficiency, has been approved by them, so reported to Council, and approved by Council for installation.

Ce danger n'existe pas. Un employé permanent reçoit toujours ses appointements pour le mois entier s'il vient à mourir. S'il démissionne ou est congédié les fonds de pension ou de retraites, quelque soit celui auquel il contribue, sont là pour compenser toute perte possible. Les amendes imposées pour retard au travail, absence sans permission ou autres causes peuvent être déduites des appointements du mois suivant. Le système actuel de payer les services du personnel permanent au milieu du mois existe depuis plus de trente ans, et je ne sache pas que l'Etat ait jamais subie de pertes de ce chef.

Cela étant, vaudrait-il la peine de soumettre le service aux inconvénients, et dans bon nombre de cas, à une véritable souffrance en le faisant attendre les chèques trois semaines ou plus que l'époque de paiement ordinaire?

Vous vous rappelez sans doute les conditions du service lorsque le gouvernement a décidé d'autoriser le paiement des employés le 15 du mois, ce qui a eu lieu, comme je l'ai dit, il y a plus de trente ans passés.

Beaucoup des allégations du rapport ne soutiendraient pas une investigation rigoureuse et les changements y suggérés devraient être l'objet d'une étude soigneuse par les fonctionnaires responsables des différents ministères avant que l'on tente d'y donner suite.

C'est une clause très contestable de savoir si l'application d'une méthode absolument uniforme (ce qui parait être l'idéal de Griffenhagen) réussirait dans tous les ministères, lorsque les conditions y diffèrent grandement.

Il faudrait que les résultats pratiques fussent bien clairement compris avant d'adopter, *in toto,* les changements suggérés dans des méthodes établies depuis longtemps par des personnes qui ne connaissent pas suffisamment les conditions qui ont été la cause de l'adoption de ces méthodes.

Je demeure monsieur,

Votre obéissant serviteur,

Sir GEORGE E. FOSTER, K.C.M.G., président. E. D. SUTHERLAND, *A.G.*

BUREAU DE L'AUDITEUR, le 19 février 1921.

MONSIEUR, — Je vous ai écrit le 9 courant à propos de la nouvelle formule de bordereau de paie projetée, telle que recommandée par Griffenhagen and Company, au sujet de laquelle je faisais remarquer qu'il n'était pas expédient de faire un changement pour l'exercice en cours, et que si on faisait un changement de le retarder jusqu'au prochain exercice.

Afin qu'il n'y ait pas de malentendu, je désire faire remarquer que je ne peux pas accepter pour n'importe quel exercice la formule de bordereau de paie telle que proposée par cette compagnie, à moins qu'elle ne soit modifiée pour répondre aux besoins de ce bureau. J'ai averti la compagnie des modifications nécessaires qui rendraient le bordereau de paie acceptable en tant qu'il s'agit du Bureau de l'Auditeur.

Si un bordereau de paie est soumis dans la forme proposée par eux sans qu'il soit modifié pour répondre à nos besoins, je me verrai dans l'impossibilité de le certifier. Il est expédient que vous vous occupiez de cette question immédiatement afin qu'il n'y ait pas de retard dans le paiement de votre personnel.

Je suis monsieur, votre obéissant serviteur,

Le sous-ministre des Postes. E. D. SUTHERLAND, *A.G.*

MINISTÈRE DU COMMERCE, 24 février 1921.

CHER MONSIEUR,—Comme vous le savez le sous-comité du Conseil privé sur la réorganisation et l'efficacité a examiné le rapport n° 6 de Griffenhagen & Associates. Celui-ci l'a approuvé, ainsi présenté au Conseil, et le Conseil a approuvé son installation.

Early in December a series of conferences with respect to this installation was initiated between Griffenhagen and Associates and yourself, and some communications of mine passed to you asking your early attention to the same. On January 6, a letter was addressed to you by Griffenhagen and Associates with full explanations of the details proposed by them. I gather from information supplied by the correspondence and my communications with you that, as a result of the conferences, your objections have been removed in large measure to the installation of the system, and the installation has been commenced in the Post Office Department and some other departments.

I now find, from your letters of the 9th and 10th that you express the view that the change in the pay-list system, if made, should not be put into operation until the beginning of the fiscal year. There is no objection to that on the part of the subcommittee.

In your letter of the 19th to the Deputy Postmaster General, however, you serve notice on him that you will be unable to certify to his pay-lists if they are made out in the form proposed by Griffenhagen and Associates and approved by the subcommittee and the Government in Council.

It is the desire of the Subcommittee of Council to have its plans for reorganization of the departments carried out with all possible despatch and I should be very glad to have you consider and state exactly what your objections are to the proposed form of pay-lists and afterwards to talk the matter over with you. Inasmuch as all this delay wastes time and retards the operations of organization, I trust you will be able to give me a statement of the point of difference between you and the directing staff of Griffenhagen and Associates, so that I may at once take the matter up with the subcommittee.

Yours very truly,

GEORGE E. FOSTER.

The Auditor General.

AUDIT OFFICE, March 2, 1921.

DEAR SIR,—I beg to acknowledge your letter of 24th ultimo asking to be advised of my objections to the proposed form of departmental pay-list as prepared by Griffenhagen and Associates.

When in consultation with three of the company's representatives I showed them in what respect the pay-list was deficient for our purposes and subsequently informed them in writing of my objections.

We have for convenience sake included in the pay-list the contributions to various individual funds such as the departmental benefit societies, Civil Service Insurance, Victory and Patriotic Funds. Except to verify the totals and see that the cheque is issued in each case for the correct amount to the proper fund these do not concern us. With this exception we consider our audit is sufficient when we have ascertained that an employee is paid the salary authorized, less the statutory deductions which are themselves verified. In the proposed form of pay-list the means of readily doing so are not furnished, and we are asked to do a large amount of unnecessary work which will require additional help and time. My objection is primarily from our audit standpoint, but if I may be allowed to do so I should like to add a few words in general criticism of the new form.

Au commencement de décembre, on a commencé un certain nombre de conférences en ce qui concerne cette installation, avec Griffenhagen & Associates et vous-même, et quelques-unes de mes communications vous ont été envoyées, vous demandant de vous en occuper le plus tôt possible. Le 6 janvier Griffenhagen & Associates vous ont envoyé une lettre renfermant des explications complètes des détails qu'ils proposaient. Je comprends d'après les renseignements fournis par la correspondance, et par les communications que je vous ai adressées, que, comme résultat des conférence, vos objections à l'installation de ce système sont presque une chose du passé, et l'installation a été commencée au ministère des Postes et dans d'autres ministères.

Je constate maintenant, d'après vos lettres des 9 et 10, que vous exprimez l'opinion que le changement dans le système de bordereau de paie, s'il se faisait, ne devrait pas être mis en opération avant le commencement de l'exercice. Le sous-comité ne s'oppose pas à cela.

Cependant, dans votre lettre du 19 adressée au sous-ministre des Postes, vous l'avertissez que vous vous verrez dans l'impossibilité de certifier ses bordereaux de paie, s'ils ne sont pas faits suivant la formule proposée par Griffenhagen & Associates, et approuvés par le sous-comité et par le Gouverneur en conseil.

Le sous-comité du Conseil privé désire que ses plans pour la réorganisation des ministères soient exécutés avec la plus grande diligence possible, et cela me ferait bien plaisir si vous considériez et disiez exactement quelles sont vos objections à la formule projetée de bordereaux de paie, et ensuite d'en parler avec vous. En tant que ce retard est un gaspillage de temps et retarde les opérations de l'organisation, j'espère que vous pourrez me donner la déclaration de la divergence d'opinion entre vous et le personnel directeur de Griffenhagen & Associates, de sorte que je puisse étudier la question avec le sous-comité.

Très cordialement à vous,

(Signé) GEORGE E. FOSTER,

L'Auditeur général.

BUREAU DE L'AUDITEUR, le 2 mars 1921.

CHER MONSIEUR, — J'ai l'honneur d'accuser réception de votre lettre du 24 dernier, me demandant de vous notifier les objections que j'ai à la formule projetée de bordereau de paie, pour le ministère, telle que préparée par Griffenhagen & Associates.

Au cours d'un entretien avec trois des représentants de la compagnie, je leur ai fait voir sous quels rapports le bordereau de paie ne convenait pas à nos fins, et dans la suite je les ai informés par écrit de mes objections.

Nous avons pour que cela soit plus commode, inclus dans le bordereau de paie, les contributions aux divers fonds individuels, tels que les sociétés à bénéfices des ministères, l'assurance du Service civil, les souscriptions à l'emprunt de la Victoire et au Fonds patriotique. Ces contributions ne nous intéressent pas, sauf en ce qui s'agit de vérifier les totaux, et de voir à ce que le chèque soit émis dans chaque cas, pour le montant exact, et pour le fonds auquel il est destiné. A cette exception près, nous estimons que notre vérification suffit lorsque nous avons établi qu'un employé reçoit le salaire autorisé, moins les déduction statutaires qui sont elles-mêmes vérifiées. Dans la formule projetée de bordereau de paie, nous n'avons pas les moyens d'établir cela sans délai, et l'on nous demande de faire beaucoup de travail inutile, ce qui va nous obliger d'avoir un supplément de personnel et va prendre plus de notre temps. Mon objection principale provient de la complication que cette formule va apporter à la vérification, mais si vous voulez me permettre de le faire, j'aimerais à ajouter quelques mots en manière de critique générale de la nouvelle formule.

Some of the suggested improvements are in my opinion desirable, others are not improvements at all, but even where I agree, their proposed plan of putting them into effect is not the simplest. To accomplish what they desire it was not necessary to inaugurate a new system, but only to amend slightly our present one and make some additions thereto.

In their so-called simplification of audit procedure and elimination of duplication they recommended a pay-list with twenty columns instead of the present one with ten, a supplementary summary (new) with eighteen columns, a daily time record with thirteen columns in addition to the thirty-one columns for the days of the month, seven certificates, one containing five subcertificates, to accompany each pay-list and instead of loose leaf ledgers an unsatisfactory card system. I might point out that on these monthly statements there are seven separate columns for deductions on account of absences and on the pay-list proper there are three columns which in ninety-five per cent of the salaries, according to the company's own figures, will be identical.

One of the points of merit on which much stress is laid is the incorporation of the salary and bonus payment in one cheque and seven extra columns are provided for the purpose. As the bonus is merely a temporary measure, and may be terminated at any time, its introduction into the regular pay-list form is questionable.

From the fact that all the pay-lists of all the departments are handled by this office I am more concerned than any one else that the audit procedure should be such as to permit of proper and effective control of all payments, but at the same time the system should be as simple and practicable as possible with no unnecessary duplication.

If you are agreeable I should like to submit a draft form of pay-list and certificates, a form that would embody all the suggestions that are considered valuable in the company's report and yet could be operated without any material additions to the staff. Before submitting it for your inspection I could obtain an expression of opinion thereon from the accountants of the larger departments.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

Sir George E. Foster, G.C.M.G.

AUDITOR GENERAL'S OFFICE, March 4, 1921.

DEAR SIR,—I had an exhaustive discussion with the representatives of Griffenhagen and Associates yesterday afternoon, but find myself still unable to recognize the necesity or desirability for the change in audit methods that the adoption of their form of pay-list would require.

I regret that they could not see their way to modifying their form as suggested by me to meet our requirements and obviate a change in our system. Your committee know our respective view points, having heard them fully discussed in your office in the morning.

For the present it is intended, I understand, to apply the change only to the Post Office Department. The chief point in the representative's argument is, that their method will, by transferring certain work from the Department to this office, save to some extent duplication of work in the Department, which is done here.

I would point out that the function of this office is not to do the work of the Department, but to check the correctness of its work. The representatives admit, I believe, that their system would not be well adapted to the smaller Departments, the

Quelques-unes des améliorations recommandées sont à mon sens désirables, d'autres ne sont pas des améliorations du tout, mais même où je suis consentant, leur plan projeté de les appliquer n'est pas le plus simple. Pour accomplir ce qu'ils désirent, il n'était pas nécessaire d'inaugurer un nouveau système, mais seulement de modifier légèrement notre système actuel, et d'y faire quelques additions.

Dans leur soi-disant simplification du procédé de la vérification et de l'élimination de la duplication, ils recommandent un bordereau de paie avec vingt colonnes, au lieu du bordereau actuel qui en a dix, un résumé supplémentaire (nouveau) avec dix-huit colonnes, un registre des arrivées et des départs des employés pour tous les jours, avec treize colonnes, en outre des trente et une pour les jours du mois, sept certificats, l'un renfermant cinq sous-certificats, pour accompagner chaque liste, et au lieu des grand-livres à feuilles détachables, un système de fiches non satisfaisant. Je pourrais faire remarquer que sur ces tableaux mensuels, se trouvent sept colonnes séparées pour les déductions par suite d'absences, et sur le bordereau de paie proprement dit, il y a trois colonnes, qui, dans le cas de quare-vingt-quinze pour cent des salaires, selon les propres chiffres de la compagnie, seront identiques.

Un point méritoire sur lequel on insiste fortement c'est l'incorporation du paiement du salaire et du boni dans un seul chèque et on fournit sept colonnes supplémentaires à cette fin. Comme le boni est simplement une mesure temporaire, et qu'il peut prendre fin en tout temps, son introduction dans la formule régulière de bordereau de paie peut se discuter.

D'après le fait que tous les bordereaux de paie de tous les ministères passent par ce bureau, je suis plus intéressé que qui que ce soit à ce que le procédé de la vérification soit tel qu'il permette la direction convenable et effective de tous les paiements, mais en même temps le système devrait être aussi simple et pratique que possible, sans duplication inutile.

Si vous y consentez, j'aimerais à vous soumettre une esquisse de formule de bordereau de paie de certificats, formule qui réunirait toutes les recommandations estimées précieuses dans le rapport de la compagnie, et qui cependant pourrait être adoptée sans additions importantes au personnel. Avant de la soumettre à votre inspection, je pourrais soumettre une expression d'opinion à ce sujet des comptables des ministères les plus considérables.

Je suis, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Sir GEORGE E. FOSTER, G.C.M.G.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 4 mars 1921.

CHER MONSIEUR,—J'ai eu une discussion à fond avec les représentants des Griffenhagen & Associates hier après-midi, mais je me vois encore incapable de reconnaître s'il est nécessaire ou désirable de changer les méthodes de vérification, que l'adoption de leur formule de bordereau de paie exigerait.

Je regrette qu'ils n'aient pas jugé à propos de modifier leur formule telle que suggérée par moi, afin de répondre à nos besoins et d'obvier un changement dans notre système. Votre comité connaît nos points de vue respectifs, les ayant entendus discuter au long dans votre bureau hier matin.

Pour le présent, on a l'intention, je crois, d'appliquer le changement, seulement au ministère des Postes. Le point principal dans l'argument des représentants, c'est que leur méthode en transférant certaine besogne de ce ministère à ce bureau, va épargner dans une certaine mesure la duplication de l'ouvrage au ministère, qui est fait ici. Je ferais remarquer que la fonction de ce bureau n'est pas de faire l'ouvrage du ministère, mais de faire le pointage de l'exactitude de son ouvrage. Je crois que les représentants admettent que leur système ne conviendrait guère aux ministères les

expense of the necessary mechanical office appliances required for its working, not being warranted, so that for a number of Departments we would still be carrying on under the old system. They do not impugn the efficiency of our present system—then why change one that is general and effective for one that is restricted and empirical.

However, if your committee consider the necessity for the adoption of Messrs. Griffenhagen's pay-list in the Post Office imperative, I shall no doubt be advised of your decision.

May I draw your attention to Section 31 of the Consolidated Revenue and Audit Act, which requires that regulations and forms prescribed by the Auditor General for the guidance of accountants in rendering accounts for examination shall be approved by the Treasury Board previous to their issue. I assume that the proposed new form of pay-list will receive the Treasury Board's approval in like manner.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

Sir George E. Foster, G.C.M.G.

TRADE AND COMMERCE DEPARTMENT, March 7, 1921.

DEAR MR. SUTHERLAND,—I have your letter of the 4th. After further consideration it would seem as though the difference is very small between the Directing Staff and yourself in reference to the pay-list. There is, however, the consideration that if the staff's pay-list is adopted, economy may be made possible in respect to the records now kept by the different departments. The subcommittee of Council consider it advisable, therefore, that the new form of pay-list, as proposed by Griffenhagen & Associates, should be put into operation. The usual and necessary authority by Treasury Board will be given.

In the meantime, I hope there will be no further delay in making the necessary installation.

Yours very truly,

GEORGE E. FOSTER.

The Auditor General.

POST OFFICE DEPARTMENT, March 9, 1921.

MY DEAR AUDITOR GENERAL,—I beg to enclose copy of a letter just received from Sir George Foster *re* pay-lists.

I am going to lay this before my Minister this afternoon, and will no doubt receive instructions what to do.

Sincerely yours.

DEPARTMENT OF TRADE AND COMMERCE, March 9, 1921.

DEAR DR. COULTER.—The Subcommittee of Council on Reorganization and Efficiency have decided to put the pay-list recommended by Griffenhagen & Associates into operation and I have so notified the Auditor General.

The preparations for installation may therefore proceed at once.

Yours very truly,

GEORGE E. FOSTER.

The Deputy Postmaster General.

moins importants, les frais des appareils de bureau indispensables, requis pour son fonctionnement, n'étant pas justifiés, de sorte que dans le cas d'un certain nombre de ministères nous nous servirions encore de l'ancien système. Ils n'attaquent pas l'efficacité de notre système actuel—alors pourquoi échanger celui qui est général et efficace pour un autre qui est restreint et empirique.

Toutefois, si votre comité estime qu'il est nécessaire et de là dernière importance que le ministère des Postes adopte le bordereau de paie de MM. Griffenhagen, il n'y a pas de doute que vous me ferez connaître votre décision.

Puis-je attirer votre attention sur l'article 31 de la Loi du Revenu consolidé et de l'audition des comptes, qui exige que les règlements et les formules prescrits par l'Auditeur général, pour la gouverne des comptables dans la reddition des comptes pour examen, soient approuvés par le bureau du Trésor avant leur émission. Je suppose que la nouvelle formule de bordereau de paie projetée recevra l'approbation du bureau de la même manière.

Je suis, Monsieur, votre obéissant serviteur,

Sir GEORGE E. FOSTER, G.C.M.G. E. D. SUTHERLAND, *A.G.*

MINISTÈRE DU COMMERCE, OTTAWA, 7 mars 1921.

CHER MONSIEUR SUTHERLAND,—J'ai en mains votre lettre du 4 de ce mois, Après une étude approfondie de cette question il me semble que ce qui fait le sujet de la différence d'opinion entre le personnel dirigeant et vous-même, au sujet des bordereaux de paie, est de peu d'importance. Il faut cependant tenir compte du fait que si le bordereau de paie du personnel est adopté, il pourra en résulter une certaine économie au point de vue des livres tenus actuellement par les différents ministères. Le sous-comité du Conseil trouve à propos, par conséquent, de mettre en vigueur les nouvelles formules de bordereau de paie tels que recommandés par Griffenhagen et associés. Comme d'habitude, l'autorisation nécessaire sera donnée par la Trésorerie.

En attendant, j'espère que l'on ne tardera pas à faire l'installation nécessaire.

Votre bien dévoué,

L'Auditeur général. GEORGE E. FOSTER.

MINISTÈRE DES POSTES, OTTAWA, 9 mars 1921.

MON CHER AUDITEUR GÉNÉRAL,—J'ai l'honneur de vous envoyer sous ce pli une copie d'une lettre que je viens de recevoir de Sir George Foster relativement aux bordereaux de paie.

Je la soumettrai à mon ministre cette après-midi et, sans doute, je recevrai des instructions cercernant ce qu'il y a à faire.

Votre sincère,

L'Auditeur général. R. M. COULTER.

MINISTÈRE DU COMMERCE, 9 mars 1921.

CHER M. COULTER,—Le sous-comité du Conseil chargé de la Réorganisation et du rendement administratif a décidé de mettre en vigueur les bordereaux de paie recommandés par Griffenhagen et associés et j'en ai fait part à l'Auditeur général.

Les préparatifs en vue de l'installation de ce système peuvent donc être commencés immédiatement.

Votre bien dévoué,

Le sous-ministre des Postes. GEORGE E. FOSTER.

AUDIT OFFICE, June 20, 1921.

SIR,—I would call your attention to my letters of February 9th and 19th in reference to the new form of pay-list which has been introduced in your department from the 1st of April, 1921. I would point out that some of the difficulties anticipated in adopting this form of pay-list in this office have been realized in the three months of operation. The amount of time required to audit and check your pay-list has been increased materially, and in my opinion the efficiency of the audit has been impaired rather than increased due to the fact of the possibilities of error being greater. In order to lessen this work and limit the possibilities of error I have to request that the following changes be made in your form of pay-list and recapitulation:—

There are thirty-seven pages in your pay-list and each page is carried separately to the recapitulation form. I can see no advantage in making a separate total for each page, and I have to request your reconsideration of this feature with the view of reverting to the previous practice of making a total for each branch. This would reduce the recapitulation about 70 per cent and the work of verification of the same to the same extent. It would be still greater advantage if no recapitulation were used, the total for each column being carried to the end, where a summary similar to that now contained on the recapitulation could be used which would meet all the necessary requirements in determining the repayments. That system is being followed in all the other departments except one, and it is working satisfactorily to all concerned.

If it is desired by you that the experiment should be given a longer trial some consideration should be given to the possibility of rearranging the order of the columns on the recapitulation to conform more nearly to that of the pay-list. Also the question whether the additional work in showing separate columns for the deductions has been of any material advantage. It is unnecessary duplication to show not only what a clerk is entitled to receive but also what he is not, and if the first is determined and entered correctly the other work is unnecessary.

This new form of pay-list has not yet received the necessary approval of the Treasury Board, but I have consented to a trial in the hope that after such we would be in a better position to make changes that would prove mutually advantageous.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Postmaster-General.

COUNCIL SUBCOMMITTEE ON REORGANIZATION AND EFFICIENCY, June 28, 1921.

DEAR SIR,—It is planned to apply throughout the service the pay-list procedure which has been developed by the Directing Staff of this Committee, and which is now in effect in the inside service of the Post Office Department. A part of this plan is the complete pre-audit of the net amounts payable which includes the salaries plus the bonus less all deductions. The Directing Staff of this Committee have designed an audit procedure which it is believed will accomplish this, and very effectively and economically. It is understood from the Directing Staff that this procedure has not met with the complete approval of your office, and has not been given an actual trial.

It seems desirable that the proposed audit procedure should be put into effect at once for the inside service pay-lists of the Post Office Department. The Directing Staff will assist in the installation. If, after thus testing the proposed procedure on actual work, it is found the procedure is ineffective or cumbersome, it is requested

BUREAU DE L'AUDITEUR GÉNÉRAL, 20 juin 1921.

MONSIEUR,—Je voudrais attirer votre attention sur mes lettres en date du 9 et du 19 février relativement aux nouvelles formules de bordereaux de paie qui ont été adoptées dans votre ministère depuis le 1er avril 1921.

Je voudrais vous faire remarquer qu'un certain nombre des difficultés prévues dans l'adoption de cette formule de bordereaux de paie dans votre bureau se sont en réalité produites au cours de ces trois mois de mise en pratique de ce système.

La somme de temps requise pour faire l'apuration et la vérification de vos bordereaux de paie a été considérablement augmentée et, à mon avis, l'efficacité de la vérification s'est trouvée diminuée plutôt qu'augmentée parce que le danger de faire des erreurs est bien plus grand.

Dans le but de réduire le travail et de limiter le danger de faire erreur, je dois vous prier de faire subir les changements suivants à vos formules de bordereaux de paie et de récapitulation.

Votre bordereau de paie comporte trente-sept pages et chaque page est reportée séparément dans votre formule de récapitulation. Je ne puis voir aucun avantage à faire un total distinct pour chacune des pages et je dois vous prier de reconsidérer ce point en vue de revenir à l'ancienne coutume de faire un total pour chaque division. La récapitulation s'en trouverait réduite de 70 pour 100 et le travail de vérification de cette récapitulation se trouverait réduit dans la même proportion. Il serait encore plus avantageux de ne pas se servir du tout de cette récapitulation, le total de chaque colonne étant alors reporté à la fin où un résumé semblable à celui que contient actuellement la récapitulation pourrait alors être employé et répondrait à toutes les exigences du travail de détermination des remboursements. Ce système est mis en pratique dans tous les ministères, à l'exception d'un seul, et donne entière satisfaction à tous les intéressés.

Si vous désiriez faire un essai plus long de ce nouveau système, il faudrait, dans ce cas, trouver le moyen de faire une nouvelle disposition des colonnes de la formule de récapitulation pour qu'elles soient plus conformes à celles de la formule du bordereau. Il faudrait aussi déterminer si le fait d'indiquer chaque colonne séparément dans la récapitulation, tout en augmentant le travail, a été de quelque utilité. C'est faire inutilement deux fois le même travail que d'indiquer non seulement ce que chaque commis a le droit de recevoir mais encore ce qu'il n'a pas le droit de recevoir et, lorsque le premier montant est déterminé et que l'entrée en est bien faite, l'autre travail est inutile.

Cette nouvelle formule de bordereaux de paie n'a pas encore reçu l'approbation nécessaire de la Trésorerie, mais j'ai permis d'en faire l'essai dans l'espoir qu'après un essai nous serions mieux en état de faire les changements qui pourraient nous être avantageux.

Je suis, Monsieur, votre dévoué serviteur,

Le sous-ministre des Postes. E. D. SUTHERLAND, *A.G.*

SOUS-COMITÉ DU CONSEIL CHARGÉ DE LA QUESTION DE RÉORGANISATION ET D'EFFICACITÉ, 28 juin 1921.

CHER MONSIEUR, — On a l'intention d'appliquer à tout le service les bordereaux de paie rédigés et préparés par le personnel dirigeant de ce comité, et maintenant mis en pratique dans le service intérieur du ministère des Postes. Une partie de ce système consiste dans un travail antérieur de vérification des montants nets à payer, comprenant les appointements plus les bonis, moins toutes les déductions. Le personnel dirigeant de ce comité a rédigé et préparé un procédé de vérification à l'aide duquel, croit-on, on atteindra ce but d'une manière efficace et économique. Il est entendu, au dire du personnel dirigeant, que ce système n'a pas encore été complètement approuvé par votre bureau et qu'on ne l'a pas encore mis à l'essai.

that you state your criticisms in writing. If, on the other hand, the procedure is found to be successful, arrangements should be made by your office to install it for the audit of the pay-lists for all departments, as rapidly as the new procedure for paying employees is put into effect.

Yours truly,

GEORGE E. FOSTER, *Chairman.*

The Auditor General.

AUDIT OFFICE, July 7, 1921.

DEAR SIR,—I have to acknowledge your letter of 28th June ultimo saying that it is desirable that the proposed audit procedure, as designed by the Directing Staff of your Committee (Griffenhagen and Associates), should be put into effect at once for the Post Office Department pay-lists (inside service).

May I point out that the Auditor General is an officer of Parliament and not an officer of the Government of the day. The methods for the effective carrying out of his duties have to be determined by him, and he reports the results of his work to the House of Commons.

Section 31, Consolidated Revenue and Audit Act, reads as follows:—

> 31. The Auditor General may, from time to time, make orders and rules for the conduct of the internal business of his office, and prescribe regulations and forms for the guidance of principal accountants and sub-accountants in making up and rendering their periodical accounts for examination; provided that all such rules, regulations and forms shall be approved by the Treasury Board previously to the issue thereof.

It is evident that your Directing Staff do not understand the official status given to the Auditor General of Canada by the Act creating the office.

The effective results of over forty years' operation of the present system of pay-list audit are a sufficient justification for its continuance. I have never heard a complaint that it is inefficient, and am not inclined to replace it with a system evolved to-day by men who have had no previous experience in a matter of this kind.

You may rest assured that pay-lists when they leave this office, certified for payment, are correct. We examine and certify the sum payable by the Government for the official's service for the month, and the amount to be paid by him to the Government as his contribution to its various funds. If we do this correctly the method of its accomplishment may safely be left here.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

Sir George E. Foster, G.C.M.G.

Public Service Retirement Act, 1920: Eligibility of Persons Retired to Receive Allowances Recommended

AUDIT OFFICE, September 16, 1921.

SIR,—I beg to submit herewith copies of correspondence between this office and the Department of Justice in regard to the determination of the allowances to which certain employees are entitled under the Public Service Retirement Act.

Il semble désirable que ce système de vérification soit mis en vigueur le plus tôt possible pour les bordereaux de paie du service intérieur du ministère des Postes. Le personnel dirigeant aidera au travail d'installation. Si, après avoir fait l'essai de ce système projeté, on constate que ce système n'est pas efficace et est incommode, on demande que vous fassiez une déclaration écrite des points sur lesquels porte votre critique. Si, d'un autre côté, on constate que ce procédé est avantageux et donne de bons résultats, votre bureau devrait prendre les mesures nécessaires pour installer ce système en vue de la vérification des bordereaux de paie de tous les ministères dès que la nouvelle méthode de payer les employés sera mise en vigueur.

Votre dévoué,

L'Auditeur général. GEORGE E. FOSTER, *président.*

BUREAU DE L'AUDITEUR GÉNÉRAL, 7 juillet 1921.

CHER MONSIEUR, — Je dois accuser réception de votre lettre en date du 28 juin dernier, déclarant qu'il est désirable de mettre en pratique immédiatement, pour les bordereaux de paie du ministère des Postes (service intérieur), la méthode de vérification préparée par le personnel dirigeant de votre comité (Griffenhagen et associés).

Qu'il me soit permis de vous faire remarquer que l'Auditeur général est un fonctionnaire qui relève du Parlement et non du gouvernement du jour. Il doit lui-même déterminer les méthodes à suivre pour exécuter effectivement ses travaux et il fait rapport du résultat de ses travaux à la Chambre des communes.

L'article 31 de la Loi du Revenu Consolidé et de l'Audition se lit comme suit:

> 31. L'auditeur général peut prescrire, au besoin, des ordres et règlements pour l'administration interne de son bureau, et établir des règles et formules pour la gouverne des comptables et sous-comptables dans la préparation de leurs comptes périodiques et la manière de les soumettre à l'audition; pourvu que tous ces ordres et règlements, règles et formules soient approuvés par le conseil du Trésor avant qu'ils ne soient promulgués.

Il est évident que votre personnel dirigeant ne comprend pas le status officiel accordé à l'Auditeur général par la Loi qui crée cette position.

Les résultats réels de quarante années de travail pendant lesquelles a été employé le système actuel de vérification des bordereaux de paie constituent une raison suffisante pour en justifier la continuation. Je n'ai jamais entendu dire que ce système n'était pas efficace et je ne suis pas disposé à le remplacer par un système mis en honneur aujourd'hui par des hommes qui n'ont aucune expérience dans une question de ce genre.

Vous pouvez être convaincu que lorsque les bordereaux de paie sont retournés par ce bureau et que le paiement en est autorisé, ils sont exacts. Nous examinons et vérifions le montant payable par le gouvernement pour les services du fonctionnaire pour le mois, et le montant que ce fonctionnaire doit payer au gouvernement à titre de contributions aux différents fonds. Si nous faisons bien ce travail, vous pouvez donc vous fier à nous pour arrêter la méthode à suivre.

Je suis, monsieur, votre obéissant serviteur,

Sir GEORGE FOSTER, G.C.M.G. E. D. SUTHERLAND, *A.G.*

Loi de la mise à la retraite des fonctionnaires publics, 1920
Droit des personnes mises à la retraite de recevoir les allocations recommandées

BUREAU DE L'AUDITEUR GÉNÉRAL, le 16 septembre 1921.

MONSIEUR, — Veuillez trouver sous ce pli copie de la correspondance échangée entre notre bureau et le ministère de la Justice concernant la somme des allocations auxquelles certaines catégories de fonctionnaires peuvent avoir droit en vertu de la Loi de la mise à la retraite des fonctionnaires publics.

Their retirement has already been recommended by the Civil Service commission in which recommendation it is stated that the employees have had the service claimed. I would like to be informed if the Commission was aware when making that recommendation that the employee credited with thirty years' service was employed and paid for only 242 months and the other worked only 12¼ years although he claims twenty-one years' service.

Although it has been decided that the payments recommended may legally be paid, it seems to me that it is also a question of policy and in view of the fact that the Civil Service Commission is charged with the administraton of the Act and is given authority to take into consideration any special circumstances relatng to length of service as well as other features, I am calling your attention to the results of your recommendation in these two cases.

I would like to have the views of the Commission at an early date.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, August 10, 1921.

SIR,—I am in receipt of your letter of the 2nd instant, in which your opinion is given as to what may legally be paid to certain officials under the Public Service Retirement Act.

I am obliged to refer to you again for an interpretation of that Act as applied to the following cases:

(1) A lockman appointed 1890 was employed seven months each year for the first twenty-six years and every month since 1916, and at a monthly salary of $70 for the last three years. Is he entitled to an annuity of 30/60ths or only 20/60ths, as he actually worked and was paid for only 242 months?

(2) A labourer, 70 years of age has been employed since 1900 for varying periods each year from 2 to 12 months at a daily rate. In only two years, 1911 and 1912 did he work the full year, his total period of service being 147 months of 12¼ years, in these 21 years. In his last three years of service he worked only 11 months. Should his average annual salary for the last three years be reckoned on what he actually received and his length of service allowed for retirement purposes as 12 or 21 years?

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Justice.

DEPARTMENT OF JUSTICE, August 30, 1921.

SIR,—Referring to your letter of the 10th instant, submitting, for my opinion, two questions involving the interpretation of the Public Service Retirement Act, I am of the opinion, in the case of No. 1, that the annuity to which the lockman is entitled is 30/60 of his average annual salary during the last three years he was in the Public Service or of his average annual salary during the full term of his service, whichever be the greater; and, in the case of No. 2, that the labourer's average annual

La Commission du Service civil a déjà recommandé la mise à la retraite de ces fonctionnaires et dans sa recommandation elle laisse entendre que ces employés ont donné le service requis. Je voudrais savoir si en faisant sa recommandation la Commission savait que cet employé, ayant à son crédit trente années de service, n'a été payé, en réalité, que pour 242 mois et que l'autre n'a donné que douze ans et quart de service bien qu'il réclame aujourd'hui au nom d'un service de vingt et un ans.

Il est vrai que l'on a décidé que les sommes recommandées peuvent, au point de vue légal, être payées; cependant, il me semble que cela entraîne une question de régime par suite du fait que la Commission du Service civil est chargée de l'administration de la loi et possède toute l'autorité voulue pour statuer relativement à toute circonstance spéciale associée à la durée de service et autres facteurs du genre. Ainsi, je me permets d'attirer votre attention sur le résultat de votre recommandation dans ces deux cas.

Je serais heureux de connaître, le plus tôt possible, l'opinion de la Commission à ce sujet.

Je demeure, Monsieur,

Votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le secrétaire,
Commission du Service civil.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 10 août 1921.

MONSIEUR,—J'ai reçu votre lettre du 2 courant faisant connaître votre opinion au sujet des allocations de retraite que l'on peut, au point de vue légal, accorder à certains fonctionnaires en vertu de la loi de la mise à la retraite des fonctionnaires publics.

Je suis obligé d'en appeler de nouveau à vos connaissances en la matière pour une interprétation de cette loi en tant qu'elle s'applique aux cas suivants:

(1) Un éclusier nommé en 1890 fut employé sept mois de chaque année pendant les premières vingt-six années et à chaque mois depuis 1916; son traitement mensuel est de $70 depuis trois ans. A-t-il droit à une rente viagère de 30/60ièmes ou de 20/60ièmes seulement, vu qu'il n'a travaillé en tout que 242 mois pour lesquels il a été payé?

(2) Un journalier âgé de 70 ans a été employé depuis 1900 pour des périodes variant à chaque année de 2 à 12 mois et moyennant un traitement de tant par jour. Deux années seulement, 1911 et 1912, il a travaillé sans arrêt, ce qui porte à son crédit un service total de 147 mois, soit 12 ans et demi, pour ses 21 années de service. Pendant les trois dernières années de son service il n'a travaillé que onze mois sur les douze. Doit-on alors tenir compte de la moyenne de son traitement annuel des trois dernières années et doit-on, aux fins de la retraite, lui accorder un service de 12 ou de 21 ans?

Je demeure, Monsieur, votre obéissant serviteur,

Le sous-ministre de la Justice. WM KEARNS, *A.G. Adj.*

MINISTÈRE DE LA JUSTICE, le 30 août 1921.

MONSIEUR,—Relativement à votre lettre du 10 dans laquelle vous me demandez mon opinion sur deux points qui impliquent une interprétation de la Loi de la mise à la retraite des fonctionnaires publics, je suis d'avis, dans le cas n° 1, que la rente viagère à laquelle l'éclusier a droit est le 30/60ième de la moyenne du traitement de ses trois dernières années de service, ou de la moyenne de son traitement annuel pendant le terme entier de son service, c'est-à-dire la plus élevée de ces deux moyennes; et, dans le deuxième cas, la moyenne du traitement annuel du journalier pour ses trois

salary for the last three years of service should be reckoned upon the basis of what he actually received, and that his length of service should be allowed as twenty-one years.

In my opinion, the terms of the amended definition of "officer" enacted by sec. 2 of chap. 49 of the Statutes of 1921, require the words "Served continuously in the public service" in sub-sec. 2 of sec. 3 of the said Act, as re-enacted by sec. 3 of said chap. 49, to be understood in a larger and more liberal sense than they bore in the original enactment, namely, as comprehending not merely service which has been actually continuous throughout each year and from year to year, but also service for only a portion of each year, if it has been continuous from year to year—in other words, annually recurrent—and is not of the excepted description.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J.*

The Assistant Auditor General.

AUDIT OFFICE, September 8, 1921.

SIR,—I am in receipt of your application for the payment of a gratuity under the Public Service Retirement Act to E. S. Forbes of your department. The Order in Council authorizes this gratuity to be paid notwithstanding the fact that he is under forty-five years of age.

I would call your attention to the fact that certain definite limits are established in the Act. The maximum allowance is fixed at 30/60, two months' salary is the maximum gratuity under subsection 1, section 3 and the annuities under subsection 2 and gratuities under subsection 3 are definitely established within certain limits of age and length of service. In determining the eligibility for an annuity or gratuity under subsections 2 and 3 the minimum age limit for retirement is fixed at forty-five and I am of the opinion that the recent amendment to the Act does not permit the retirement thereunder of an employee less than that age. If so, it might with equal justification be claimed that on a favourable report from the Civil Service Commission more than half his average salary may be paid as an annuity.

Before passing your application I consider it advisable that you submit the question to the Justice Department, if you have not already done so, for their opinion as to the legality of exceeding the limits fixed in the Act.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Deputy Minister, Interior Dept.

JUSTICE DEPT., October 28, 1921.

SIR,—I have the honour to reply to your letter of the 21st ultimo, submitting, for my opinion, the question whether the Civil Service Commission was competent to make the report embodied in Order in Council of August 24, 1921 (P.C. 2915), in relation to the retirement, under the Public Service Retirement Act, of Mr. E. S. Forbes, senior clerk in the Department of the Interior. It appears from the narrative of the said Order in Council that Mr. Forbes is 39 years of age, and on August 1 last had been thirteen years and two months continuously in the public service. He was consequently eligible to receive an amount equal to three months of his salary under the provisions of subsection 3 (*c*) of section 3 of the said Act, and the only

dernières années de service doit être calculée sur le salaire qu'il a touché pendant cette période, et que la durée de son service doit être fixée à vingt et un ans.

A mon sens, les termes de la définition modifiée du mot "fonctionnaire", telle qu'arrêtée à l'article 2 du chapitre 49 des Statuts de 1921, exigent que les mots "ayant servi continuellement dans le service public" de l'alinéa 2 de l'article 3 de ladite loi, tel que modifié par l'article 3 dudit chapitre 49, soient interprétés d'une façon plus large et plus libérale qu'il le sont au décret original, savoir, qu'ils soient considérés comme impliquant non seulement un service continu d'année en année et sans arrêt, mais aussi un service partiel mais se répétant à chaque année, c'est-à-dire un service annuel récurrent, et aussi comme ne faisant pas le sujet de l'exception.

Je demeure, Monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. J.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 8 septembre 1921.

MONSIEUR,—J'ai reçu votre demande relativement au paiement d'une rente viagère, en faveur de E. S. Forbes de votre ministère, en vertu de la Loi de la mise à la retraite des fonctionnaires publics. L'arrêté du conseil stipule le paiement de cette rente viagère nonobstant le fait que l'individu en question n'a pas encore atteint ses quarante-cinq ans.

Je voudrais attirer votre attention sur les limites bien définies que pose la loi en cette matière. L'allocation maxima est fixée à 30/60ièmes; l'alinéa de l'article 3 de la loi pose comme allocation maximum la somme de deux mois de salaire; les alinéas 2 et 3 classent les rentes viagères et les allocations respectivement dans certaines limites d'âge et de durée de service. Lorsqu'il s'agit d'établir le droit que peut avoir un individu à une rente viagère ou une pension en vertu des alinéas 2 et 3 de la loi, la limite d'âge minima pour la mise à la retraite est fixée à quarante-cinq ans, et je suis d'avis que les amendements apportés récemment à la loi n'autorise pas la mise à le retraite d'un fonctionnaire à moins qu'il ait atteint cet âge. S'il en est ainsi, l'on serait également justifié de croire que sur réception d'un rapport favorable de la Commission du Service civil on pourrait lui accorder à titre de rente viagère plus de la moitié de son salaire.

Avant de donner suite à votre demande, je crois qu'il serait préférable de soumettre la question au ministère de la Justice, si vous ne l'avez déjà fait, demandant l'expression d'une opinion relativement à la légalité d'un acte tendant à excéder les limites établies par la loi.

Je demeure, Monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. Adj.*

Le sous-ministre, ministère de l'Intérieur.

MINISTÈRE DE LA JUSTICE, le 28 octobre 1921.

MONSIEUR,—J'ai l'honneur de répliquer à votre lettre du 21 du mois dernier par laquelle vous me demandez si, à mon sens, la Commission du Service civil avait la compétence voulue pour préparer le rapport inclus dans l'arrêté du conseil en date du 24 août 1921 (C.P. 2915), au sujet de la mise à la retraite, sous l'empire de la Loi de la mise à la retraite des fonctionnaires publics, de M. E. S. Forbes, commis senior du ministère de l'Intérieur. D'après le texte dudit arrêté du conseil, il ressort que M. Forbes n'est âgé que de 39 ans et que, le 1er août dernier, il avait à son crédit un service continu de treize années et deux mois dans le service public. Par conséquent, en vertu des stipulations de l'alinéa 3 (c) de l'article 3 de ladite loi, il avait droit à

question presented is whether or not it was competent to the Governor in Council, on the Commission's recommendation, to fix his gratuity at double the amount of three months of his salary. I am of the opinion, in view of the provisions of subsection 6 of section 3 of the said Act, as enacted by section 3 of chapter 49 of the Statutes of 1921, that the question is to be answered in the affirmative.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J.*

The Secretary, Civil Service Commission.

JUSTICE DEPT., November 3, 1921.

SIR,—With further reference to your letter of the 21st September last, in reference to the proposed retirement of Mr. E. S. Forbes, senior clerk in the Department of the Interior, under the provisions of the Public Service Retirement Act, I understand that the question which you really intended to submit was, not whether it is competent to the Commission to recommend, in the circumstances outlined in the Order in Council of August 24, 1921 (P.C. 2915), that Mr. Forbes be granted a gratuity at double the amount of three months' salary, but whether or not Mr. Forbes is eligible at all to receive a gratuity under the said Act, in view of the fact that he is only 39 years of age. I observe that an officer whom it is proposed to retire from the Service must be not less than 45 years of age in order to be eligible to receive a gratuity under the provisions of subsection 3 of section 3 of the said Act, and since Mr. Forbes is not of this age, he is not, in my opinion, eligible to receive any gratuity under the Act unless under provisions of subsection 6 of said section 3 as enacted by section 3 of chapter 49 of the Statutes of 1921, and I am of opinion that the case discloses special circumstances relating to this officer's employment which it is competent to the Commission to report, and which may be taken into consideration in fixing the gratuity which the officer is to receive under the provisions of the said subsection 6, and therefore, I consider that the Order of the 24th August last, is within the powers of the Governor in Council.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, December 23, 1921.

SIR,—With reference to the retirement of Mr. Frank Moberly, assistant engineer, Public Works Department, Toronto, under the provisions of the Public Service Retirement Act, I would point out that although Mr. Moberly, according to the records of the Department of Railways and Canals, seems to have been in the employ of the Government for some portion of the years 1871-5, 1879-80, 1884-5, and 1904-9, the service was for but part of these years, a total of about 103½ months in all. This with his continuous service since May, 1913, would make a total period of service of seventeen years one and a half months only, instead of twenty-six years as claimed in the Order in Council of September 15 (P.C. 3344).

Although in the case of a permanent seasonal employee the season may be reckoned as a year, for purposes of this Act, according to a ruling of the Department of Justice, Mr. Moberly's employment cannot be regarded as seasonal in that sense, as it was of an intermittent nature for varying periods of the year and in varying forms of work.

une somme égale à trois mois de salaire, et la seule question à résoudre, à mon sens, est de savoir s'il relevait de l'autorité du Gouverneur en conseil, sur la recommandation de la Commission, de fixer sa pension à un chiffre deux fois plus élevé que la somme représentant trois mois de son salaire. Je suis d'avis, à cause des stipulations de l'alinéa 6 de l'article 3 de ladite loi, tel que stipulé par l'article 3 du chapitre 49 des Statuts de 1921, que la réponse à cette question doit être affirmative.

Je demeure, Monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. J.*

Le secrétaire, la Commission du Service civil.

MINISTÈRE DE LA JUSTICE, le 3 novembre 1921.

MONSIEUR,—Pour revenir sur le sujet de votre lettre du 21 septembre dernier, ayant trait au projet de la mise à la retraite de M. E. S. Forbes, commis senior au ministère de l'Intérieur, en vertu de la Loi de la mise à la retraite des fonctionnaires publics, je comprends que la question véritable que vous vous proposiez de poser n'était pas de savoir si la Commission avait le pouvoir de recommander, dans les circonstances qu'expose l'arrêté du Conseil (C.P. 2915) en date du 24 août 1921, que l'on accorde à M. Forbes une allocation de retraite s'élevant à deux fois la somme de trois mois de son traitement, mais si, oui ou non, M. Forbes avait droit à cette allocation en vertu de la loi, étant donné qu'il n'est âgé que de 39 ans. Je constate, aux termes de l'alinéa 3 de l'article 3 de ladite loi, que le fonctionnaire retraitant ne doit pas avoir moins de 45 ans pour avoir droit à l'allocation spécifiée par la loi; et, étant donné que M. Forbes n'a pas atteint cet âge, je suis d'avis qu'il n'a droit à aucune allocation de retraite, si l'on tient compte des stipulations de l'alinéa 6 dudit art. 3, tel que décrété par l'art. 3 du chap. 49 des Statuts de 1921. Je suis aussi d'avis que ce cas particulier s'entoure de circonstances spéciales ayant trait à l'emploi dudit fonctionnaire et au sujet desquelles la Commission a droit de faire rapport et lesquelles peuvent compter dans l'établissement de l'allocation de retraite que peut recevoir ledit fonctionnaire aux termes dudit alinéa 6, et, par conséquent, je crois que l'arrêté du Conseil du 24 août dernier était du ressort du Gouverneur en conseil.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. de la J.*

Le Secrétaire, La Commission du Service civil.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 23 décembre 1921.

MONSIEUR,—Relativement à la mise à la retraite de M. Frank Moberly, ingénieur adjoint, ministère des Travaux publics, à Toronto, sous l'empire de la Loi de la mise à la retraite des fonctionnaires civils, je ferai remarquer que, d'après les dossiers du ministère des Chemins de fer et Canaux, bien que M. Moberly ait été à l'emploi du gouvernement pendant certaines périodes des années 1871-75, 1879-80, 1884-85, et 1904-09, ses services n'ont été utilisés que pendant une partie de chacune de ces années, au point de représenter en tout un service de 103 mois et demi. Ceci, ajouté à son service continu depuis mai 1913, représente une période d'emploi totale de 17 ans et un mois et demi seulement, au lieu de 26 ans comme il est indiqué à l'arrêté du Conseil du 15 septembre (C.P. 3344).

Toutefois, dans le cas d'un emploi permanent mais de saison seulement, l'on peut considérer la saison d'emploi comme l'année de service, aux fins de cette loi, selon la décision du ministère de la Justice, mais dans le cas de M. Moberly on ne peut pas considérer son emploi comme étant de saison en ce sens, car son emploi qui était d'une nature intermittente et ne s'étendait qu'à des époques variées de l'année s'appliquait à des travaux de divers genres.

On what basis did the Civil Service Commission make the recommendation for an annuity of 26/60 of his average salary?

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, December 29, 1921.

DEAR SIR,—I am in receipt of your communication of the 23rd instant with reference to the retirement of Mr. Frank Moberly, Assistant Engineer of the Public Works Department, Toronto, in which you point out that although Mr. Moberly, according to the records of the Department of Railways and Canals, seems to have been in the employ of the Government for some portion of the years 1871-75, 79-80, 1884-85, and 1904-09, the service was for a part of these years, making a total in all of about 103½ months.

In reply I am to advise you that in the statement of Mr. Moberly's service with the Federal Government submitted to this office, it was stated that he was employed from:—

1871-80, 8 years; 1884-87, 3 years; 1891, ½-year; 1904-09, 5 years; 1913-21, 8 years 3 months.

Upon further examination it was found that the period from 1904-09 was inclusive, making a service of six years instead of five, so that the total service as submitted was twenty-five years and nine months, or, for purposes of calculating the annuity, twenty-six years.

Upon the hearing of Mr. Moberly's appeal this service was reviewed, and it was the concensus of the Civil Service Commission that a special recommendation should be made to Council under Section 3 (6), with a view to granting Mr. Moberly as large a retiring annuity as possible under the Act. At the time the recommendation was made it was believed in the Commission that he had actually had twenty-five years and nine months' service, and therefore it was recommended that his annuity should be based on twenty-six years' service. If, now, it is found that the service was of a more intermittent nature than the Commission had reason to believe, it would still seem possible to grant Mr. Moberly an annuity of twenty-six sixtieths of his average salary for the last three years, especially in view of the ruling given by the Justice Department with reference to the case of Lt.-Col. Duncan MacPherson (a copy of which was sent you), where on account of special circumstances surrounding the case, the Department of Justice gave it as its opinion that under the said Section 3 (6) it is possible to grant to an employee a retiring annuity up to the maximum allowable under the Act, i.e., 30/60, irrespective of the length of service.

If, in view of the records not substantiating a greater portion of the service listed in the Order in Council of September 15, 1921, P.C. 3344, you consider the authority granted thereby not sufficient to pay Mr. Moberly an annuity of twenty-six sixtieths of his average salary, the Commission will review the matter with a view to making a further recommendation to Council regarding the same.

Yours truly,

W. FORAN, *Secretary.*

The Auditor General.

Sur quoi s'appuie la Commission pour recommander en sa faveur une rente viagère représentant les 26/30ièmes de la moyenne de son traitement?

Je demeure, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le Secrétaire, La Commission du Service civil.

COMMISSION DU SERVICE CIVIL, 29 décembre 1921.

CHER MONSIEUR,—J'accuse réception de votre lettre du 23 courant relativement à la mise à la retraite de M. Frank Moberly, ingénieur adjoint du ministère des Travaux publics, Toronto, dans laquelle vous faites remarquer que M. Moberly, d'après les archives du ministère des Chemins de fer et Canaux, semble n'avoir été à l'emploi du gouvernement que pendant certaines parties des années 1871-75, 1879-80, 1884-85, et 1904-09, le service était pour une partie de ces années, ce qui fait un total de 103½ mois.

En réponse, je dois vous dire que dans l'état concernant le service de M. Moberly à l'emploi du gouvernement fédéral qui a été présenté à ce bureau, on déclare qu'il a

été employé de	1871-80	8 ans	
	1884-87	3 "	
	1891	½ "	
	1904-09	5 "	
	1913-21	8 "	3 mois

Après avoir étudié cet état on a constaté que la période de 1904-09 était inclusive, ce qui faisait un service de six ans au lieu de 5 ans, de sorte que la durée totale du service d'après l'état soumis était de vingt-cinq ans et neuf mois, ou 26 ans pour les fins du calcul de la pension.

Lorsqu'on a entendu l'appel de M. Moberly, on a passé son service en revue et la Commission du Service civil en est venue à la conclusion que l'on devait faire une recommandation spéciale au Conseil en vertu de l'article 3 (6) dans le but d'accorder une pension aussi considérable que possible à M. Moberly aux termes de la Loi. Lorsque la recommandation a été faite la Commission croyait qu'il avait réellement fait vingt-cinq ans et neuf mois de service, et en conséquence elle a recommandé que sa pension soit basée sur un service de vingt-six ans de durée. Si, maintenant, il est démontré que le service a été de nature plus intermittente que ne le croyait la Commission, il semble encore possible de lui accorder une pension se chiffrant aux vingt-six soixantièmes de la moyenne de son salaire au cours des trois dernières années, particulièrement en tenant compte du jugement rendu par le ministère de la Justice dans le cas du Lt.-Col. Duncan MacPherson, (dont copie vous a été envoyée), ou à cause de circonstances particulières relatives à ce cas le ministère de la Justice exprima l'opinion qu'il était possible en vertu de l'article 3 (6) d'accorder à un employé le maximum de la pension autorisée par la loi, i.e., 30/60, sans égards à la longueur du service.

Si, par ce que les faits prouvent que la durée de son service n'est pas telle que mentionnée dans l'arrêté en Conseil du 15 septembre 1921, C.P. 3344, vous croyez que l'autorisation accordée de ce chef n'est pas suffisante pour justifier le paiement à M. Moberly d'une pension annuelle égale aux vingt-six soixantièmes de la moyenne de son salaire, la Commission étudiera de nouveau ce cas dans le but de faire une autre recommandation au Conseil à ce sujet.

Bien à vous,

W. FORAN, *secrétaire.*

L'Auditeur général.

AUDIT OFFICE, January 12, 1922.

SIR,—I was in receipt yesterday of your letter of the 29th ultimo in regard to the retirement of Mr. Frank Moberly, Public Works Department.

In my previous letter I gave my reasons for reducing Mr. Moberly's period of service from twenty-six to seventeen years. If the Commission was not fully informed as to his service when they recommended that his annuity should be based on twenty-six years' service, it is a question for them to decide whether his case should be reviewed and a new recommendation submitted. It is true that in the opinion of the Deputy Minister of Justice, to which you refer, it is possible to grant an employee a retiring annuity of 30/60 irrespective of his length of service. That is probably the strict legal interpretation of that section, but the application of it should not be inconsistent with the spirit of the whole Act.

Before certifying to the payment of the annuity as calculated by you I should consider it advisable to refer the matter to the Treasury Board in order to obtain its approval to such a broad interpretation of the Act.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, January 20, 1922.

DEAR SIR,—I am in receipt of your communication of the 12th instant, with reference to the proposed retirement from the Public Service of Mr. Frank Moberly, Department of Public Works, in which you state that before certifying to the payment of the annuity as calculated according to the Order in Council of September 15, P.C. 3344, you would consider it advisable to refer the matter to the Treasury Board in order to obtain its approval to such a broad interpretation of the Act.

In reply I am to state that the Civil Service Commission is reviewing the whole question of Mr. Moberly's retirement, and requests that you delay action with regard to the matter until a further report is sent from this office.

Yours very truly,

R. PATCHING, *for Secretary.*

The Auditor General.

Public Service Retirement Act, 1920: Retirements Recommended Contrary to Provisions of the Act

AUDIT OFFICE, June 8, 1921.

SIR,—I would call your attention to Order in Council No. 1131 which is stated to have been passed on the report and recommendation of the Chairman of the Civil Service Commission.

You recommend that "permanent employees coming under the Superannuation Act to receive the leave and allowances provided therein." I would point out that there is no provision made in the Superannuation Act for leave.

(*b*) "Permanent employees of 45 or over who do not come under the Superannuation Act to receive the same leave and allowances as provided in the Calder Act."

BUREAU DE L'AUDITEUR, 12 janvier 1922.

MONSIEUR, — J'ai reçu votre lettre du 20 du mois dernier concernant la mise à la retraite de M. Frank Moberly, du ministère des Travaux publics.

Dans ma lettre antérieure j'ai donné les raisons pour lesquelles la période de service de M. Moberly était diminuée de vingt-six ans à dix-sept ans. Si la commission n'était pas bien renseignée sur la durée de son service lorsqu'elle a recommandé que sa pension annuelle soit basée sur un service de 26 années de durée, c'est à elle maintenant de décider si ce cas doit être étudié de nouveau et si elle doit faire une nouvelle recommandation à ce sujet.

Il est vrai que de l'avis du sous-ministre de la Justice, auquel vous faites allusion, il est possible d'accorder une pension annuelle égale aux 30/60 du salaire, sans égards à la longueur du service. C'est probablement l'interprétation stricte au point de vue légal de cet article, mais son application devrait être conforme à l'esprit de la loi.

Avant d'autoriser le paiement de la pension annuelle telle que déterminée par vous, je crois qu'il est préférable de référer la question au Conseil de la Trésorerie afin d'obtenir son approbation de cette libre interprétation de la loi.

Je suis, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, 20 janvier 1922.

CHER MONSIEUR, — J'accuse réception de votre lettre du 12 courant, relativement à la mise à la retraite de M. Frank Moberly, ministère des Travaux publics, dans laquelle vous dites qu'avant d'autoriser le paiement de la pension annuelle telle que déterminée d'après l'Arrêté en Conseil du 15 septembre, C.P. 3344, vous croyez qu'il serait préférable de référer la question au Conseil de la Trésorerie afin d'obtenir son approbation de cette libre interprétation de la loi.

En réponse je dois vous dire que la Commission du Service civil est à étudier de nouveau la question de la mise à la retraite de M. Moberly, et elle vous demande de ne rien faire à ce sujet avant qu'un autre rapport soit envoyé de ce bureau.

Bien à vous,

R. PATCHING, *pour le secrétaire.*

L'Auditeur général.

Loi de retraite du Service public, 1920: Mises à la retraite recommandées contrairement aux dispositions de la loi

BUREAU DE L'AUDITEUR, 8 juin 1921.

MONSIEUR,—J'attire votre attention sur l'Arrêté en Conseil, n° 1131, lequel a été adopté, dit-on, d'après le rapport et sur la recommandation du président de la Commission du Service civil.

Vous recommandez que "les employés permanents, qui tombent sous le coup de la Loi du Fonds de Retraite, reçoivent le congé et les allocations qui y sont autorisés". Je vous ferai remarquer qu'il n'y a pas de disposition dans la Loi du Fonds de Retraite concernant le congé.

(*b*) "Les employés permanents âgés de 45 ans ou plus qui ne tombent pas sous le coup de la Loi du Fonds de Retraite recevront le congé et les allocations autorisés par la Loi Calder".

Is it intended that these officials be retired under the Retirement Act of 1920? Neither your recommendation or the Order in Council so states and if they are not being retired thereunder I would like to be informed under what statutory authority they may be granted such leave and allowances.

(*c*) "Employees who do not come under either the Superannuation Act or the Calder Act to receive one month's salary for each full period of five years and over, etc., etc."

Under what statutory authority is such payment to be made and has any provision been made in the Supply Bill for these allowances?

(*d*) "Temporary employees to receive one month's salary."

The regulations of the Civil Service Commission governing leave were framed under the authority of the Civil Service Act and they make no provision for any such leave to temporary employees.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Chairman, Civil Service Commission.

AUDIT OFFICE, June 8, 1921.

SIR,—I am in receipt of an Order in Council of June 4, 1921, retiring Martin Flynn, Customs Excise Examiner, at Montreal, his name having been included with others in the Order in Council of April 6, which was passed on the recommendation of the Chairman of the Civil Service Commission.

For several reasons it would appear that Mr. Flynn's retirement is not being authorized under the Retirement Act of 1920. The Act calls for these recommendations to be made by the Civil Service Commission—not by the chairman only. In the Order in Council of April 6, it is stated that "permanent employees of 45 years and over who do not come under the Superannuation Act shall receive the same leave and allowance as is provided in the Calder Act." If it is intended to retire Mr. Flynn under the Act of 1920 the Order in Council should so state. If not there is no statutory authority for retiring him with the leave and allowances of that Act.

Under an Order in Council of June 1, W. H. Conklin, Collector of Inland Revenue at Moose Jaw is being retired and in accordance with the Order in Council of April 6 is to be paid a gratuity of four months' salary. As Mr. Conklin is under 45 years of age he is not eligible to receive more than two months' salary under the Act of last session.

I have to request that no payment be made to him under this Order in Council until it has been definitely determined that there is statutory authority for the payment of the gratuity named and that the necessary provision has been made in the Supply Bill.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Deputy Minister, Customs and Inland Revenue.

AUDIT OFFICE, June 14, 1921.

SIR.—I have received an Order in Council of 11th instant providing for the retirement of sundry officials of the Post Office Department. It recommends that retiring allowances be granted as follows:—

Est-ce l'intention de mettre ces fonctionnaires à la retraite en vertu de la Loi de retraite du service public de 1920? Votre recommandation et l'arrêté en Conseil ne le disent pas, et s'ils ne le sont pas je désirerais savoir en vertu de quelle autorité statutaire on peut accorder ce congé et ces allocations.

(*c*) "Les employés qui ne tombent pas sous le coup de la Loi du Fonds de Retraite ou de la Loi Calder recevront un mois de salaire pour chaque période complète de cinq ans et plus, etc., etc."

En vertu de quelle autorité statutaire ce paiement sera-t-il fait et a-t-on compris l'argent nécessaire pour ces allocations dans le Bill des Subsides?

(*d*) "Les employés temporaires recevront un mois de salaire".

Les règlements de la Commission du Service civil concernant les congés ont été rédigés conformément à la Loi du Service civil et il n'y est aucunement fait mention de congés de cette nature pour les employés temporaires.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le président, Comission du Service civil.

BUREAU DE L'AUDITEUR, 8 juin 1921.

MONSIEUR,—J'accuse réception d'un arrêté en Conseil, daté le 4 juin, mettant à la retraite Martin Flynn, examinateur de douane et d'accise, à Montréal. Son nom est inclus avec certains autres dans l'arrêté en Conseil du 6 avril, qui a été adopté sur la recommandation du président de la Commission du Service civil.

Il semble pour plusieurs raisons que la mise à la retraite de M. Flynn n'est pas autorisée par la Loi de Retraite du service public de 1920. La loi stipule que les recommandations doivent être faites par la Commission du Service Civil—non pas par le président seulement. Dans l'arrêté en Conseil du 6 avril il est dit que "les employés permanents de 45 ans et plus qui ne tombent pas sous le coup de la loi du Fonds de Retraite recevront le congé et les allocations autorisés par la Loi Calder". Si on a l'intention de mettre M. Flynn à la retraite en vertu de la loi de 1920, l'arrêté en Conseil devrait en faire mention. Si tel n'est pas le cas il n'y a pas d'autorité statutaire qui permet de le mettre à la retraite avec le congé et les allocations accordés par cette loi.

W. H. Conklin, percepteur du Revenu de l'intérieur à Moosejaw, est mis à la retraite en vertu d'un arrêté en Conseil adopté le 1er juin, et conformément à l'arrêté en Conseil du 6 avril on lui accorde une gratification de quatre mois de salaire. Comme M. Conklin est âgé de moins de 45 ans il n'a pas droit de recevoir plus de deux mois de salaire en vertu de la loi passée à la dernière session.

Je me vois dans l'obligation de demander qu'aucun paiement ne lui soit fait en vertu de cet arrêté en Conseil jusqu'à ce qu'il soit établi clairement que la loi autorise le paiement de la gratification mentionnée et que les crédits nécessaires à cet fin ont été compris dans le Bill des subsides.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre, Douane et Revenu de l'intérieur.

BUREAU DE L'AUDITEUR, 14 juin 1921.

MONSIEUR,—J'ai reçu un arrêté en Conseil, daté le 11 du mois courant, mettant à la retraite divers fonctionnaires du ministère des Postes. Il recommande que les allocations de retraite soient accordées comme suit:

(*a*) Permanent employees coming under the Superannuation Act to receive the leave and allowances provided therein.

(*b*) Permanent employees who do not come under the Superannuation Act to receive the same leave and allowances as provided in the Calder Act.

(*c*) Temporary employes to receive one month's salary.

I would call your attention to the provisions of the Superannuation and Retirement Act, chapter 17, which states that:—

"No civil servant shall be superannuated unless the Treasury Board reports that he is eligible within the meaning of this Act and that such superannuation will be in the public interest."

That report by the Treasury Board has not been made.

I conclude that the persons under Clause *b* are not being retired under the Retirement Act of 1920 (chapter 67), designated in the Order in Council as the "Calder Act," but it is stipulated that they shall receive the same leave and allowances provided therein.

I know of no authority other than that Act under which its terms can be applied in these cases. If it is intended to apply it, may I call your attention to section 2 (1) relating to the report to be submitted to Council, after consultation with the Deputy Head and also to 2 (3) providing that the officials be notified of the intention to retire them and giving them the right of appeal to the Civil Service Commission.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, June 21, 1921.

SIR,—I am in receipt of Order in Council No. 1872 authorizing the approval of the recommendation of the Chairman of the Subcommittee on Reorganization and Efficiency as to the retirement of certain officials in your Department.

I would point out that the report of the Civil Service Commission on which this recommendation is based is inconsistent with the statutes governing leave and retirement, as follows:—

(*a*) "Permanent employees coming under the Superannuation Act to receive the leave and allowances provided therein."

There is no leave provided in the Superannuation Act, and under Section 9 of that Act the procedure to be followed towards the superannuation of an employee under the Act is placed under the administration of the Treasury Board and not the Civil Service Commission.

(*b*) Permanent employees who do not come under the Superannuation Act to receive the same leave and allowances as provided in the Calder Act."

If it is intended to retire these officials under the Public Service Retirement Act is should so state and the officials be granted all the privileges to which they are entitled thereunder. If not so intended, there is no statutory authority for granting them the leave and allowances provided in the "Calder" Act and payment of any such gratuities or allowances cannot legally be made.

(*c*) "Temporary employees to receive one month's salary."

This is inconsistent with the Civil Service Regulations governing leave of absence which were framed under the authority of the Civil Service Commission.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Postmaster General.

(*a*) Les employés permanents qui tombent sous le coup de la Loi du Fonds de Retraite recevront le congé et les allocations qui y sont autorisés.

(*b*) Les employés permanents qui ne tombent pas sous le coup de la Loi du Fonds de Retraite recevront le congé et les allocations autorisés par la Loi Calder.

(*c*) Les employés temporaires recevront un mois de salaire.

Par. 10. "Aucun membre du service civil n'est mis à la retraite à moins que le Conseil du Trésor n'ait fait rapport qu'il peut y être admis aux termes de la présente loi, et que sa mise à la retraite est de l'intérêt public."

Ce rapport du Conseil de la Trésorerie n'a pas été fait.

Je conclus que les personnes tombant sous le coup du paragraphe (*b*) ne sont pas mis à la retraite en vertu de la Loi de Retraite du service public de 1920 (chapitre 67), désignée dans l'arrêté en Conseil sous le nom de "Loi Calder", mais il est stipulé que ces personnes recevront le congé et les allocations qui y sont autorisés.

Je ne connais aucune autre autorité que cette loi qui autorise l'application de ses dispositions dans ces cas. Si on a l'intention d'appliquer cette loi, me permettra-t-on d'attirer votre attention à l'article 2 (1) concernant le rapport qui doit être soumis au Conseil, après consultation avec les sous-ministres et aussi à l'article 2 (3) stipulant que les fonctionnaires qui doivent être mis à la retraite soient avertis de la chose et aient le droit d'en appeler à la Commission du Service civil.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A. G.*

Le secrétaire de la Commission du Service civil.

BUREAU DE L'AUDITEUR, 21 juin 1921.

CHER MONSIEUR,—Je reçois l'arrêté ministériel n° 1872 autorisant l'approbation de la recommandation du président du sous-comité de la réorganisation et de l'efficacité relativement à la retraite de certains fonctionnaires de votre département.

Je désire déclarer que le rapport de la Commission du Service civil qui sert de base à cette recommandation est contraire aux statuts qui règlent les congés et les retraites comme suit:

(*a*) "Les employés permanents qui tombent sous la loi des pensions recevront leur retraite et les allocations que comporte la loi".

La loi des pensions ne fait aucune mention de la retraite et l'article 9 de cette loi, relatif à la prise de retraite d'un employé sous l'empire de la loi, veut que la procédure à adopter soit confiée au conseil du Trésor et non à la Commission du Service civil.

(*b*) "Les employés qui ne tombent pas sous la Loi des Pensions auront droit à la même retraite et aux mêmes allocations que celles que comporte la Loi Calder".

Si on se propose d'accorder leur retraite à ces personnes sous l'empire de la Loi des Pensions du service public, il faudrait le dire et accorder aux fonctionnaires tous les privilèges auxquels ils ont droit de ce chef. Sinon il n'existe aucune règle statutaire permettant de leur accorder leur retraite et les allocations autorisées par la Loi "Calder", et il est illégal de payer ces gratifications ou allocations.

(*c*) Les employés temporaires auront droit à un mois de salaire".

Cette disposition est opposée aux règlements du Service civil relatif aux retraites et que l'on a créés sous l'inspiration de la Commission du Service civil.

Votre obéissant serviteur,

Le sous-ministre des Postes. E. D. SUTHERLAND, *A.G.*

CIVIL SERVICE COMMISSION, July 18, 1921.

DEAR SIR,—I am in receipt of your letter of the 15th instant in which you request to be furnished with the usual declarations of age in regard to those officials who are being retired from the Departments of Customs and Excise and the Post Office under the Public Service Retirement Act since, as you state, you are in receipt of applications for the retiring allowances and the declarations are necessary before any payments can be made.

In reply I am to advise you that, although certain retirements from the Departments of Customs and Excise and the Post Office authorized by certain Orders in Council passed upon the report of the Subcommittee of Council on Reorganization and Efficiency are made under the provisions of, and with the allowances determined by the Public Service Retirement Act of 1920, it was only with regard to a certain few that correspondence with the employees concerned had been initiated by the Civil Service Commission.

Under the provisions of the Public Service Retirement Act a certain number of retirements of both the departments were engaging the attention of the Commission. In many cases the recommendations for these individual retirements were before Council when the Orders in Council on the recommendation of the Subcommittee of Council on Reorganization and Efficiency were passed. Consequently, with regard to all these cases, the declarations of age will be supplied in the same way as if the summary orders had not been passed, but with regard to those officers whose cases were not individually treated by the Commission, and as a consequence no correspondence had been had with the individual concerned, it is not proposed to have the Civil Service Commission secure the declarations of age. This would seem to be a matter for the department, as the department is already carrying on a correspondence with the individual, and it would be much simpler and productive of less delay if the birth certificate be thus secured.

Yours truly,

The Auditor General. W. FORAN, *Secretary.*

AUDIT OFFICE, July 28, 1921.

DEAR SIR,—I am in receipt of yours of the 18th instant in which you state that in the cases of those officers who have been retired from the service and whose cases were not handled individually by the Civil Service Commission, that it will be necessary for this office to obtain the necessary declarations of age through the departments in which they were employed.

I would call your attention to the fact that all the retirements authorized under the Public Service Retirement Act call for their approval by the Civil Service Commission. From your letter it appears that the same procedure is not being followed in all cases, and it is noted that in many of the Orders in Council relating to the retirement of officials in the Customs and Excise and Post Office Departments it is stated that the recommendations for the retirements are made by the Chairman of the Civil Service Commission.

As action by the Civil Service Commission calls for the signature of more than one Commissioner, I have to request to be informed whether these retirements have been officially recommended by the Civil Service Commission and not by the Chairman only, as is stated in the Orders.

For the convenience of the departments and this office, I consider it advisable that all the retirements should be handled in the same way so that we may have uniformity in the administration of the Act.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Secretary, Civil Service Commission.

COMMISSION DU SERVICE CIVIL, 18 juillet 1921.

CHER MONSIEUR, — Je reçois votre lettre du 15 de ce mois dans laquelle vous me demandez de vous fournir les déclarations usuelles d'âge des fonctionnaires des départements de la Douane, de l'Accise et des Postes qui prennent leur retraite sous l'empire de la Loi de Retraite du service public, vu que, comme vous en faites mention, vous recevez des demandes d'allocations de retraite et que les déclarations sont nécessaires pour autoriser tous payements.

En réponse je dois vous dire que, bien que certaines mises à la retraite aux départements de la Douane, de l'Accise et des Postes autorisées par certains arrêtés ministériels, passés à la suite du rapport du sous-comité du conseil de la réorganisation et de l'efficacité, soient autorisées conformément aux dispositions de la Loi de Retraite du service public de 1920 et soient dotés des allocations déterminées par cette loi, ce n'est que pour un petit nombre qu'il s'est échangé de la correspondance entre les employés de ces départements et la Commission du Service civil.

En vertu de la loi de Retraite du service public un certain nombre de mises à la retraite dans ces deux département retiennent actuellement l'attention de la Commission. Dans plus d'un cas les recommandations relatives à ces retraites individuelles se trouvaient déjà devant le Conseil quand on a passé les arrêtés ministériels à la suite de la recommandation du sous-comité de la réorganisation et de l'efficacité. Il suit donc que pour tous ces cas les déclarations d'âge seront fournies de même façon que si l'on n'avait pas passé les arrêtés sommaires; cependant, quant aux fonctionnaires dont le cas n'avait pas été traité individuellement par la Commission, et alors que de ce fait il n'y avait eu aucun échange de lettres avec l'individu en question, la Commission du Service civil n'a pas l'intention de fournir les déclarations d'âge. Il semble que ce soin soit dévolu au département vu que ce dernier entretient déjà actuellement une correspondance avec la personne visée et qu'il serait plus simple et plus expéditif d'obtenir par lui le certificat de naissance.

Bien à vous,

L'Auditeur général. W. FORAN, *secrétaire.*

BUREAU DE L'AUDITEUR, 28 juillet 1921.

CHER MONSIEUR, — Je reçois votre lettre du 18 de ce mois où vous déclarez que, pour ce qui a trait aux fonctionnaires qui se sont retirés du service et dont le cas n'a pas été réglé individuellement par la Commission du Service civil, il sera nécessaire que ce bureau se fasse délivrer les déclaration d'âge par la voie des départements où ces fonctionnaires étaient employés.

Je désire attirer votre attention sur le fait que toutes les mises à la retraite autorisées par la loi de Retraite du service public ont besoin de la sanction de la Commission du Service civil. Votre lettre semble vouloir dire qu'on n'en agit pas de même pour tous les cas et on ajoute que pour nombre d'arrêtés ministériels relatifs à la mise à la retraite de fonctionnaires de la Douane, de l'Accise et des Postes, il est établi que la recommandation visant les mises à la retraite proviennent du président de la Commission du Service civil.

Vu que les actes de la Commission du Service civil requièrent la signature de plus d'un commissaire, je vous demande de bien vouloir me dire si ces prises de retraites ont reçu la recommandation officielle de la Commission du Service civil et non du président seulement comme le veulent les arrêtés.

Pour la commodité des départements et de ce bureau, il me semble à propos que les prises de retraite soient réglées toutes de même façon afin qu'il y ait uniformité dans l'administration de la loi.

Je suis, Monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire de la Commission du Service civil.

CIVIL SERVICE COMMISSION, September 2, 1921.

DEAR SIR,—In reply to your letter of July 28 with reference to the retirements being effected under the terms of the Public Service Retirement Act, in which you point out that in many of the Orders in Council relating to the retirements of officers in the Customs and Excise and Post Office Departments, it is stated that the recommendations for the retirements are made by the Chairman of the Civil Service Commission, I have to advise you that the reports sent by the Civil Service Commission to the Subcommittee of Council on Reorganization and Efficiency were signed by the Chairman of the Civil Service Commission officially for the Civil Service Commission, and the Orders in Council which were ultimately passed as a result of the report of the Subcommittee of Council, should state that the recommendation had been made by the Civil Service Commission not by the Chairman only. The attention of the Privy Council office is being directed to this matter, and I trust that no further inconvenience will be occasioned in this regard.

With regard to the apparent lack of uniformity regarding retirements that are being effected from the public service, I have to point out that while certain retirements consummated as a result of the report of the Subcommittee of Council on Reorganization and Efficiency are being granted the retiring allowances provided in the Public Service Retirement Act, they are actually not retired under the provisions of that Act since no appeal is allowed and since in other particulars the Act is not conformed with.

Yours truly

W. FORAN, *Secretary.*

The Auditor General.

AUDIT OFFICE, September 10, 1921.

DEAR SIR,—I am in receipt of yours of the 2nd instant in reference to the procedure followed for retirements under the Public Service Retirement Act. If, as you state, these reports to Council were signed by the Chairman of the Commission only, the requirements of that Act have not been complied with as that Act calls in every case for the report or opinion of the Civil Service Commission, it being understood that any official action taken by the Commission has been signed by at least two members thereof. That understanding would appear to be correct in view of the opinion given by the Deputy Minister of Justice to you on November 30, 1917,

As to the retirements effected on the report of the Subcommittee of Council on Reorganization and Efficiency not being actually authorized under the Public Service Retirement Act, I would point out that they must be retired under that Act if they are to receive the allowances recommended. There is no other Act which authorizes such allowances and no vote from which they can be paid except that provided in that Act.

As I am certifying each day to payments of these allowances to officials retired on the recommendation of the committee to which you refer, it is essential in order to avoid illegal payments that the requirements of the Public Service Retirement Act be complied with and one of the important requirements is that the Civil Service Commission report favourably on each one.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission.

COMMISSION DU SERVICE CIVIL, 2 septembre 1921.

CHER MONSIEUR,—En réponse à votre lettre du 28 juillet relative aux retraites effectuées sous l'empire de la Loi de retraite du service public et où vous déclarez que dans plusieurs arrêtés ministériels ayant trait à la retraite de fonctionnaires de la Douane, de l'Accise et des Postes, il est établi que la recommandation à la retraite est faite par le président de la Commission du Service civil, je dois vous aviser que les rapports envoyés par la Commission du Service civil au sous-comité du conseil de la réorganisation et de l'efficacité ont été signés par le président de la Commission du Service civil agissant officiellement au nom de la Commission du Service civil, et que les arrêtés passés en fin de compte à la suite du rapport du sous-comité du conseil devraient établir que la recommandation vient de la Commission du Service civil et non pas seulement de son président.

L'attention du bureau du Conseil privé a été attirée sur cette affaire et j'aime à croire que nous n'aurons plus d'embarras de ce chef.

Quant au manque apparent d'uniformité au sujet des retraites qui se produisent dans le service public, je désire déclarer que si certaines retraites ont eu lieu à la suite du rapport du sous-comité du conseil de la réorganisation et de l'efficacité et bénéficient des allocations de retraite que comporte la Loi de retraite du service public, elles n'ont pas lieu en réalité conformément à cette loi puisque aucun droit d'appel n'est autorisé et que par ailleurs la loi n'est pas respectée.

Bien à vous,

W. FORAN, *secrétaire.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 10 septembre 1921.

CHER MONSIEUR,—Je reçois votre lettre du 2 de ce mois relativement à la coutume établie pour ce qui touche aux retraites qui se produisent sous l'empire de la Loi de retraite du service public.

Si, comme vous l'affirmez, ces rapports adressés au conseil sont signés seulement par le président de la commission, les dispositions de la loi ne se trouvent pas remplies car la loi exige, dans chaque cas, le rapport ou l'avis de la Commission du Service civil, car il est bien entendu que tout acte officiel posé par la Commission a été signé par au moins deux de ses membres. Cette entente semblerait être conforme aux faits si l'on tient compte de l'avis formulé par le sous-ministre de la Justice à vous-même le 30 novembre 1917.

Quant aux retraites effectuées à la suite du rapport du sous-comité du conseil de la réorganisation et de l'efficacité et qui ne sont pas réellement autorisées par la Loi de retraite du service public, je dois déclarer que ces retraites doivent s'effectuer conformément à la loi si l'on veut qu'elles bénéficient des allocations recommandées. Il n'existe aucune autre loi qui autorise ces allocations et aucun vote qui permette ces versements si ce n'est celui prévu par la loi.

Comme j'ai chaque jour à sanctionner le versement de ces allocations en faveur de fonctionnaires retraités en m'appuyant sur la recommandation du comité auquel vous faites allusion, il est essentiel, pour éviter des payements illégaux, que l'on obéisse aux dispositions de la Loi de retraite du service public, or l'une de ces dispositions est à l'effet que la Commission du Service civil fasse rapport favorablement pour chacun d'eux.

Je suis, Monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le secrétaire, Commission du Service civil.

Error in Report for 1919-20

AUDIT OFFICE, OTTAWA, May 12, 1921.

SIR,—During the discussion in the House on the estimates of your Department on Saturday last, the 7th inst., attention was drawn by Mr. Ross to an error on page D-43 of my Report, where three officers were shown as being employed at the outport of Strathroy, instead of at the port of London.

I regret the error exceedingly which arose from the fact that the names of these officers appeared at the foot of the paylist, immediately after the name of the sub-collector at Strathroy, being separated from the names of the other employees at London by the names of the sub-collectors at Parkhill and Strathroy. The clerk who compiled the figures for my Report was misled by the position in which these names appeared, and concluded that, as they immediately followed the name of the sub-collector at Strathroy, they were also employed at that out-port.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

Deduction for Retirement Fund from Compensation as Registrars of Shipping

CUSTOMS OFFICE, May 20, 1921.

SIR,—This Department is in receipt of a statement from the Civil Service Commission, showing the compensation to be allowed Collectors or Sub-collectors of Customs and Excise who act as Registrars of shipping. These amounts range from $60. to $300. per annum.

I therefore addressed a letter to the Secretary of the Civil Service Commission with a view to ascertaining whether the compensation so allowed was to be included in the total amount of income received by the employee in determining his status re payment of bonus; and also as to whether this amount was subject to the usual monthly deduction for Retirement Fund or Superannuation Fund. A reply was received giving information respecting compensation for bonus purposes, but suggesting that the information regarding deduction for these Funds be obtained from your office.

I am, sir, your obedient servant,

R. R. FARROW, *Com. and Dep. Minister.*

The Auditor General, Ottawa.

AUDIT OFFICE, May, 31, 1921.

SIR,—I beg to acknowledge receipt of your letter of the 20th instant, asking whether the compensation allowed Collectors and Sub-collectors who act as Registrars of Shipping should be subject to the annual monthly deduction for Retirement Fund or for Superannuation Fund.

In reply I beg to state that in my opinion, as such compensation is established by the Civil Service Commission and approved of by the Governor in Council, and, further,

Erreur dans le rapport de 1919-20

BUREAU DE L'AUDITEUR, OTTAWA, 12 mai 1921.

MONSIEUR,—Lors de l'étude des prévisions budgétaires de votre ministère, à la Chambre, samedi dernier le 7 courant, M. Ross a attiré l'attention sur une erreur dans mon rapport, à la page D-43. Il y est dit que trois fonctionnaires ont été employés au port dépendant de Strathroy au lieu du port de London.

Je regrette beaucoup cette erreur commise parce que les noms de ces fonctionnaires se trouvent au bas du bordereau de paie, immédiatement après le nom du sous-percepteur de Strathroy et sont séparés de ceux des autres employés de London par les noms des sous-percepteurs de Parkhill et de Strathroy. En compilant les chiffres pour mon rapport, le commis a été induit en erreur par la situation de ces noms sur le bordereau de paie et comme ils suivaient immédiatement le nom du sous-percepteur de Strathroy il en a conclu qu'ils étaient aussi employés à ce port dépendant.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Déduction pour le fonds de retraite de l'indemnité à titre de régistrateurs des navires

MINISTÈRE DES DOUANES, 20 mai 1921.

MONSIEUR,—Le ministère des douanes a reçu de la Commission du Service civil un état de l'indemnité à accorder aux percepteurs ou sous-percepteurs des douanes et de l'accise qui remplissent les fonctions de régistrateurs des navires. Ces sommes varient de $60 à $300 par année.

J'ai donc adressé une lettre au secrétaire de la Commission du Service civil afin de m'assurer si l'indemnité ainsi accordée devrait être comprise dans la somme totale du revenu reçu par ces employés lorsqu'il s'agit de déterminer leur status pour le paiement du boni; aussi pour savoir si cette somme était soumise à la déduction mensuelle ordinaire pour le fonds de retraite ou le fonds de pension. Une réponse à ma lettre me renseigne au sujet de l'indemnité pour les fins du boni, mais me suggère d'obtenir de votre bureau les renseignements au sujet de la déduction pour les fonds susdits.

Je demeure, monsieur, votre obéissant serviteur,

R. R. FARROW, *Com. des douanes et sous-min.*

L'Auditeur général, Ottawa.

BUREAU DE L'AUDITEUR, 31 mai 1921.

MONSIEUR,—J'accuse réception de votre lettre du 20 courant, me demandant si l'indemnité accordée aux percepteurs et sous-percepteurs qui remplissent les fonctions de régistrateurs des navires doit être soumise à la déduction mensuelle ordinaire pour le fonds de retraite ou le fonds de pension.

Comme cette indemnité est fixée par la Commission du Service civil et approuvée par le gouverneur en conseil et de plus, comme elle est ajoutée d'une façon permanente aux appointements de ces fonctionnaires, je dois vous dire, en réponse, qu'à mon avis,

as it is in the nature of a permanent addition to the salaries of these officers, the usual monthly deductions for Retirement Fund or for Superannuation Fund, should be made from this part of their salaries, as well as from their regular salaries as Collectors or Sub-collectors.

Illegal Payment of Arrears to Officials who left the Service prior to July 1, 1920

AUDIT OFFICE, OTTAWA, May 14, 1921.

SIR,—In the examination of the paylists for the payment of arrears of salary arising out of the reclassification I find that a number of employees in the Outside Service of your Department who left the Service prior to July 1, 1920, were paid arrears for the fiscal year 1919-20.

The Act of 1920, which changed the date after which the re-classification became effective from April 1, 1920 to April 1, 1919, was assented to on July 1, 1920. Only such officers as were in the service on the date on which that Act became law were entitled to benefit from its provisions. Such officers as left the Service prior to April 1, 1920, would be entitled to no arrears under the re-classification, while such officers as left between April 1, 1920 and July 1, 1920, would be entitled to arrears for 1920-21 only.

I beg to ask what steps, if any, you have taken to recover the arrears thus illegally paid.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Customs & Inland Revenue, Ottawa.

DEPARTMENT OF CUSTOMS & EXCISE, OTTAWA, February, 16, 1922.

SIR, — Referring to your letter of the 31st January, 1921, to my reply of March 26th 1921, and to your further letter of May 14th 1921, on the subject of arrears of salary for the fiscal year 1919-20, which have been paid to those employees who left the service prior to July 1st 1920; and to your enquiry as to what steps have been taken to recover arrears so paid: I have to state that in view of the apparent conflict of the provisions of P.C. 111, Order in Council dated the 5th February, 1920, with those of Chapter 41 of the Statutes of 1920, assented to July 1st 1920, in this regard, a letter was addressed to the Civil Service Commission by this department under date October 19, 1920, as per copy herewith. Copy of their reply dated the 29th November is also enclosed, which appeared to intimate that the provisions of Paragraph C of P.S. 111 are cancelled by the amendment contained in Chapter 41, and that:

> "Any *further* adjustments in salaries should be made in accordance with Subsection 2 of Section 13 as amended by Chapter 41."

Accordingly, since receipt of such letter of decision, the requirements indicated have been observed; but as the provisions of Paragraph C. of P.C. 111 had been in good faith acted upon to the date that copy of the amending Act, assented to July 1st 1920, was received in this department, viz: October 1920, no action was taken toward recovery of the arrears so paid.

l'on devrait faire la déduction mensuelle ordinaire de cette partie de leurs appointements pour le fonds de retraite ou le fonds de pension de même que de leurs appointements réguliers à titre de percepteurs ou de sous-percepteurs.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Paiements illégaux d'arrérages aux fonctionnaires qui ont quitté le service avant le 1er juillet 1920

Bureau de l'Auditeur, Ottawa, 14 mai 1921.

Monsieur,—En examinant les bordereaux de paie à la colonne des arrérages d'appointements dus à la reclassification, j'ai constaté qu'un certain nombre d'employés du service extérieur de votre ministère, qui ont quitté le service antérieurement au 1er juillet 1920, avaient reçu des arrérages pour l'exercice 1919-20.

La loi de 1920, qui a changé la date de l'application de la reclassification, du 1er avril 1920 au 1er avril 1919, a été sanctionnée le 1er juillet 1920. Les fonctionnaires seuls qui appartenaient au service à la date de l'entrée en vigueur de la loi ont droit de bénéficier de ses dispositions. Ceux qui avaient quitté le service avant le 1er avril 1920 n'avaient pas droit à des arrérages en vertu de la reclassification, tandis que ceux qui ont quitté le service, entre le 1er avril 1920 et le 1er juillet 1920, n'avaient droit qu'aux arrérages de 1920-21 seulement.

Je dois vous demander quelles mesures vous avez prises, s'il en est, pour recouvrer les arrérages ainsi payés illégalement.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre,
Douanes et Revenu de l'Intérieur, Ottawa.

Ministère des Douanes et de l'Accise, Ottawa, 16 février 1922.

L'Auditeur général, Ottawa.

Monsieur, — Relativement à votre lettre du 31 janvier 1921, traitant de ma réponse du 26 mars 1921, et à votre lettre du 14 mai 1921, au sujet des arrérages d'appointements pour l'exercice 1919-20, payés aux employés qui ont quitté le service antérieurement au 1er juillet 1920, et à votre demande si des mesures ont été prises pour recouvrer les arrérages ainsi payés, je dois vous dire qu'en présence de la contradiction apparente dans les dispositions du C.P. 111, arrêté en conseil du 5 février 1920, et celles du chapitre 41 du Statut de 1920, sanctionné le 1er juillet 1920, à cet égard, le ministère a adressé à la Commission du Service civil une lettre en date du 19 octobre 1920, dont copie est annexée. J'inclus aussi une copie de la réponse de la Commission, en date du 29 novembre, laquelle donne à entendre que les dispositions de l'alinéa C de C.P. 111 sont annulées par la modification contenue dans le chapitre 41 et que

> "Toutes nouvelles rectifications d'appointements devraient être effectuées en conformité du paragraphe 2 de l'article 13, selon que modifié par le chapitre 41."

En conséquence, depuis que l'on a connu la décision contraire dans cette lettre, les prescription indiquées ont été observées, cependant comme l'on avait agi de bonne

Upon attention having been again drawn to the matter by Mr. Reid of your office, a letter was addressed to each former employee concerned, as per copy enclosed herewith.

I am, Sir, your obedient servant,

R. R. FARROW, *Com. of Customs & Excise.*

The Auditor General,
Ottawa.

DEPARTMENT OF CUSTOMS & EXCISE, OTTAWA, ONT.

SIR, — The Auditor General has drawn attention to the provisions of Subsection 22, Section 13, Chapter 41, of the Statutes of 1920, assented to July 1st 1921, which reads as follows:—

> "Persons who have been retired from or have left the public service, shall not participate in any benefits resulting from the provisions of this section making the classification retroactive to the first day of April, one thousand nine hundred and nineteen."

Accordingly, as your retirement occured prior to July 1, 1920, you are not legally entitled to arrears of salary, due to re-classification, paid you for the fiscal year 1919-20. The sum involved amounts to $..... in your case; and you are accordingly requested to refund that amount to this department at the earliest possible date. Please acknowledge receipt of this letter, stating when the amount will be remitted.

I am, Sir, your obedient servant,

Chief Accountant of Customs & Excise.

AUDIT OFFICE, OTTAWA, January 12, 1922.

SIR,—Mr. P. Thivierge was paid a salary of $999.96 during the fiscal year 1919-20, from the Preventive Service Vote, Department of Inland Revenue, as Preventive Officer at Three Rivers. He does not appear to have been employed during the fiscal year 1920-21, as I find no salary payments for him in that year's accounts. I find, however, a payment of $80. as arrears for 1919-20.

I do not find that this man's name is on any of the classification lists that I have received from the Department of Inland Revenue. For this reason and also on account of his having apparently left the service prior to July 1st, 1920, I have to ask why he was considered eligible for arrears for 1919-20.

On the arrears paylist for the port of Three Rivers, on which this man's name appears, there is a note to the effect that the cheque for the arrears for Mr. Thivierge was made out in favour of the Assistant Deputy Minister of Inland Revenue, and had been remitted to Ottawa. Kindly let me know the reason for treating this payment in this way, instead of paying it direct to Mr. Thivierge.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Customs & Excise, Ottawa.

Charges by Officers for Laundry and Pressing Clothes

AUDIT OFFICE, November 28, 1921.

SIR,—In the examination of the expense accounts for the fiscal year 1920-21, of those officers of your Department, who are charged to the Vote for Inspection and Board of Customs, I find that a number of them have charged for laundry and pressing

foi en suivant les dispositions de l'alinéa C. du C.P. 111, jusqu'à la réception par le ministère de la copie de la loi modificatrice, sanctionnée le 1er juillet 1920, savoir: jusqu'à la date d'octobre 1920, rien n'a été fait pour recouvrer les arrérages ainsi payés.

M. Reid, de votre bureau, ayant de nouveau attiré l'attention sur cette question, le ministère a adressé, à chaque ancien employé concerné, une lettre dont une copie est ci-incluse.

Je demeure, monsieur, votre obéissant serviteur,

R. R. FARROW, *Commissaire des Douanes et de l'Accise.*

MINISTÈRE DES DOUANES ET DE L'ACCISE, OTTAWA, ONT.

MONSIEUR, — L'Auditeur général a attiré l'attention sur les dispositions du paragraphe 2 de l'article 13, chapitre 41, du Statut de 1920, sanctionné le 1er juillet 1921, lequel se lit ainsi:

> "Les personnes retraitées du service public ou qui l'ont quitté ne participent à aucun bénéfice résultant de la rétroactivité de la classification au premier jour d'avril mil neuf cent dix-neuf."

En conséquence comme votre retraite a eu lieu avant le 1er avril 1920, vous n'avez pas légalement droit aux arrérages d'appointements, dus à la reclassification, qui vous ont été payés pour l'exercice 1919-20. Dans votre cas, la somme s'élève à $..... et il vous est en conséquence demandé de rembourser le montant au ministère à la plus prochaine date possible. Veuillez accuser réception de cette lettre mentionnant quand le montant sera remis.

Je demeure, monsieur,

Votre obéissant serviteur,

Comptable-chef des Douanes et de l'Accise.

BUREAU DE L'AUDITEUR, OTTAWA, 12 janvier 1922.

MONSIEUR,—Il a été payé à M. P. Thivierge, au cours de l'exercice 1919-20, des appointements de $999.96, à même le crédit du service préventif, ministère du Revenu de l'Intérieur, en qualité d'employé du service préventif à Trois-Rivières. M. Thivierge ne parait pas avoir été employé au cours de l'exercice 1920-21, car je ne sais pas qu'il lui ait été payé des appointements dans les comptes de cet exercice. Il a reçu toutefois, un paiement de $80 à titre d'arrérages pour 1919-20.

Le nom de M. Thivierge ne se trouve sur aucune des listes de classification que j'ai reçues du ministère du Revenu de l'Intérieur. Pour cette raison et comme il paraît avoir quitté le service antérieurement au 1er juillet 1920, je dois vous demander pourquoi on a jugé à propos de lui payer des arrérages pour 1919-20.

Dans le bordereau de paie d'arrérages pour le port de Trois-Rivières, sur lequel se trouve le nom en question, il y a une note comportant que le chèque pour les arrérages de M. Thivierge a été fait en faveur du sous-ministre adjoint du Revenu de l'Intérieur et a été remis à Ottawa. Veuillez me dire pour quelle raison ce paiement a été fait de cette façon au lieu d'à M. Thivierge directement.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

SIR, — Replying to your letter of November 28th last, in which you point that the amounts allowed and paid to officers of the department for laundry and pressing clothes should not be allowed in any case; and furthermore that these officers should be required to refund amounts so paid, as listed in your letter for fiscal year 1920-21, and also any amounts similarly paid during the current fiscal year. Demandes de la part de fonctionnaires pour blanchissage et pressage d'habits

BUREAU DE L'AUDITEUR, OTTAWA, 28 novembre 1921.

MONSIEUR,—Lors de l'examen des comptes de la dépense pour l'exercice 1920-21, des fonctionnaires de votre ministère à même le crédit d'inspection et de la Commission des douanes, je remarque qu'un certain nombre d'entre eux ont demandé le paiement de la note de blanchissage et de pressage d'habits, ce qui a été accordé par le bureau du comptable. Suit le montant total demandé par chaque fonctionnaire au cours de l'exercice.

R. H. Bernard	$ 1 50
F. M. Burns	52 55
E. R. Douglas	5 30

Je dois vous faire remarquer que les demandes de cette nature ne devraient être jamais permises. Il faudrait exiger que ces fonctionnaires remboursent les sommes ci-dessus de même que celles pour objets semblables qui ont pu être accordées pendant l'exercice en cours, et à l'avenir toutes ces demandes devraient être refusées.

Le Commissaire des douanes et de l'accise, Ottawa.

MINISTÈRE DES DOUANES ET DE L'ACCISE, OTTAWA, 16 février 1922.

L'Auditeur général, Ottawa.

MONSIEUR, — En réponse à votre lettre du 28 novembre dernier dans laquelle vous faites remarquer que les notes de blanchissage et pressage d'habits accordées et payées à des fonctionnaires du ministère ne devraient jamais être accordées; de plus qu'il faudrait obliger ces fonctionnaires à rembourser les sommes ainsi payées, suivant la liste incluse dans votre lettre pour l'exercice 1920-21, ainsi que les sommes payées pour objets semblables durant l'exercice en cours, je dois vous dire, qu'en conformité de votre demande, l'on a écrit à tous les fonctionnaires en question d'avoir à rembourser les sommes ainsi payées.

Je demeure, monsieur,

Votre obéissant serviteur,

Present Method of Paying Salaries in Great Britain Unsatisfactory

AUDIT OFFICE, OTTAWA, December 29, 1921.

SIR,—I am in receipt of a copy of an Order in Council, dated December 26th, 1921 (P.C. 4673),the intent of which is to authorize the payment of £246-16s-6d, to Mr. J. Obed Smith, being the amount paid by him to Mrs. K. F. Yeman, as the difference between her salary of $1,800 a year authorized by the Civil Service Commission, and the rate of $2,400 a year agreed to by the Minister of Immigration and Colonization, for the period from April 1st, 1919, to January 31st, 1921.

I beg to point out that this Order in Council is not sufficient authority for this payment. Mrs. Yeman was first employed in March, 1919, at a salary of $1,800 a year. In the reclassification she was classed as Emigration Lecturer, which class has a salary range from a minimum of $1,500 to a maximum of $1,800 a year. As she was receiving $1,800 a year before the classification, she was entitled to receive the same rate after the reclassification and that being the maximum salary for the class is as high as she could be legally paid, so long as her classification or rates of pay for her class were unaltered.

In order that this additional amount may be legally paid to Mrs. Yeman, it will be necessary to have the same specially voted by Parliament. I have to request that you defer this payment until such parliamentary authority has been obtained.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

AUDIT OFFICE, OTTAWA, October 31, 1921.

SIR,—The method followed at present by your Department in paying the salaries and bonuses of your staff in Great Britain is both inconvenient and unsatisfactory in various ways. At present drafts on London are bought each month at the current rate for the payment of these salaries. The salary cheques themselves are issued at London in terms of English money, based on the same rate of exchange as that paid for the draft. As the rate of exchange varies considerably there is a corresponding variation in the amount in English money of these salary cheques, causing complications in the book-keeping both here and in London.

As the salaries are fixed in terms of Canadian money it appears to me that the salary cheques should correspond. I would accordingly suggest that the individual salary cheques should be issued here, the amount being given in dollars and cents; these cheques would be negotiated in England at the then rate of exchange, the officials would lose nothing, while the records here would be simplified.

This method of paying the overseas staff is followed in connection with the High Commissioner's Office and also with the overseas Pension Staff. A system differing only in detail is followed by the Dept. of the Soldier's Civil Re-establishment. In all these cases the system is found to work most satisfactorily.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

La méthode actuelle de payer les appointements en Grande-Bretagne n'est pas très satisfaisante

BUREAU DE L'AUDITEUR GÉNÉRAL, le 29 décembre 1921.

MONSIEUR,—J'ai reçu une copie de l'arrêté du Conseil en date du 26 décembre 1921 (C.P. 4673) dont l'objet est d'autoriser le paiement de 246£., 16 s., 6d., à M. J. Obed Smith, ce qui représente la somme payée par lui à Mme K. F. Yeman à titre de compensation pour la différence entre son traitement de $1,800 par année, tel qu'autorisé par la Commission du service civil, et le traitement de $2,400 par année, tel que fixé par le ministre de l'Immigration et de la Colonisation pour la période s'étendant du 1er avril 1919 au 31 janvier 1921.

Je tiens à faire remarquer que cet arrêté du Conseil ne constitue pas une autorité suffisante en la matière. C'est en mars 1919 que fut engagée Mme Yeman au traitement de $1,800 par année. D'après la classification, elle fut classée à titre de conférencière à l'immigration, classe qui comporte un traitement minimum de $1,500 et dont le maximum est de $1,800 par année. Etant donné qu'elle touchait un traitement de $1,800 par année un an avant la mise en vigueur de la nouvelle classification, elle avait droit au même traitement à la suite de cette mise en vigueur; aussi, ce traitement étant le chiffre maximum pour la catégorie d'emploi qui lui était assignée, elle ne pouvait s'attendre à un traitement plus élevé, même au point de vue légal, tant que sa classification, ou le taux de son traitement, ne serait pas modifiée.

Pour autoriser légalement le paiement additionnel de cette somme en faveur de Mme Yeman, il faudra que le montant en question soit voté spécialement par le Parlement. Je vous prierai en conséquence de différer ce paiement jusqu'à ce que l'on ait obtenu à cette fin l'autorisation parlementaire voulue.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, 31 octobre 1921.

MONSIEUR,—La méthode suivie actuellement par votre ministère pour le paiement des appointements et des bonis de votre personnel en Grande-Bretagne est la cause d'un grand nombre d'inconvénients et de mécontentements. On achète actuellement, chaque mois, des traites sur Londres, au taux courant, pour le paiement de ces appointements. Les chèques pour appointements sont émis à Londres selon le numéraire anglais, et sont basés sur le même taux de change que le taux payé lors de l'achat de la traite. Comme le taux du change varie considérablement il se produit une variation correspondante dans le montant représenté par le numéraire anglais de ces chèques pour appointements, compliquant le travail de la tenue des livres tant ici qu'à Londres.

Comme les appointements sont déterminés d'après la valeur du numéraire canadien, il me semble que les chèques pour appointements devraient correspondre à cette valeur. Je vous recommanderais donc d'émettre tous vos chèques d'appointements ici, le montant de ces chèques étant indiqués en piastres et en cents; ces chèques seraient alors négociés en Angleterre au taux du change en cours, les fonctionnaires ne perdraient rien, tandis qu'ici les livres seraient moins compliqués.

Cette méthode de payer le personnel d'outre-mer est suivie pour le paiement des employés au Bureau du Haut-Commissaire et aussi du personnel de la Commission des Pensions outre-mer. Le ministère du Rétablissement des Soldats dans la vie civile s'en tient à un système qui ne diffère de celui que je vous recommande que dans les détails. Dans tous ces cas, on trouve que le système donne des résultats très satisfaisants.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

Objections to Various Items in Expenditure at London, Eng.

AUDIT OFFICE, OTTAWA, December 21, 1921.

SIR,—In the examination of the expenditure at London, Eng., during the fiscal year 1920-21, on account of Emigration, I find that Mr. C. A. Allen, the secretary at the London Office, was paid $875.00 as living allowance for the years 1919-20, and 1920-21 to December 31st, 1920.

I find no authority for paying this living allowance to Mr. Allen. Kindly let me know the authority under which Mr. J. Obed Smith made this payment.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

DEPT. IMMIGRATION AND COLONIZATION, OTTAWA, January 12, 1922.

SIR,—I have your favour of the 21st ultimo, concerning living allowance for Mr. C. A. Allen paid by our London Office. The amounts paid were,—

1919-20		$499.99
1920-21	(9 months)	374.68
Total		$874.67

The living allowance was only for Emigration Agents and Mr. Allen is not an Emigration Agent. I have written to our London Office asking that the amount be refunded.

Your obedient servant,

W. J. BLACK, *Deputy Minister.*

The Auditor General.

AUDIT OFFICE, OTTAWA, November 22, 1921.

SIR,—Among the petty cash expenses for the year 1920-21 at the office of the Commissioner of Emigration at London, Eng., I find four charges amounting in all to £18-17s-0d for season tickets from Richmond to Waterloo Station.

I do not think that these charges, which are for the train fare of Mr. Smith from his residence to his office are a proper charge against the public moneys. Kindly have a refund of this amount made by Mr. Smith.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

AUDIT OFFICE, OTTAWA, January 4, 1922.

SIR,—I wrote you on November 22nd last with reference to charges by Mr. J. Obed Smith for season rail tickets between his place of residence at Richmond and Waterloo Station, London. I find on further examination of Mr. Smith's accounts, charges amounting to £79-16s-3d., for cabs and taxi hire, the greater part of which is for conveyance between his office and Waterloo Station, where he would take the train for his home.

Objections à divers déboursés faits à Londres, Angleterre

BUREAU DE L'AUDITEUR, OTTAWA, 21 décembre 1921.

MONSIEUR,—En faisant la vérification des déboursés faits à Londres, Ang., au cours de l'exercice 1920-21, pour le compte de l'Emigration, je constate que M. C. A. Allen, le secrétaire au bureau de Londres, avait touché la somme de $875,00 comme allocation de subsistance pour les années 1919-20 et 1920-21, au 31 décembre.

Je ne trouve rien qui autorise le paiement de cette allocation de subsistance à M. Allen. Veuillez me faire connaître l'autorité sur laquelle M. Obed Smith s'est appuyée pour faire ce paiement.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, OTTAWA, 12 janvier 1922.

MONSIEUR,—J'accuse réception de votre lettre du douze du mois dernier, concernant l'allocation de subsistance payée à M. C. A. Allen par notre bureau de Londres. Les montants qui ont été payés sont les suivants:

1919-20	$499 99
1920-21	374 68
Total	$874 67

L'allocation de subsistance n'est accordée qu'aux agents d'émigration, et M. Allen n'est pas agent d'émigration. J'ai écrit à notre bureau de Londres demandant que cette somme soit remboursée.

Votre obéissant serviteur,

W. J. BLACK, *sous-ministre.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, OTTAWA, 22 novembre 1921.

MONSIEUR,—Je trouve parmi les dépenses courantes du bureau du Commissaire de l'Emigration, à Londres, Angleterre, pendant l'exercice 1920-21 quatre notes s'élevant en tout £18-17-0 pour des billets d'abonnement, de Richmond à la station Waterloo.

Je ne crois pas que ces frais de transport de M. Smith, de sa demeure à son bureau, devraient être payés à même les deniers publics. Veuillez demander à M. Smith d'en rembourser le montant.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, 4 janvier 1922.

MONSIEUR,—Je vous ai écrit le 22 novembre dernier relativement à la somme demandée par M. Obed Smith pour des billets de chemins de fer entre le lieu de sa résidence à Richmond et la station de Waterloo, à Londres. En examinant de nouveau les comptes de M. Smith, je constate qu'il a aussi demandé une somme de £79-16-3 pour louage de voitures et de taxis, la majeure partie de laquelle comprend le transport de son bureau à la station Waterloo, où il prenait le convoi pour se rendre à sa demeure.

I do not think that Mr. Smith is entitled to either train fare or cab hire coming and going between his home and his office, and am of the opinion that he should be called upon to refund all such charges.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

AUDIT OFFICE, OTTAWA, January 14, 1922.

SIR,—Referring to my letter of the 4th instant, with regard to charges by Mr. J. Obed Smith for cabs and taxi, and to your letter of the 10th instant, with reference thereto, I now enclose a statement of the amounts charged by Mr. Smith, during the fiscal year 1920-21, which appear to me should have been paid by Mr. Smith personally. I am of the opinion that Mr. Smith should be called upon to refund the whole amount of £52-7s-0d, unless he can satisfactorily shew that some of the items included in this statement were incurred strictly on Government business.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

W. J. BLACK, Esq.,
Deputy Minister of Immigration and Colonization, Ottawa.

AUDIT OFFICE, OTTAWA, January 17, 1922.

SIR,—I find that a number of officials of your department, employed at London, and other offices in Great Britain, whose positions have been regarded as temporary, were given increases of salary by Mr. J. Obed Smith in 1920-21, and again in 1921-22. Such increases were not authorized by the Civil Service Commission, and are in contravention of the Civil Service Act, which provides that "no temporary employee shall de deemed eligible to receive any increase of compensation, under the provision of this Act."

Kindly let me know what steps, if any, are being taken to recover the amounts thus overpaid.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Dept. Immigration and Colonization, Ottawa.

AUDIT OFFICE, OTTAWA, December 6, 1921.

SIR,—Cheque No. 953, issued at London on July 22nd, 1920, is for the payment of £67 10s, to Beverly Symthe & Sons, of Dublin, for the removal of Col. O'Kelly's furniture from Dublin to Birmingham, in January, 1920.

Mr. E. O'Kelly, agent at Dublin, died in October, 1919, and his son, Mr. A. O'Kelly, agent at Birmingham, acted as agent at Dublin, from October to January. It appears to me as if the above charge was for the removal of Mr. E. O'Kelly's effects from Dublin to Birmingham, where Mr. A. O'Kelly, the son, resided. If such is the case, I do not think that this payment is a proper charge against the public moneys. If for any reason, it might be considered a proper charge, it must be authorized by the Treasury Board, being of the nature of removal expenses.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

M. Smith n'a pas droit, je crois, ni à des billets de chemin de fer, ni au paiement de voiture pour aller et venir de sa demeure à son bureau, et je suis d'avis qu'on devrait lui demander de rembourser tous ses frais à ce sujet.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, 14 janvier 1922.

MONSIEUR,—Relativement à ma lettre du 4 courant au sujet des notes de M. J. Obed Smith pour voitures et taxis, et à votre lettre du 10 courant au même sujet, je vous inclus un état des sommes demandées par M. Smith au cours de l'exercice 1920-21. M. Smith, il me paraît, devrait lui-même payer ces frais. C'est mon avis que l'on devrait demander à M. Smith de rembourser le plein montant de £52-7-0, à moins qu'il ne démontre d'une manière satisfaisante, que quelques-uns des item inclus dans l'état ont été strictement dépensés pour affaires de l'Etat.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, 17 janvier 1922.

MONSIEUR,—Je remarque que M. Obed Smith a accordé en 1920-21 et de nouveau en 1921-22 des augmentations d'appointements à un certain nombre de fonctionnaires de votre ministère, employés à Londres et dans d'autres bureaux en Grande-Bretagne, et dont les fonctions étaient à titre temporaire. La Commission du Service civil n'a pas autorisé ces augmentations qui sont en contravention de la Loi du Service civil, laquelle décrète: "qu'aucun employé temporaire n'est censé éligible à recevoir une augmentation d'indemnité, en vertu des dispositions de la présente loi."

Veuillez me dire quelles mesures, le cas échéant, ont été prises pour recouvrer les sommes ainsi payées de trop.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, 6 décembre 1921.

MONSIEUR,—Le chèque N° 953, émis à Londres le 22 juillet 1920, couvre le paiement de £67-10-0 à Beverly Smythe & Sons, de Dublin, pour le déménagement des meubles du colonel O'Kelly, de Dublin à Birmingham, en janvier 1920.

M. E. O'Kelly, l'agent à Dublin, est mort en octobre 1919 et son fils, M. A. O'Kelly, agent à Birmingham, a rempli les fonctions d'agent à Dublin, d'octobre à janvier. Les frais ci-dessus me paraissent être pour le déménagement des effets mobiliers de M. E. O'Kelly de Dublin à Birmingham où M. A. O'Kelly, le fils résidait. Si c'est le cas, je ne crois pas que ce paiement puisse être régulièrement fait à même les deniers publics. Mais s'il y a quelque raison pour qu'on le considère légitime, il doit être autorisé par la Trésorerie, attendu qu'il s'agit de dépense de déménagement.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

Advisability of Opening a Suspense Account

DEPT. IMMIGRATION AND COLONIZATION, OTTAWA, April 13, 1921.

SIR,—The number of cash items which this Department is required to hold in "trust" or "suspense" has been steadily increasing. In the past we had only a few items and they were deposited in our account for Immigration Contingencies. These items have now grown to such volume that I think it is quite inadvisable to continue this practice. We should have à Trust Account, or perhaps it would be better to name it a Suspense Account. Will you please let me know if such action conforms with your opinion. We would like to commence this account from the beginning of the new fiscal year and, therefore, would like to have reply as soon as possible.

Your obedient servant,

F. C. BLAIR, *Secretary.*

The Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, April 19, 1921.

SIR,—I beg to acknowledge receipt of your letter of the 13th instant, regarding the cash items, which your Department is obliged to hold in "trust", or in "suspense".

Considering the increase both in number, and in amount of these items, I am of the opinion, that the best way to deal with them, would be to deposit all such amounts with the Receiver General as to the credit of an open account, which might be called "Department of Immigration and Colonization Suspense Account". When any of these amounts were to be paid, the repayment would be made through your regular Letter of Credit, charging the cheques issued in repayment against the open account. Any amounts that might, for any reason, be forfeited should be transferred from the open account to Immigration Revenue.

I think this would solve the difficulty, which you find at present of your appropriation account being encumbered with these items.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

F. C. Blair, Esq., Secretary, Dept. Immigration and Colonization, Ottawa.

Opportunité d'ouvrir un compte indéterminé

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, OTTAWA, 13 avril 1921.

MONSIEUR,—Le nombre des item au comptant que le ministère est obligé de garder en fiducie ou "à titre indéterminé" a constamment été en augmentant. Autrefois il n'y avait que quelques item et le dépôt en était fait à notre compte de dépense casuelle de l'Immigration. Mais ces item sont maintenant si considérables qu'il n'est plus sage, je crois, de continuer cette pratique. Il nous faudrait un compte en fiducie, ou peut-être serait-il préférable de le désigner comme compte indéterminé. Veuillez me faire savoir si cela rencontrerait vos vues. Nous aimerions à commencer ce compte avec le nouvel exercice, et en conséquence je vous prierais de me répondre aussitôt que possible.

Votre obéissant serviteur,

F. C. BLAIR, *secrétaire.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, OTTAWA, 19 avril 1921.

MONSIEUR,—J'accuse réception de votre lettre du 13 courant au sujet des item du comptant que votre ministère est obligé de garder en "fiducie" ou à titre "indéterminé."

Considérant l'augmentation à la fois du nombre et du montant de ces item, je suis d'avis que le mieux à ce sujet serait de déposer toutes ces sommes au crédit d'un compte courant du receveur général, qui pourrait être appelé: "Compte indéterminé du ministère de l'Immigration et de la Colonisation." Lorsqu'un de ces montants devrait être payé, le remboursement s'en ferait par le moyen de votre lettre de crédit régulière en débitant les chèques émis pour remboursement au compte courant. Toutes les sommes qui pourraient, pour une raison ou une autre, devenir déchues devraient être transférées du compte courant au revenu de l'Immigration.

Cela résoudrait, je crois, la difficulté dans laquelle vous vous trouvez présentement alors que votre compte des crédits se trouve surchargé de ces item.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*
